Witnesses Of The Messiah Kingdom Studies:

Witnesses of the Messiah Stephen Pimentel, 2002 Stephen Pimentel brings Luke's vision of the early Church to life showing how God's actions in salvation history find their fulfillment in the Body of Christ *Christian Political Witness* George Kalantzis, Gregory W. Lee, 2014-02-28 George Kalantzis and Gregory W. Lee edit twelve essays that explore the topic of Christian political witness originally presented at the 2013 Wheaton Theology Conference Contributors include Stanley Hauerwas Mark Noll William Cavanaugh Peter Leithart and Scot McKnight **The Christological Witness Function of the Old Testament Characters in the Gospel of John** Sanghee M. Ahn, 2014-06-01 This book investigates the narrative function of the Old Testament characters in the Gospel of John The fascinating thesis is that the Hebrew characters in John's narrative uniformly function as a witness for the messianic identity of Jesus The Jewish scriptural traditions Hebrew and intertestamental ones are compared to shed light on John's indebtedness for its formation of his Christology A compelling argument ensues which informs our understanding not only of the Gospel itself but also of Jesus Christ revealed in the Gospel COMMENDATION Dr Ahn's thorough and careful study represents a solid contribution from which many will benefit All serious interpreters of the Johannine witness will want to refer to this work Mark A Seifrid Southern Baptist Theological Seminary USA Jehovah's Witnesses Edmond C. Gruss, 2001 *The Witness of Jesus, Paul and John* Larry R. Helyer, 2023-07-17 This book introduces the reader to the discipline of biblical theology In part one Helyer discusses the central problem of the unity of the Bible and the various options that have been proposed He then argues for a vital connection between the testaments forming one grand story of redemptive history and one central theme the coming kingdom of God Part two takes up the theology of three major witnesses Jesus Paul and John In these three witnesses Helyer finds the center of New Testament thought He emphasizes the importance of Jesus teaching as foundational for all the other the New Testament witnesses Without overlooking the diversity and individuality of the major witnesses he clearly demonstrates the theological unity that binds them together and provides the key to the enduring message of Scripture *Friends Witness to Scriptural Truth*, 1908 **The Collected Works of Witness Lee, 1984, volume 5** Witness Lee, The Collected Works of Witness Lee 1984 volume 5 contains messages and fellowship given by Brother Witness Lee on October 22 through December 20 1984 on January 13 through December 7 1985 and on June 2 1986 From the middle of October until the middle of November Brother Lee traveled to the Far East and ministered in Tokyo Japan Seoul South Korea Taipei Taiwan and Quezon City Philippines He returned to Anaheim California for a few days in the middle of November and near the end of November he traveled to Irving Texas where he remained until the end of the year The contents of this volume are divided into ten sections as follows 1 Three messages given in Seoul South Korea on October 22 through 24 1984 These messages are included in this volume under the title Fellowship concerning the Practice of the Church Life 2 Five messages given in Chinese in Taipei Taiwan on October 27 through November 4 1984 They were translated and were previously

Christ Leonhard Goppelt, 1982-12 This is a print on demand book and is therefore non returnable This volume the second of a two volume work by Leonhard Goppelt represents the most mature and comprehensive thought of this German New Testament scholar Among German speaking scholars it is distinguished as rivaling if not replacing the monumental work on New Testament theology by Rudolf Bultmann One reason for this fundamental significance is that it attempts to reclaim a biblical theology that comprehends both Old and New Testaments As in the first volume Goppelt makes a thoroughgoing application of the most reliable tools and insights of New Testament scholarship And while he views his work as instructive dialogue between exegetical and systematic theology and seeks always to maintain a balance between historical research and theological understanding his goal is not simply to come to terms with the intent of the New Testament authors but to apply that knowledge in the context of present day realities Volume II treats a variety of apostolic witnesses to Christ the primitive Christian community Paul and the post Pauline writers Yet as the title indicates with all the richness and variety of the New Testament proclamation each of the witnesses expresses in various ways the apostolic kerygma That witness alone is the norm of Christian faith and life that is to be developed reflectively in the contemporary context Adding to the volume s usefulness are detailed bibliographies for each chapter subject indexes for both Volume I and II a literature supplement and a list of the publications of Leonhard Goppelt

Living Witness Andy Draycott, Jonathan Rowe, 2013-01-24 Because God calls his people to be a living witness to him morality is mission Conversely immorality is anti mission a failure to give true testimony or witness This in essence is the theme of this stimulating and challenging volume The whole life of the people of God not just verbal proclamation testifies to the church s faith or lack of faith in her Lord The contributors explain that mission and ethics are intricately and necessarily interwoven and explore why this is so by unpacking the biblical and theological roots of missional ethics probing its limits and exploring its possibilities through examination of some foundational themes and a selection of specific issues Intended primarily for pastors and church leaders this volume encourages reflection and conversation that will feed the life of the body of Christ Missional ethics concerns all the ways in which Christian ethical practice flows out of supports and advances the wider mission of the church to proclaim the gospel The contributors are Brian Brock M Daniel Carroll R Jonathan Chaplin Guido de Graaff Sean Doherty Andy Draycott Joshua Hordern Matt Jenson Grant Macaskill Nathan Moser Jonathan Rowe Sarah Ruble and Christopher J H Wright
