Artefacts of Writing Peter D. McDonald,2017-10-11 Some forms of literature interfere with the workings of the literate brain posing a challenge to readers of all kinds including professional literary critics In Artefacts of Writing Peter D McDonald argues they pose as much of a challenge to the way states conceptualise language culture and community Drawing on a wealth of evidence from Victorian scholarly disputes over the identity of the English language to the constitutional debates about its future in Ireland India and South Africa and from the quarrels over the idea of culture within the League of Nations in the interwar years to UNESCO s ongoing struggle to articulate a viable concept of diversity McDonald brings together a large ensemble of legacy writers including T S Eliot James Joyce and Rabindranath Tagore putting them in dialogue with each other and with the policy makers who shaped the formation of modern states and the history of internationalist thought from the 1860s to the 1940s In the second part of the book he reflects on the continuing evolution of these dialogues showing how a varied array of more contemporary writers from Amit Chaudhuri J M Coetzee and Salman Rushdie to Antjie Krog Arvind Krishna Mehrotra and Es kia Mphahlele cast new light on a range of questions concerning education literacy human rights translation indigenous knowledge and cultural diversity that have preoccupied UNESCO since 1945 At once a novel contribution to institutional and intellectual history and an innovative exercise in literary and philosophical analysis Artefacts of Writing affords a unique perspective on literature s place at the centre of some of the most fraught often lethal public controversies that defined the long twentieth century and that continue to haunt us today **The changing spaces of television acting** Richard Hewett,2017-08-17 This book provides a historical overview and then and now comparison of performing for British television drama By examining changing acting styles from distinct eras of television production studio realism and location realism it makes a unique contribution to both television and performance studies unpacking the various determinants that have combined to influence how performers work in the medium The book compares the original versions of The Quatermass Experiment BBC 1953 Doctor Who BBC 1963 89 and Survivors BBC 1975 77 with their respective modern day re makes unpacking the effects of the shift from multi camera studio to single camera location production Textual analysis is combined with extensive archival research into production process and reception alongside interviews with numerous actors and production personnel from more than sixty years of television production

Changing Our Worlds Michelle LeBaron,Janis Sarra,2018-07-03 Changing Our Worlds draws on the wisdom of African artists theorists educators and leaders It profiles an array of transformative arts projects that among other things changed attitudes and behaviours toward HIV testing and prevention helped rural citizens to design and build a new community

centre and supported those with HIV AIDS to strengthen their resilience As a group of scholar practitioners collaborating on the book reinforced our confidence in the potency of arts practices to unsettle unjust orders inspire new visions and embrace the human dignity that comes from acknowledging the interdependent world in which we live **Hans Christian Andersen in American Literary Criticism of the Nineteenth Century** Herbert Rowland,2020-11-03 In Hans Christian Andersen in American Literary Criticism of the Nineteenth Century Herbert Rowland argues that the literary criticism accompanying the publication of Hans Christian Andersen s works in the United States compares favorably in scope perceptiveness and chronological coverage with the few other national receptions of Andersen outside of Denmark Rowland contends that American commentators made it abundantly evident that in addition to his fairy tales Andersen wrote several novels travelogues and an autobiography which were all of more than common interest In the process Rowland shows that American commentators naturalized Andersen in the United States by confronting the sensationalism in the journalism and literature of the time with the perceived wholesomeness of Andersen s writing deploying his long fiction on both sides of the debate over the nature and relative value of the romance and the novel and drawing on three of his works to support their positions on slavery the Civil War and Reconstruction *Savanna Woody Plants and Large Herbivores* Peter Frank Scogings,Mahesh Sankaran,2019-07-25 Insights on current research and recent developments in understanding global savanna systems Increasingly recognized as synonymous with tropical grassy biomes savannas are found in tropical and sub tropical climates as well as warm temperate regions of North America Savanna Woody Plants and Large Herbivores examines the interactions between woody plants and browsing mammals in global savannas focusing primarily on the C4 grassy ecosystems with woody components that constitute the majority of global savannas and discusses contemporary savanna management models and applications This much needed addition to current research examines topics including the varying behavior of browsing mammals the response to browsing by woody species and the factors that inhibit forage intake Contributions from an international team of active researchers and experts compare and contrast different savanna ecosystems offering a global perspective on savanna functioning the roles of soil and climate in resource availability and organism interaction and the possible impacts of climate change across global savannas Fills a gap in literature on savanna management issues including biodiversity conservation and animal production Applies concepts developed in other biomes to future savanna research Complements contemporary books on savanna or large herbivore ecology Focuses on the woody component of savanna ecosystems and large herbivore interactions in savannas Compares tree mammal systems of savannas and other eco systems of temperate and boreal regions Provides numerous case studies of plant mammal interactions from various savanna ecosystems Savanna Woody Plants and Large Herbivores is a valuable addition to those in fields such as ecology wildlife and conservation biology natural resource management and environmental science Doing Digital Migration Studies Koen Leurs,Sandra Ponzanesi,2025-10-01 Doing Digital Migration present a comprehensive entry point to the variety of theoretical

debates methodological interventions political discussions and ethical debates around migrant forms of belonging as articulated through digital practices Digital technologies impact upon everyday migrant lives while vice versa migrants play a key role in technological developments be it when negotiating the communicative affordances of platforms and devices as consumers of particular commercial services such as sending remittances as platform gig workers or test cases for new advanced surveillance technologies With its international scope this anthology invites scholars to pluralize understandings of the migrant and the digital The anthology is organized in five different sections Creative Practices Digital Diasporas and Placemaking Affect and Belonging Visuality and digital media and Datafication Infrastructuring and Securitization These sections are dedicated to emerging key topics and debates in digital migration studies and sections are each introduced by international experts I The emphasis on reflective doing of digital migration studies So far scholarship in this interdisciplinary focus area has remained relatively silent on the topic of accountability and questions of decision making in the research process II The truly transdisciplinary and international scope of the volume distinguishes this volume from the disciplinary oriented special issues and monographs published in the field of media and communication anthropology migration studies and refugee studies Digital migration creates new challenges for cross disciplinary dialogues that require an integration of ethnography with digital methods and critical data studies in order to look at the formation of identity and experience representation community building and creating spaces of belongingness III The innovative emphasis on everyday lived experiences and practices sheds much needed light on the ways in which increasingly documented infrastructures of datafication and digitization are lived negotiated and contested For this purpose the volume pays particular attention to the everyday use of digital media for the support of transnational lives emotional bonds and cosmopolitan affiliations focusing also on the role technologies such as social media and smartphones play in shaping local urban and national diasporic formations This is because it becomes increasingly important to give everyday digital media usage a central role in investigations of transnational belonging digital intimacy diasporic community re production migrant subject formation long distance political participation urban social integration and local national self organization *The Origins of American Religious Nationalism* Sam Haselby,2015-03-04 Sam Haselby offers a new and persuasive account of the role of religion in the formation of American nationality showing how a contest within Protestantism reshaped American political culture and led to the creation of an enduring religious nationalism Following U S independence the new republic faced vital challenges including a vast and unique continental colonization project undertaken without in the centuries old European senses of the terms either a church or a state Amid this crisis two distinct Protestant movements arose a popular and rambunctious frontier revivalism and a nationalist corporate missionary movement dominated by Northeastern elites The former heralded the birth of popular American Protestantism while the latter marked the advent of systematic Protestant missionary activity in the West The explosive economic and territorial growth in the early American republic and the complexity of its political

life gave both movements opportunities for innovation and influence This book explores the competition between them in relation to major contemporary developments political democratization large scale immigration and unruly migration fears of political disintegration the rise of American capitalism and American slavery and the need to nationalize the frontier Haselby traces these developments from before the American Revolution to the rise of Andrew Jackson His approach illuminates important changes in American history including the decline of religious distinctions and the rise of racial ones how and why Indian removal happened when it did and with Andrew Jackson the appearance of the first full blown expression of American religious nationalism *What the Railways Did For Us* Stuart Hylton,2015-02-15 What the Railways Did For Us will be of interest to rail enthusiasts and to readers with an interest in the social history of Great Britain **The JSE Handbook** ,1997
