Women And Comedy History Theory Practice:

Women and Comedy Peter Dickinson, Anne Higgins, Paul Matthew St. Pierre, Diana Solomon, Sean Zwagerman, 2014-03-27 *Women and Comedy History Theory Practice* presents the most current international scholarship on the complexity and subversive potential of women's comedic speech literature and performance. Earlier comedy theorists such as Freud and Bergson did not envision women as either the agents or audiences of comedy only as its targets. Only more recently have scholarly studies of comedy begun to recognize and historicize women's contributions to and political uses of comedy. The essays collected here demonstrate the breadth of current scholarship on gender and comedy spanning centuries of literature and a diversity of methodologies. Through a reconsideration of literary theatrical and mass media texts from the Classical period to the present, *Women and Comedy History Theory Practice* responds to the historical marginalization and/or trivialization of both women and comedy. The essays collected in this volume assert the importance of recognizing the role of women and comedy in order to understand these texts, their historical contexts, and their possibilities and limits as models for social engagement. In the spirit of comedy itself, these analyses allow for opportunities to challenge and reevaluate the theoretical approaches themselves.

Women and Comedy Peter Dickinson, Anne Higgins, Paul Matthew St. Pierre, Diana Solomon, Sean Zwagerman, 2014-03-27 *Women and Comedy History Theory Practice* presents the most current international scholarship on the complexity and subversive potential of women's comedic speech literature and performance. Earlier comedy theorists such as Freud and Bergson did not envision women as either the agents or audiences of comedy only as its targets. Only more recently have scholarly studies of comedy begun to recognize and historicize women's contributions to and political uses of comedy. The essays collected here demonstrate the breadth of current scholarship on gender and comedy spanning centuries of literature and a diversity of methodologies. Through a reconsideration of literary theatrical and mass media texts from the Classical period to the present, *Women and Comedy History Theory Practice* responds to the historical marginalization and/or trivialization of both women and comedy. The essays collected in this volume assert the importance of recognizing the role of women and comedy in order to understand these texts, their historical contexts, and their possibilities and limits as models for social engagement. In the spirit of comedy itself, these analyses allow for opportunities to challenge and reevaluate the theoretical approaches themselves.

Women Scientists in American Television Comedy Karina Judd, Bridget Gaul, Anna-Sophie Jürgens, 2025-02-05 This book explores how women scientists are portrayed in hit American TV comedies *The Big Bang Theory*, *Never Have I Ever*, and *Zoey's Extraordinary Playlist* using a science communication lens. The authors illuminate how comedy, especially irony and satire, communicate complex ideas about gender and science, both reflecting and challenging stereotypes about women in science. Perfect for fans of science humor, media, and feminism. *Women Scientists in American Television Comedy: Beakers, Big Bangs, and Broken Hearts* highlights the roles science communication, humor, and pop culture play in shaping our understanding of women in STEM.

Transgressive Humor of American Women

Writers Sabrina Fuchs Abrams,2017-11-09 This collection is the first to focus on the transgressive and transformative power of American female humorists It explores the work of authors and comediennes such as Carolyn Wells Lucille Clifton Mary McCarthy Lynne Tillman Constance Rourke Roz Chast Amy Schumer and Samantha Bee and the ways in which their humor challenges gendered norms and assumptions through the use of irony satire parody and wit The chapters draw from the experiences of women from a variety of racial class and gender identities and encompass a variety of genres and comedic forms including poetry fiction prose autobiography graphic memoir comedic performance and new media Transgressive Humor of American Women Writers will appeal to a general educated readership as well as to those interested in women s and gender studies humor studies urban studies American literature and cultural studies and media studies **Laughter, Literature, Violence, 1840-1930** Jonathan Taylor,2019-02-04 Laughter Literature Violence 1840 1930 investigates the strange complex even paradoxical relationship between laughter on the one hand and violence war horror death on the other It does so in relation to philosophy politics and key nineteenth and twentieth century literary texts by Edgar Allan Poe Edmund Gosse Wyndham Lewis and Katherine Mansfield texts which explore the far reaches of Schadenfreude and so called superiority theories of laughter pushing these theories to breaking point In these literary texts the violent superiority often ascribed to laughter is seen as radically unstable co existing with its opposite an anarchic sense of equality Laughter humour and comedy are slippery duplicitous ambivalent self contradictory hybrids fusing apparently discordant elements Now and then though literary and philosophical texts also dream of a different kind of laughter one which reaches beyond its alloys a transcendent perfect laughter which exists only in and for itself *Feminism and the Religious Significance of Laughing Bodies* Nicole Graham,2024-06-03 This book identifies the significance of the body through a feminist reconceptualisation of laughter as a means of insight It positions itself within the emerging scholarship on religion and humour but distinguishes itself by moving away from the emphasis on humour and instead focuses on the place and role of laughter Through a feminist reading of laughter which is grounded in the philosophical and psychological works of William James this book emphasises the importance of the body to offer an exploration of laughter as a means of insight In doing so it challenges the classificatory orders of knowledge by recognising and arguing for the value of the body in the creation of knowledge and understanding To demonstrate the centrality of the body for insight laughter and thus the creation of knowledge this book engages with laughter within three thematic areas religious experience gendered experiences of laughter and the ethics of laughter This book will be of interest to students and researchers in religious studies theology gender studies humour studies philosophy and the history of ideas *Fan Girls and the Media* Adrienne Trier-Bieniek,2015-02-12 In the broad spectrum of popular culture one can be a fan of just about anything comic books television shows fantasy novels movie franchises musical artists and so on Because fans are fluid and ever changing however defining them poses a challenge As a result too few scholars have yet to focus on the impact of gender in media consumption leading to a limited portrait of what male and female fans

look for In Fan Girls and the Media Creating Characters Consuming Culture Adrienne Trier Bieniek has assembled a collection of essays that demonstrate the gendered aspect of fandom and explore the ways different forms of media challenge stereotypical ideals of how culture is consumed Contributors examine a wide range of fan issues from gendered stereotypes in the Star Trek and Twilight franchises to gender roles in Tyler Perry films and The Real Housewives of Atlanta Other essays look at the female comedy fan community the appeal of avenging woman characters written by men and the use of social media by women in the video game culture This collection describes how gender is present in fandom demonstrating the need to combat the marginalization of female identities in various cultural outlets Fan Girls and the Media will be of interest to anyone studying fandom but also students and scholars of sociology media and gender studies Contraception (birth Control) Its Theory, History and Practice Marie Carmichael Stopes,1929 **Irony and Organizations** Ulla Johansson,Jill Woodilla,2005 Irony in the writings of these scholars from different parts of the world demonstrates once again that what we know is tenuous and at the same time closely intertwined with how we know and represent that knowledge And while each chapter approaches irony from a slightly different angle they share a common assumption that irony can be used to enhance practice **General Catalog -- University of California, Santa Cruz** University of California, Santa Cruz,2008 *The Directory of Graduate Studies* ,1999 **The Publishers Weekly** ,1924 *Wrangling Women* Kristin M. McAndrews,2006 In Winthrop Washington a small Methow Valley community that has reinvented itself as a western theme town women who function as trail guides wranglers horse trainers packers and ranchers work in an environment where gender stereotypes must be carefully preserved for the sake of the tourist based economy Yet these women often subvert and undermine these traditional images with humor How these wrangling women accomplish this challenging balancing act is a fascinating study of women s manipulation of language and gender stereotypes in the modern West For eleven years Kristin McAndrews conducted interviews with Winthrop s horsewomen collecting stories about their lives as workers and as members of their community and families For all these women professional success depends on courage ingenuity a sense of humor and a facility with language as well as on an ability to perform within the traditional gender stereotypes evoked by their town s Wild West image In particular McAndrews examines the ways her interviewees employ language to subvert gender conventions using humor in their storytelling She demonstrates that while traditional gender stereotypes endure to a degree in the culture of the American West many women who live and work in this community have found successful nonthreatening ways to achieve professional and personal objectives and to create individual and independent identities as women and as workers Wrangling Women is an engrossing spurring commentary on the way women use humor in their storytelling and in their working relationships with men and on what this humor reveals about issues of gender in the American West Postgraduate Study in British Literature ,1993 **Catalogue** University of California, Santa Cruz, **Minor Catalogues of the Public Library of the City of Boston [Fingierter Sammeltitle]** , **Women's Studies Index** ,1994

Bookseller and Stationer, 1922 A.L.A. Catalog, 1904-1911 American Library Association, 1912 The Journal of Education Thomas Williams Bicknell, Albert Edward Winship, Anson Wood Belding, 1895
