The best time to be strengthened against the Enemy's tactics of doubt, disappointment and devastation is before he makes his first move toward us. We all desperately need the biblical guidance and preparation found in *Battle Ready*. Lysa TerKeurst, New York Times bestselling author and president of Proverbs 31 Ministries, says the most difficult fights we will face in this life will not be on the outside; they will be within our own hearts and minds. As someone who has struggled with depression and anxiety throughout my life, I know this firsthand. *Battle Ready* will help encourage, empower and equip you to live in true victory. Holley Gerth, bestselling author of *Fiercehearted*, says *Battle Ready* will equip and empower you, teaching you where to park your mind during difficult times. Its practical advice and pen-to-paper reflection sections, coupled with the truths of Scripture sprinkled throughout, will enable you to avoid defeat and discouragement and walk confidently in faith instead. Highly recommended. Karen Ehman, national speaker, New York Times bestselling author of *Keep It Shut*, *What to Say*, *How to Say It* and *When to Say Nothing at All*, says *Battle Ready* is a field manual for the mind. If you desire to think more like Christ, its truths, stories, personal applications and discoveries will undoubtedly lead you to renewed places of peace, hope and life. Elisa Morgan, speaker and author of *The Beauty of Broken*, says relational, emotional and physical trials often hit one hundred miles an hour, making us feel defenseless and powerless. This no longer has to be the case. *Battle Ready*, an exploratory hands-on book, provides dozens of mind-renewing truths, hope-building exercises and habit-changing techniques to help you endure the worst of times with Jesus as if it was the best of times. Shannon Ethridge, MA, life relationship coach and bestselling author of *Every Woman's Battle* series.

Here Goes Nothing Kendra Broekhuis, 2017-02-28 What happens when you ask God, "What do you want me to do today?" This is not a success story. And it's not one of those stories that has a beginning, a middle and then a perfectly tidy hind end, either. It's really just a beginning. For thirty days, Kendra Broekhuis prayed to maintain the joy of being wife and mommy amid

the daily grind To see the world through God's eyes To live intentionally To build relationships and share Christ's love with our neighbors To learn what it really means to give To collide motherhood with mission This became her motto her credo her personal mission statement Some days it led to actions the Lord gently nudged her to take Other days it led to reflections the Lord gently whispered into her heart Every day it led to a single word one underlying theme that ties all thirty days all thirty chapters and their wide variety of topics together giving These thirty days found Kendra and her husband and daughter in a strange time of transition They had just moved back to the United States after teaching for three years in the beautiful country of Guatemala They were in a new city working a new job living in a new apartment building in search of a new church And they wanted to put it all together all of their experiences all of the things they had just seen and learned and read and discussed It wasn't a clean slate but rather a chance to live intentionally When Kendra and her husband sought advice about the transition from fellow missionary friends the advice was Get to know your neighbors It might sound like strange advice but it made sense Jesus tells us to Love God and love your neighbor Many times the word neighbor is meant to be vague but it shouldn't always be Part of being mission minded no matter where you live or work is being willing to love the people closest to you people we often overlook Kendra's neighbors as in the people who live in the other eleven apartments in her building are whom she often found the Lord's generosity overflowing to and from during these thirty days

It's Not Fair Melanie Dale, 2016-08-16 Hey you Are you debating whether to destroy something with your bare hands or curl up on the couch for a decade or two This book will solve all of your problems Sheesh that's aiming a bit high This book is a cup of hot coffee a ginormous bar of chocolate or the magical fairy that comes over and does your dishes while you lie in the fetal position clutching a fluffy pillow Sometimes when life falls apart the only acceptable response is hysterical laughter When things get so far gone so spectacularly a world away from any plans you made or dreams you dreamed you feel it bubbling up inside of you and you scream It's not fair And it isn't Fair is an illusion and life is weird This book will help

you laugh at life's absurd backhands This book is an empathetic groan of our collective unfairnesses You might want to throw it across the room and you might want to hug it like your new best friend This book is about us sitting down together in our shared mess taking a deep breath gripping hands looking the hard stuff in its beady little eyeballs and bahahahaaing at it Life's not fair but we can learn to love this life we didn't choose *Mamme d'Italia* Monica D'Ascenzo, Manuela
