The First National Bank of Dad David Owen, 2007-04-24 Most parents do more harm than good when they try to teach their children about money They make saving seem like a punishment and force their children to view reckless spending as their only rational choice To most kids a savings account is just a black hole that swallows birthday checks David Owen a New Yorker staff writer and the father of two children has devised a revolutionary new way to teach kids about money In The First National Bank of Dad he explains how he helped his own son and daughter become eager savers and

rational spenders He started by setting up a bank of his own at home and offering his young children an attractively high rate of return on any amount they chose to save If you hang on to some of your wealth instead of spending it immediately he told them in a little while you ll be able to double or even triple your allowance A few years later he started his own stock market and money market fund for them Most children already have a pretty good idea of how money works Owen believes that s why they are seldom interested in punitive savings schemes mandated by their parents The first step in making children financially responsible he writes is to take advantage of human nature rather than ignoring it or futilely trying to change it My children are often quite irresponsible with my money and why shouldn t they be he writes But they are extremely careful with their own The First National Bank of Dad also explains how to give children real experience with all kinds of investments how to foster their charitable instincts how to make them more helpful around the house how to set their allowances and how to help them acquire a sense of value that goes far beyond money He also describes at length what he feels is the best investment any parent can make for a child an idea that will surprise most readers **Boys' Life** ,1952-11 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting **Popular Mechanics** ,1958-03 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle **Youth's Companion** ,1914 **Popular Mechanics** ,1947-07 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle **American Boy** ,1916 **Frozen Assets** Deborah Taylor Taylor-Hough,2009-06-01 The best selling freezer based cookbook with more than 22 000 copies sold This breakthrough cookbook delivers a program for readers to cook a week or month s worth of meals in just one day by using easy and affordable recipes to create a customized meal plan Deborah Taylor Hough who saved 24 000 on her family s total grocery bill during a five year period offers up kid tested and family approved recipes in Frozen Assets plus bulk cooking tips for singles shopping lists recipes for two week and 30 day meal plans and a ten day plan to eliminate cooking over the holidays Cooking for the freezer allows you to plan ahead purchase items in bulk cut down on waste and stop those all too frequent trips to the drive thru The hands down authority on once a month cooking Frozen Assets gives you a step by step plan to simplify and revolutionize the way you cook Finally a realistic way to combine the cost effectiveness of cooking from scratch with the convenience of quick and easy meals Mary Hunt author of The Financially Confident Woman Belongs in every family s kitchen One of the best time and money savers a busy family can have The Dollar Stretcher Offers relief to those tired of eating restaurant fare or expensive over packaged convenience foods at the end of a hard day Library Journal **Lonely**
