Whispering The Word Hearing Womens Stories In The Old Testament:

Whispering The Word Jacqueline E. Lapsley, 2005 **Whispering the Word** Jacqueline E. Lapsley, 2005-11-03 Many Christian feminists wonder if they can simultaneously maintain their commitment to principles of gender equality and their faith in the Scriptures particularly the Old Testament Writing in response to feminist biblical scholars who approach the Old Testament with a hermeneutic of suspicion Jacqueline Lapsley offers Christian feminists strategies to hear the subtle ideas and voices of the less powerful within the Old Testament texts Reading and interpreting a number of Old Testament narratives in which women are prominent Lapsley considers how these stories may reflect God's word for us In doing so she demonstrates how the narrative often attempts to shape the moral response of the reader by revealing the intricacy and complexity of the moral world evoked In this gentle shaping of the reader's ethical sensibilities she argues is where God may be whispering a word for us **Enjoying the Old Testament** Eric A. Seibert, 2021-11-16 Is it really possible to enjoy the Old Testament Eric Seibert understands why many Christians find this part of the Bible confusing theologically troubling or just uninteresting Offering dozens of practical exercises for hands on interaction with the text this unique resource equips readers with a variety of creative approaches to bring even the seemingly dry passages to life *My People's Passover Haggadah* David Arnow, Lawrence A. Hoffman, 2008 This empowering resource for the spiritual revival of our times enables us to find deeper meaning in one of Judaism's most beloved traditions the Passover Seder This Haggadah commentary adds layer upon layer of new insight to the age old celebration of the journey from slavery to freedom and makes its power accessible to all It features traditional Hebrew text with a new translation designed to let people know exactly what the Haggadah says Introductory essays help the reader understand the historical roots of the ancient holiday the development of the Haggadah and how to make sense out of texts and customs that evolved over more than a thousand years Framed with beautifully designed Talmud style pages My People's Passover Haggadah features commentaries by scholars from all denominations of Judaism Readers are treated to insights by experts in such fields as the Haggadah's history its biblical roots its confrontation with modernity and its relationship to rabbinic midrash and Jewish law feminism Chasidism theology and kabbalah No other volume provides the English language reader with such wide ranging understanding of the Haggadah the key to having the most meaningful Seder ever *Judges* Athena E. Gorospe, Charles R. Ringma, 2016-07-31 The book of Judges marks an important transition in the life of Israel It shows the cycle of deviancy and repentance heroic actions and social collapse the misuse of power and the marginalization of God This commentary seeks to help readers navigate the many strange stories and characters of Judges by providing an overall framework for reading it and by explaining a way of entering its stories so that they can be appropriated in an Asian context This commentary challenges the reader to pray and work for a spiritual revitalization building a new social fabric in a world marked by injustice pragmatism and the loss of a God centered way of life Restorative Readings L. Juliana Claassens, Bruce C. Birch, 2015-05-15 The Bible has the unfortunate legacy of

being associated with gross human rights violations as evident in the scriptural justification of apartheid in South Africa as well as slavery in the American South What is more the Hebrew Bible also contains numerous instances in which the worth or dignity of the female characters are threatened violated or potentially violated creating a situation of dehumanization in which women are viewed as less than fully human And yet the Bible continues to serve as a source of inspiration for readers committed to justice and liberation for all But in order for the Bible to speak a liberative word what is necessary is to cultivate liberating Bible reading practices rooted in justice and compassion Restorative Readings seeks to do exactly this when the authors in their respective readings seek to cultivate Bible reading practices that are committed to restoring the dignity of those whose dignity has been violated by means of racial gender and sexual discrimination by the atrocities of apartheid by the HIV AIDS pandemic and by the dehumanizing reality of unemployment and poverty

Character Complexity in the Book of Ruth Kristin Moen Saxegaard,2010 Kristen Moen Saxegaard demonstrates how character complexity generates theological themes in the Book of Ruth Each character has its specific voice which raises a particular topic The interaction between the characters elaborates multiple perspectives to these themes which offer new approaches and alternative answers to the reading of Ruth

Masculinities in the Court Tales of Daniel Brian Charles DiPalma,2018-02-02 In this volume Brian Charles DiPalma examines masculinities in the court tales of Daniel as a test case for issues facing the burgeoning area of gender studies in the Hebrew Bible In doing so it both analyses how the court tales of Daniel portray the characters in terms of configurations of masculinity in their socio historical context and also seeks to advance gender studies in the Hebrew Bible on theoretical methodological and political grounds Masculinities in the Court Tales of Daniel is therefore of interest not only to scholars working on Daniel but also biblical scholars studying gender in the Hebrew Bible more broadly including those engaged in feminist criticism queer criticism and studies of masculinity as well as anyone studying gender within an ancient Near Eastern context

Tamar's Tears Andrew Sloane,2011-11-14 Evangelical and feminist approaches to Old Testament interpretation often seem to be at odds with each other The authors of this volume argue to the contrary feminist and evangelical interpreters of the Old Testament can enter into a constructive dialogue that will be fruitful to both parties They seek to illustrate this with reference to a number of texts and issues relevant to feminist Old Testament

interpretation from an explicitly evangelical point of view In so doing they raise issues that need to be addressed by both evangelical and feminist interpreters of the Old Testament and present an invitation to faithful and fruitful reading of these portions of Scripture A Biblical Study Guide for Equal Pulpits Young Lee Hertig,2022-03-24 The transformation of patriarchal church culture begins with gender equality in the pulpit For too long the Christian pulpit has been monopolized by men This pattern is especially pronounced in evangelical Asian American and Latinx congregations where women s voices are marginalized and male dominance is reinforced in the church as well as the family The consequences are enormous oRobbing the church of the fullness of the gospel oSilencing the voices of women preachers oMasculinizing Christianity oLosing younger generations of women leaders oModeling structural power inequality oIncreasing violence against women Making academic hermeneutical work accessible for the pulpit A Biblical Study Guide for an Equal Pulpit reappropriates a gendered approach to biblical texts Among the perspectives investigated Kay Higuera Smith s Two Mothers Two Promises takes a perspective shifting look at Sarah and Hagar Eunny P Lee s Valorous and Wise Women Who Build Up the House of God depicts Ruth and the woman of Proverbs 31 as builders of the household and Sophia Magallanes Tsang s Listening for Your Voice Let Me Hear It The Prophetic Feminine Voice in Songs 8 interprets the Song of Songs as a prophetic female voice

Davis, 2019-06-03

Opening Israel's Scriptures is a collection of thirty six essays on the Hebrew Bible from Genesis to Chronicles which gives powerful insight into the complexity and inexhaustibility of the Hebrew Scriptures as a theological resource Based on more than two decades of lectures on Old Testament interpretation Ellen F Davis offers a selective yet comprehensive guide to the core concepts literary patterns storylines and theological perspectives that are central to Israel's Scriptures Underlying the whole study is the primary assumption that each book of the canon has literary and theological coherence though not uniformity In both her close readings of individual texts and in her broad demonstrations of the coherence of whole books Davis models the best practices of contemporary exegesis integrating the insights of contemporary scholars with those of classical theological resources in Jewish and Christian traditions Throughout she keeps an eye to the experiences and concerns of contemporary readers showing through multiple examples that the critical interpretation of texts is provisional open ended work a collaboration across generations and cultures Ultimately what she offers is an invitation into the more spacious world that the Bible discloses which challenges ordinary conceptions of how things really are *Genesis* Dianne Bergant, 2013 Bergant one of today's most highly regarded Catholic Scripture scholars turns her attention to the book of Genesis highlighting issues of gender social status economic class and integrity of creation In this important new commentary Bergant explores the biblical text but also points out some of the social biases of the original community an awareness that is crucial for an adequate understanding of the text She offers a wealth of insights into this richly theological narrative back cover **Abuelita fe** Kat Armas, 2022-07-19 Qu pasar a si algunos de nuestros m's grandes te logos no fueran considerados como tales en absoluto Kat Armas es una cubanoamericana de segunda generaci n que creci en las cercan as del famoso vecindario La Peque a Habana de Miami Su temprana formaci n teol gica provino de su abuela que huy de Cuba durante el apogeo de los disturbios pol ticos y cri o a sus tres hijos sola tras la muerte de su esposo Combinando la narraci n personal con la reflexi n b blica Armas nos muestra el modo en que las voces marginadas las que a menudo son rechazadas aisladas y oprimidas debido a su g nero estatus socioecon mico o falta de educaci n tienen m's que ense arnos en cuanto a seguir a Dios que lo que nos damos cuenta Abuelita fe cuenta la historia de te logos an nimas e ignoradas en la sociedad y en la Biblia madres abuelas hermanas e hijas cuya supervivencia fuerza resistencia y perseverancia nos ense an el verdadero poder de la fe y el amor La exploraci n de la autora en cuanto a la teolog a de abuelita ayudar a personas de todos los or genes culturales y tnicos a reflexionar sobre las abuelitas en sus vidas y sus ministerios y sobre las formas en que
