White Light Heat Velvet Underground:

White Light/White Heat Richie Unterberger,2009-06 A comprehensive history of the influential cult band draws on dozens of new interviews and previously undiscovered archive sources tracing their initial lack of success before they inspired and were championed by such artists as David Bowie Original **All Music Guide** Vladimir Bogdanov,Chris Woodstra,Stephen Thomas Erlewine,2001-11 Arranged in sixteen musical categories provides entries for twenty thousand releases from four thousand artists and includes a history of each musical genre **Dirty Blvd.** Aidan Levy,2015-10-01 Lou Reed made it his mission to rub people the wrong way whether it was with the noise rock he produced with the Velvet Underground in the late 1960s or his polarizing work with Metallica that would prove to be his swan song On a personal level too he seemed to take pleasure in insulting everyone who crossed his path How did this Jewish boy from Long Island an adolescent doo wop singer rise to the status of Godfather of Punk And how did he maintain that status for decades Dirty Blvd the first new biography of Reed since his death in 2013 digs deep to answer those questions And along the way it shows us the tender side of his prickly personality Born in Brooklyn Reed was the son of an accountant and a former beauty queen but he took the road less traveled trading literary promise for an entry level job as a budget label songwriter and founding the Velvet Underground under the aegis of Andy Warhol The cult of personality surrounding his transformation from downtown agent provocateur to Phantom of Rock and finally to patron saint of the avant garde was legendary but there was more to his artistic evolution than his abrasive public persona The lives of many American rock stars have had no second act but Reed s did Dirty Blvd not only covers the highlights of Reed s career but also explores lesser known facets of his work such as his first recordings with doo wop group the Jades his key literary influences and the impact of Judaism upon his work and his engagement with the LGBT movement Drawing from new interviews with many of his artistic collaborators friends and romantic partners as well as from archival material concert footage and unreleased bootlegs of live performances author Aidan Levy paints an intimate portrait of the notoriously uncompromising rock poet who wrote Heroin Sweet Jane Walk on the Wild Side and Street Hassle songs that transcended their genre and established Lou Reed as one of the most influential and enigmatic American artists of the past half century Living Through Pop Andrew Blake,2002-01-04 In 1956 many people thought rock n roll was a passing fad yet over forty years later more than ever Popular Music is a part of contemporary culture reinventing itself for successive generations Pop embraces its own history with musicians from every genre routinely sampling the sounds of the past present Living Through Pop explores popular music s history and the ways in which it has been produced by musicians broadcasters critics and fans In discussing this complex relationship between the past and the present the contributors investigate significant moments in music s history from the Rolling Stones and the Velvet Underground to the Sex Pistols and the Verve from drum n bass to European extreme techno *Contemporary World Musicians* Clifford Thompson,2020-10-07 Music lovers researchers students librarians and teachers can trace the personal

and artistic influences behind music makers from Elton John to Leontyne Price Individual entries on over 400 of the world's most renowned and accomplished living performers composers conductors and band leaders in musical genres from opera to hip hop Also includes an in depth Index covering musicians of all eras so that readers can learn which artists alive or dead influenced the work of today's most important figures in the music industry *The History of Rock and Roll* Stuart A. Kallen,2012-05-09 Rock and roll Those three words are understood by people in almost every nation on Earth They describe a type of music and an attitude that made history and continues to change the musical landscape Readers will learn that the music style started out in the United States as a new type of dance music for teenage baby boomers during the mid 1950s By the 1960s the music transformed the cultural and political landscape of much of the world Never before in history has a style of music come along that so quickly and so completely changed the world Author Stuart Kallen traces the history of rock and roll from its early 1950s beginnings through its most significant developments to date **The Unbound Edge** Pasquale De Marco,2025-07-07 The Unbound Edge offers a comprehensive exploration of The Velvet Underground one of the most influential and enigmatic bands in rock history This book delves into the band's origins rise to prominence and lasting impact drawing from interviews with band members collaborators and critics as well as a deep analysis of their music lyrics and performances The Velvet Underground emerged in the mid 1960s New York City art scene a group of young artists and musicians who challenged conventions and pushed the boundaries of popular music Led by Lou Reed John Cale Sterling Morrison and Maureen Moe Tucker the band created a raw and uncompromising sound that both fascinated and repelled audiences Their music was characterized by experimental soundscapes distorted guitars and introspective lyrics that explored the darker recesses of human experience The Velvet Underground embraced themes of drugs sexuality and alienation creating a unique and challenging body of work that has influenced generations of musicians Despite their limited commercial success at the time The Velvet Underground's influence has only grown over the years Their innovative approach to music making their willingness to experiment with unconventional sounds and their fearless exploration of difficult subjects have made them a touchstone for artists and music lovers alike This book traces the Velvet Underground's trajectory from their humble beginnings to their eventual dissolution and the enduring legacy they left behind It provides a comprehensive and insightful look at one of the most important bands in rock history offering new perspectives on their music their impact and their lasting significance Whether you're a longtime fan of The Velvet Underground or just discovering their music this book is an essential guide to understanding one of the most influential and innovative bands of all time If you like this book write a review on google books *Listen to Psychedelic Rock!* Christian Matijas-Mecca,2020-07-08 Listen to Psychedelic Rock contains more than 50 entries covering the people records places and events that shaped one of the most exciting and influential periods in popular music This addition to the Exploring a Music Genre series concentrates solely on psychedelic rock music Listen to Psychedelic Rock Exploring a Musical Genre covers

over fifty topics arranged alphabetically that are central to learning about psychedelic music and will enable readers to understand the breadth and ongoing influence of psychedelia through to the present day The title contains biographical sketches on selected artists song by song descriptions of many albums and short informative essays on participants who were influential in the original psychedelic movement A background section introduces the genre and a legacy section shows how psychedelic music has cemented its place in the world while another section shows the tremendous impact the music has had on popular culture Information on record labels and year of release dates for all musical entries make it easy for any reader to navigate this title a must have for high school and college readers as well as for music scholars and fans of the genre

Rebel Rebel Chris O'Leary, 2025-07-08 David Bowie every single song Everything you want to know everything you didn't know The legacy of David Bowie is roughly 450 songs which he recorded or performed over half a century They range from cabaret to psychedelia to folk rock to glam rock to Philadelphia soul from avant garde instrumentals to stadium anthems Cataloging Bowie's songs from the dawn of his career in 1963 to his Hollywood stardom in 1976 examining them in the order of their composition and recording and digging into what makes them work Rebel Rebel and its sequel Ashes to Ashes have become standard references for Bowie fans The new edition of Rebel Rebel is a fully updated revision taking into account Bowie demos and alternate takes released in the years after his death It's enhanced by a decade's worth of new information about Bowie's recording process his influences his contemporaries and his live performances all of which shed light onto the evolution of his songwriting It shows how Bowie exploited studio innovations and delves into the roles of his supporting musicians particularly major collaborators like Mick Ronson and Tony Visconti This book aligns Bowie's music with his times planting his work in the context of its era You'll see what Bowie's work owes to novelists like Keith Waterhouse Jack Kerouac George Orwell Ray Bradbury and William S Burroughs To films like Performance 2001 A Space Odyssey and A Clockwork Orange To rival songwriters and performers like Marc Bolan Bob Dylan Bruce Springsteen Lou Reed Scott Walker Elvis Presley the Bee Gees Isaac Hayes James Brown Pete Townshend and John Lennon With guest appearances by everyone from Frank Sinatra to Cher

researched book explores and celebrates the way the studios were designed to cater to every rocknrollers fancy From the living room style studio in New York where Jimi Hendrixs Electric Ladyland was recorded and where John Lennon later encamped to the VIP clubhouse studio in Los Angeles where Stevie Wonder produced his classic hits and the destination recording venue in Sausalito where Sly Stone Bob Marley and Fleetwood Mac holed up each studio location had its own inherent character but all showcased the founders proven formula of combining state of the art audio fantasy bedrooms and group Jacuzzis with sex drugs and celebrity jams Was Record Plant the real Hotel California Interrupting My Train of Thought Phil Dellio,2014-09-06 Interrupting My Train of Thought collects thirty years of writing about pop music movies baseball teaching and a couple of presidential elections It exists somewhere close to the intersection between criticism autobiography and rambling *The Heebie-Jeebies at CBGB's* Steven Lee Beeber,2007-04-01 Based in part on the recent interviews with more than 125 people among them Tommy Ramone Chris Stein Blondie Lenny Kaye Patti Smith Group Hilly Kristal CBGBs owner and John Zorn this book focuses on punk s beginnings in New York City to show that punk was the most Jewish of rock movements in both makeup and attitude As it originated in Manhattan s Lower East Side in the early 1970s punk rock was the apotheosis of a Jewish cultural tradition that found its ultimate expression in the generation born after the Holocaust Beginning with Lenny Bruce the patron saint of punk and following pre punk progenitors such as Lou Reed Jonathan Richman Suicide and the Dictators this fascinating mixture of biography cultural studies and musical analysis delves into the lives of these and other Jewish punks including Richard Hell and Joey Ramone to create a fascinating historical overview of the scene Reflecting the irony romanticism and above all the humor of the Jewish experience this tale of changing Jewish identity in America reveals the conscious and unconscious forces that drove New York Jewish rockers to reinvent themselves and popular music **Get Shown the Light** Michael Kaler,2023-10-13 Michael Kaler demonstrates that the Grateful Dead developed a radical new way of playing rock music as a means to unleashing the spiritual and transformative potential of their music **White Light / White Heat** Richie Unterberger,2015-11-19 Le Velvet Underground est un des plus grands groupes de l histoire du rock Cette formation de l gende dont l aura mythique emp che parfois de bien la conna tre est n e de la rencontre de fortes personnalit s Lou Reed John Cale Nico Sans parler d Andy Warhol qui produisit le groupe et dessina la fameuse pochette banane Peel Slowly and See Mais ils n ont connu du temps de leur existence qu un succ s modeste et leurs albums se sont peu vendus Leur look noir et blanc y est pour quelque chose tout comme leurs paroles ultra r alistes qui tranchent avec les couleurs vives et l esprit pacifique de la p riode hippie Pourtant tout en d frichant les sentiers qui m neront la new wave ou au post punk leur musique et leur style sont devenus un mod le pour beaucoup de David Bowie The Jesus And Mary Chain White Light White Heat du nom de leur album sans doute le plus exigeant ou le Velvet Underground au jour le jour est l ouvrage le plus complet et le plus document paru ce jour sur le Velvet Depuis la pr histoire du groupe jusqu l explosion en 1973 puis les quelques rares retrouvailles tout y figure de mani re

encyclop dique les concerts les enregistrements les changements de casting et de management les interviews **Sonic Alchemy** David N. Howard,2004-06-01 Book You may not have heard of them but you have certainly heard their songs From the lo fidelity origins of early pioneers to today s dazzling technocrats the role of the music producer is as murkily undefined as it is wholly essential **Sonic Alchemy Visionary Music Producers and Their Maverick Recordings** is an exploration of the influence of the often colorful idiosyncratic and visionary music producers through popular music and the fascinatingly crucial role they have played in shaping the way we hear pop music today **Sonic Alchemy** is nothing short of the secret history of the music producer *Rock Song Index* Bruce Pollock,2014-03-18 The *Rock Song Index* Second Edition is a new version of a well received index to the classic songs of the rock canon from the late 40s through the end of the 20th century The study of the history of rock music has exploded over the last decade all college music departments offer a basic rock history course covering the classic artists and their songs **The Secret Public** Jon Savage,2025-02-04 Rolling Stone UK Best Music Books of the Year A monumental history of the gay influence on popular culture from the rise of Little Richard to the collapse of disco in 1979 award winning author Jon Savage takes us on a fast and captivating journey through the history of pop music as seen through the eyes of queer artists Jon Savage the author of the canonical *England s Dreaming* explodes new ground in this electrifying history of pop music from 1955 through 1979 In demonstrating that gay and lesbian artists were responsible for many of the greatest cultural breakthroughs in the last half of the twentieth century he shows that it was their secretly encoded music appealing to a closeted but greatly oppressed public which led to the historic dismantling of discriminatory gay laws and the fusion of queer and straight culture Fittingly Savage s kaleidoscopic work begins with the pomp and pompadour appearance of Little Richard whose relentlessly driving sound replete with gospel shrieks and sexual contortions enthralled a generation of 1950s stultified white teenagers Things soon went mainstream as Elvis enthralled a nation with his seductive low moans and bump and grind twists heavily derivative of Black music while James Dean and Rock Hudson became the face of 1950s Hollywood yet this explosion of queer expression remained covert and could not be accepted for what it was While music with supporting roles from cinema and fashion became the key medium through which homosexuality could be clandestinely enacted overt expressions of gay behavior were met with arrests and crackdowns While hippies reveled in 1967 s Summer of Love gays remained harassed by police demonized by the media and politicians imprisoned simply for being who they were J Edgar Hoover himself a closeted homosexual continued to spy on homosexual deviants CBS s Mike Wallace aired an invidious show about homosexuality and the New York police continued to raid gay bars Yet the music itself produced a cultural eruption that simply could not be stanchd While Bette Midler sang Boogie Woogie Bugle Boys to a Continental Baths audience of 600 gay men all naked except for towels David Bowie blew the whole topic wide open and became the most totemic pop star of his generation Even though roadblocks remained the gear grinding crunch of the music signaled that the gay civil rights movement could no longer be suppressed Ending the narrative with the

sudden collapse of disco The Secret Public asserts then that the genie was out of the bottle that queer culture had finally entered the mainstream producing a transcendent vision of pop culture that could never be marginalized again **The Life and Music of Lou Reed** Jeremy Reed,2014-09-24 In Waiting For The Man Jeremy Reed focuses on Lou Reed as rock's principal literary avatar paying special attention to his controversial lyrics and prototypical garage sound Lou Reed influenced generations of copyists that took note of his outlaw status ambiguous sexual orientation characterised by his seventies relationship with the transvestite Rachel his implacable mystique cool and defiant attitude as the narrator of subcultures Finally the book examines the transcendent if reluctant calm that Reed arrived at in later life Taking in the sweep of Reed's career from Velvet Underground to the variants of forty years of resistant solo pioneering Waiting For The Man accesses the man and his music with the extraordinary perception and attention to detail **Your Pretty Face Is Going to Hell** Dave Thompson,2009-10-01 Book When Lou Reed and Iggy Pop first met David Bowie in the fall of 1971 Bowie was just another English musician passing through New York City Lou was still recovering from the collapse of the Velvet Underground and Iggy had already been branded a loser Yet within two years they completely changed the face of popular music with a decadent glamour and street level vibe With Bowie producing Reed's Transformer album was a worldwide hit spinning off the sleazy street anthem Walk on the Wild Side Iggy's Raw Power mixed by Bowie provided the mean spirited high octane blueprint for Punk Bowie boosted elements from both Iggy and Reed to create his gender bending rock idol Ziggy Stardust Your Pretty Face Is Going to Hell is the story of this friendship and the incredible productivity and debauchery that emerged from it Presented here for the very first time are their stories interwoven in a triple helix of sexuality glam rock and drugs as seen through the eyes of the people who made it happen **Rockin' the Classics and Classicizin' the Rock:** Janell R. Duxbury,2001-02-05 Rock music of all varieties has been influenced by classical music and vice versa both in the form of direct quotes and in the form of borrowings of style composition and instrumentation The average listener may be unaware of the many links between rock music and the classics One might remember a few examples such as Walter Murphy's chart topping A Fifth of Beethoven or Eric Carmen's All by Myself but pass them off as interesting anomalies However the influence of the classics on rock music is pervasive and grows from a long line of precedents This second supplement to Janell R Duxbury's original 1985 discography Rockin the Classics and Classicizin the Rock brings the earlier work and first supplement up to date with hundreds of new entries documenting recently released or newly discovered examples of the interconnection between these musical genres Duxbury details nearly 700 new examples of recorded rock instrumentals and songs that borrow musical themes from the classics Variations range from contemporary renditions of complete classical works to brief classical quotes or phrases subtly incorporated into rock compositions Duxbury also gives additional examples of recorded orchestral versions of songs originally composed and or written by rock artists In these examples the musical style varies from strict classical interpretations to pop style orchestral renditions The

second supplement then expands Duxbury's original compilation of sound recordings and live performances of rock groups performing with established orchestras and choruses selected samples of recorded rock music that simulate baroque or classical sound structure examples of the manifest influence of rock on classical music and instances of rock artists and classical artists switching roles Lastly this discography updates the 1985 version and the first supplement with new information expanded details and minor corrections to the earlier works An extended list of selected non rock background examples is included in several new appendixes The Preface is updated A general index includes the names of classical composers rock artists and groups orchestras choruses orchestra conductors sound recording producers and song or instrumental titles With its incomparable scope and content this supplement together with Duxbury's previous discography and its first supplement will be appreciated by students researchers record collectors trivia buffs music industry employees and fans of rock music and the classics
