# WHO FINANCED HITLER

The Secret  
Funding of  
Hitler's Rise  
to Power,  
1919-1933

JAMES POOL

COMPLETELY REVISED AND UPDATED

# Who Financed Hitler

**Phil Mason**

## **Who Financed Hitler:**

Who Financed Hitler James Pool, Suzanne Pool, 1978 Uncovers the means by which Hitler built the base from which the Third Reich would rise through contributions bribery and blackmail      **Who Financed Hitler** James Pool, 1997-10 Jewish sources of financial support for the Nazis and much more      The Nazi Hydra in America Glen Yeadon, 2008 This book exposes how US plutocrats launched Hitler then recouped Nazi assets to lay the post war foundations of a modern police state Fascists won WWII because they ran both sides Lays bare the tenacious roots of US fascism from robber baron days to Reichstag fire to the WTC atrocity and Homeland Security with a blow by blow account of the fascist take over of America s media      Hitler's Banker Jean-François Bouchard, 2023-07-04 1932 The economic crisis in Germany was unprecedented a severe recession 6 million unemployed and a collapse in the popularity of Chancellor Brüning who was criticized for his lack of foresight and who stubbornly focused on a single objective reducing public deficits and restoring the state s finances under pressure from other European countries All the while far right parties which would soon take power were experiencing an irrepressible rise How can one not be struck by the similarity between the economic and political situation in Germany in 1932 and that of some Western countries in 2022 In a fictionalized biography tracing the astonishing career of Hjalmar Schacht a German financial genius of the last century Jean François Bouchard indirectly highlights the interest in drawing inspiration from the economic methods that worked at that time With this perspective the current economic situation does not seem to be without a solution In 1933 Hitler appointed Hjalmar Schacht as Minister of the Economy A child from a modest background severely raised in the working class neighborhoods of the port of Elba brilliant at school but also mocked by his classmates he developed a distant haughty and arrogant personality very early on After studying philosophy and economics he wrote his thesis on mercantilism he climbed the ladder of power one step at a time As currency commissioner of the Weimar Republic Hjalmar Schacht reduced inflation and stabilized the Mark with a miraculous initiative the creation of a transitional currency the Rentenmark backed by mortgages The population embraced the idea It was a masterly success For Schacht the savior of German currency devotion to his country was boundless He became close to the NSDAP and participated in Hitler s rise to power attracted by his economic program Quickly appointed president of the Reichsbank in a still very weak Germany he did not try to restore the balance of the state s accounts Quite the contrary Abolishing the dogma of balanced public finances he applied an economic policy close to the New Deal launching major works and implemented his own solutions repatriation of German capital limiting imports to only those raw materials necessary for rearmament organizing Germany s insolvency vis vis external creditors creating MEFO bills etc It was the end of unemployment that became the factor of social stabilization for Adolf Hitler and of consolidation of his power and of military hegemony In this regard sadly the incredible story of Hjalmar Schacht is the most painful demonstration of this process Jean François Bouchard began a classic executive career in 1986 after studying law with positions in the banking industry and at the

corporate level He also taught financial analysis at the University of Toulon In 1995 he joined the Inspection Générale de la Banque de France From then on he carried out control missions in French and foreign banks France Europe the Caribbean and Africa as a specialist in banking supervision risk control and the fight against money laundering In 2005 he was resident advisor for two years to the National Bank of Romania where on behalf of the European Commission he piloted the upgrading program of this institution in view of Romania's admission to the European Union which took place on January 1 2007 He then went to Bulgaria to work on the preparation of that country's entry into the euro a project that did not materialize in the end due to the turbulence in the euro zone and the Bulgarian political authorities preferred to give up Back in France he was appointed head of mission at the Autorité de contrôle prudentiel he also headed the Lyon branch of the Banque de France for three years As head of mission he participated in the major European bank assessment exercise before the European Central Bank took over banking supervision in the framework of the Banking Union At the end of this large project he left in June 2014 as resident advisor to the International Monetary Fund in Libreville Gabon He is in charge of banking supervision for Central Africa i.e. the six countries of the CEMAC zone Gabon Cameroon Equatorial Guinea Central African Republic Congo Brazzaville and Chad as well as for the Democratic Republic of Congo Congo Kinshasa and Burundi

**Wall Street and the Rise of Hitler** Antony Cyril Sutton, 2012-12-17 The contribution made by American capitalism to German war preparations can only be described as phenomenal It was certainly crucial to German military capabilities Not only was an influential sector of American business aware of the nature of Nazism but for its own purposes aided Nazism wherever possible and profitable with full knowledge that the probable outcome would be war involving Europe and the United States Penetrating a cloak of falsehood deception and duplicity Professor Antony C Sutton reveals one of the most remarkable but unreported facts of the Second World War that key Wall Street banks and American businesses supported Hitler's rise to power by financing and trading with Nazi Germany Carefully tracing this closely guarded secret through original documents and eyewitness accounts Sutton comes to the unsavoury conclusion that the catastrophic Second World War was extremely profitable for a select group of financial insiders He presents a thoroughly documented account of the role played by J P Morgan T W Lamont the Rockefeller interests General Electric Company Standard Oil National City Bank Chase and Manhattan banks Kuhn Loeb and Company General Motors the Ford Motor Company and scores of others in helping to prepare the bloodiest most destructive war in history This classic study first published in 1976 the third volume of a trilogy is reproduced here in its original form The other volumes in the series study the 1917 Lenin Trotsky Revolution in Russia and the 1933 election of Franklin D Roosevelt in the United States

**Hitler's Fortune** Cris Whetton, 2005-09-19 The true story of how Adolf Hitler amassed billions of dollars in wealth where that money went and who may be trying to find it for themselves In 1918 Adolf Hitler was penniless But within twenty five years he was probably the richest man in Europe In this fascinating book Cris Whetton reveals not only the extent of Hitler's fortune but how it was amassed and those who helped

him As Whetton demonstrates the royalties from his book *Mein Kampf* were only a small fraction of the total fortune Hitler possessed before World War II began Whetton delves into the finances of Hitler's publishing company Eher Verlag and his fund Adolf Hitler Spende to which many people voluntarily contributed as well as newly uncovered evidence of two of Hitler's personal bank accounts Also explored is how Hitler's personal force magnetism and attraction to the opposite sex also proved hugely lucrative Hitler's Fortune also follows what happened to the property the funds the art collection and other items after the Fuhrer's suicide in 1945 and reveals who is and who is trying to profit in modern times from the evil legacy of Adolf Hitler

**Trump and Hitler** Henk de Berg, 2024-03-01 This book compares Trump and Hitler as political performance artists It explores their populist self staging and rhetorical strategies and explains how they connected with their respective audiences It also analyses the two men's character work ethic and management style In addition the book addresses seemingly peripheral issues like the reasons behind Hitler's toothbrush moustache and Trump's hairstyle By demystifying Hitler and Trump the author throws new light on both of them

Hitler's Secret Jewish Psychic Phil Mason, 2014-10-14 A treasure trove filled with fascinating anecdotes about the tiny ripples that have caused big waves in history Hitler's Secret Jewish Psychic will cure you of two misconceptions the first being that history is relentlessly boring and the second that significant historical events are caused by significant and great causes Here you'll unearth a multitude of facts you never knew were true You'll learn some unbelievable things about some of the most prominent figures in history Picasso was stillborn until his uncle revived him by blowing cigar smoke in his face You'll discover facts about some of the most famous wars in history Japan actually manufactured balloons carrying deadly diseases which they attempted to send over the Pacific Ocean to the United States Other strange facts include The career Fidel Castro almost chose over his leadership of Cuba Where Eli Whitney got the idea for his invention of the cotton gin What almost happened during the Wrights brothers first successful flight Why certain literary works almost never saw the light of publication What day should have really been designated Independence Day The truth behind Winston Churchill's daring escape from a Boer War prisoner of war camp Franklin Roosevelt's campaign cover up The behind the scene beliefs of Isaac Newton And many more It is true that many things you hear should be taken with a pinch of salt nothing proves this so much as Hitler's Secret Jewish Psychic where you will discover the outrageous secrets history has tried and failed to keep Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

*Ford, General Motors, and the Nazis* Scott Nehmer, 2013-09-04 The threat of concentration camps untimely strikes and propaganda influenced Ford and GM's war efforts in the U S and Europe

Dealing with both the brutal Nazi regime and Communist attempts to influence American opinion leaders at Ford and GM attempt to balance loyalty to their corporations and homeland      **Conjuring Hitler** Guido Giacomo Preparata,2005-05-20 Nazism is usually depicted as the outcome of political blunders and unique economic factors we are told that it could not be prevented and that it will never be repeated In this explosive book Guido Giacomo Preparata shows that the truth is very different using meticulous economic analysis he demonstrates that Hitler s extraordinary rise to power was in fact facilitated and eventually financed by the British and American political classes during the decade following World War I Through a close analysis of events in the Third Reich Preparata unveils a startling history of Anglo American geopolitical interests in the early twentieth century Showing that Nazism was not regarded as an aberration for the British and American establishment of the time it was regarded as a convenient way of destabilising Europe and driving Germany into conflict with Stalinist Russia thus preventing the formation of any rival continental power block In laying bare the economic forces at play in the Third Reich Guido Giacomo Preparata identifies the key players in the British and American establishment who aided Hitler s meteoric rise      *The Rough Guide To Conspiracy Theories* James McConnachie,Robin Tudge,2008-09-01 Everything you think you know is a lie Or is it The Rough Guide to Conspiracy Theories is the definitive guide to the world s most controversial theories With updated information on all the most infamous conspiracies from phony crucifixions to who really did kill JFK this fully up dated guide also covers the murders of Alexander Litvinenko and Benasir Bhutto the London bombings and the Iraq War as well as the inquest into Princess Diana s death The guide is a thoroughly researched exploration into this fascinating and at times amusing phenomenon with fascinating discourse and a keen sense of the satirical For both the believers and the cynics The Rough Guide to Conspiracy Theories sorts the myths from the realities      Brownshirt Princess Lionel Gossman,2009 Princess Marie Adelheid of Lippe Biesterfeld was a rebellious young writer who became a fervent Nazi Heinrich Vogeler was a well regarded artist who was to join the German Communist Party Ludwig Roselius was a successful businessman who had made a fortune from his invention of decaffeinated coffee What was it about the revolutionary climate following World War I that induced three such different personalities to collaborate in the production of a slim volume of poetry entitled Gott in mir about the indwelling of the divine within the human Lionel Gossman s study situates this poem in the ideological context that made the collaboration possible The study also outlines the subsequent life of the Princess who until her death in 1993 continued to support and celebrate the ideals and heroes of National Socialism Publisher s description      Matrix of Power Jordan Maxwell,2000-05 Who really runs the world Who controls the money the politics and almost every facet of life without you knowing a thing about it Is such a thing possible Maxwell grew up in a family that had high ranking insiders in international politics and religion so had access to information that few people could imagine He continued with a lifetime of investigation and is now considered the worlds foremost authority on ancient religions and modern conspiracies He has appeared on three CBS television specials and countless radio

shows His work on the true meaning of symbols in politics religion and major corporations is also covered in this highly illustrated book Explore this fascinating subject with a man who has devoted a lifetime of study to uncovering our hidden masters     [The American Axis](#) Max Wallace,2004-12-13 Examines how Charles Lindbergh s support for Nazi militarism and U S isolationism and Henry Ford s business dealings with Germany tarnished their idealized images Drawing on original sources Wallace brings out some pertinent connections between the two men s anti Semitism and their ties with the rising Nazi regime Their influence culminated in an abuse of power that helped strengthen Hitler s regime and undermined the Allied war effort     **Hermann and Albert Goering** James Wyllie,2011-09-30 They were the most unlikely of siblings one Adolf Hitler s most trusted henchman the other a fervent anti Nazi Hermann Goering was a founder member of the Nazi Party who became commander of the Luftwaffe ordering the terror bombing of civilians and promoting the use of slave labour in his factories His brother Albert loathed Hitler s regime and saved hundreds possibly thousands across Europe from Nazi persecution He deferred to Hermann as head of the family but spent nearly a decade working against his brother s regime If he had been anyone else he would have been imprisoned or executed Despite their extreme and differing beliefs Hermann sheltered his brother from prosecution and they remained close throughout the war Here for the first time James Wyllie brings Albert out of the shadows and explores the extraordinary relationship of the Goering brothers     **Lethal Elites** Alex Alvarez,Richard R. Fernández,2025-11-13 This eye opening book highlights the role of elites in constructing systems of persecution and extermination during the Holocaust Being highly educated or living within a certain social class doesn t prevent us from being lured into destructive systems especially when they operate to our benefit The perception that the Holocaust was largely a crime carried out by ill educated thugs acting on nationalistic hysteria and xenophobic prejudice is a myth Leaders from many sectors of society including industry science and religion came to support and enable the Nazi government often due to the ways in which they were able to profit and benefit from the policies of persecution and genocide With both a social science and historical approach Lethal Elites highlights and assesses the ways in which the influence training and expertise of the most powerful and best educated were used in service to the genocidal agenda of the National Socialist Regime     **Congressional Record** United States. Congress,1948     *The Encyclopedia of Third Reich Tableware* James A. Yannes,2013-06-13 The Encyclopedia of 3rd Reich Tableware is an enhanced expanded and heavily illustrated reference book containing extensive historical exposition related to the broad range of personal monogrammed organizational logos and commemorative tableware of the 3rd Reich from the Period of Struggle in the early 1920 s to its demise in 1945 This tableware was used by the people and organizations that were the 3rd Reich From private service s such as Hitler s 34 pages Eva Braun Speer Hess etc to organizations such as the SS 106 pages Red Cross Hitler Youth German Railway 34 pages the Wehrmacht 110 pages Party Hotels and commemoratives such as the U 47 submarine all are included This book contains over 880 photos graphics and over 80 000 words of text The unique aspect of 3rd Reich tableware is that you can hold in

your hand a piece of history that was held in the hand of the original history maker This is an academic inquiry a disinterested pursuit of truth an effort to document this intriguing collectors corner and an obvious must for collectors historians educators and WWII buffs In addition it uncovers little known facts that illuminate the individuals and organizations included

**The Culture of Defeat** Wolfgang Schivelbusch, 2024-08-06 A fascinating look at history's losers the myths they create to cope with defeat and the steps they take never to be vanquished again History may be written by the victors Wolfgang Schivelbusch argues in his brilliant and provocative book but the losers often have the final word Focusing on three seminal cases of modern warfare the South after the Civil War France in the wake of the Franco Prussian War and Germany following World War I Schivelbusch reveals the complex psychological and cultural reactions of vanquished nations to the experience of military defeat Drawing on responses from every level of society Schivelbusch shows how conquered societies question the foundations of their identities and strive to emulate the victors the South to become a better North the French to militarize their schools on the Prussian model the Germans to adopt all things American He charts the losers paradoxical equation of military failure with cultural superiority as they generate myths to glorify their pasts and explain their losses the nostalgic plantation legend after the fall of the Confederacy the cult of Joan of Arc in vanquished France the fiction of the stab in the back by foreign elements in postwar Germany From cathartic epidemics of dance madness to the revolutions that so often follow battlefield humiliation Schivelbusch finds remarkable similarities across cultures Eloquently and vibrantly told The Culture of Defeat is a tour de force that opens new territory for historical inquiry It would be hard to exaggerate the breadth and brilliance of the variations Schivelbusch plays on these themes over fifty years of history and two continents The Nation

**Economic Democracy: The Political Struggle of the 21st Century** J. W. Smith, 2017-10-03 This title was first published in 1999 The author contends that economic democracy is the economic system the U S purports to have but has thus far failed to achieve because it like all the economic powers that have gone before seeks to control the economies of weaker nations It is the shocking lack of economic democracy and the efforts of so many to achieve it that fuels today's conflicts and will fuel those of the 21st century To show how and why this comprehensive work provides a detailed analysis of the history of numerous aspects of the development of the Neo Mercantilist world economy the geopolitical systems put in place by the developed world to manage and perpetuate that economy and the numerous proposals and modeling plans that have been offered over the years for the achievement of economic democracy

## Who Financed Hitler Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Who Financed Hitler free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Who Financed Hitler free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Who Financed Hitler free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Who Financed Hitler. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or

magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Who Financed Hitler any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Who Financed Hitler Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
