Who I Am Diary Of A Teenage Girl Caitlin Book 3:

Who I Am Melody Carlson, 2009-02-04 It's challenging enough to be a normal high school senior but Caitlin O'Conner has a host of new difficulties to deal with in the third book of Melody Carlson's widely popular and fascinating teen series. Time is critical to help the orphans in Mexico; missions-minded Caitlin believes but Mom and Dad are set on her attending college. Meanwhile, her relationship with Josh takes on a serious tone via e-mail threatening her commitment to kiss dating goodbye. When Beanie begins dating an African American, Caitlin's concern over dating seems to be misread as racism. One thing is obvious: God is at work through this dynamic girl in very real but puzzling ways. A soul-stretching time of racial reconciliation at school and within her church helps her discover God's will as never before. Road Trip Melody Carlson, 2009-02-04 After signing a contract with a major recording company, Redemption's dreams are coming true. Chloe Allie and Laura begin their concert tour with the good-looking guys in the popular band Iron Cross. Allie's mom and her brother with Down's syndrome add a little variety to their entourage. But as soon as the glitz and glamour wear off, the girls find life on the road a little overwhelming. Even solid, well-balanced Laura appears to be feeling the stress, and Chloe isn't quite sure how to confront her about the growing signs of drug addiction. We want it all, or so we say, but what gets lost along the way? Along the road to riches and fame, we know we'll never be the same. The guys in Iron Cross occupy Chloe's thoughts a little more than she cares to admit. Still, life on the road gets less and less glamorous and more and more overwhelming, especially when solid, well-balanced Laura begins acting strange. Her hostility toward Chloe's concern makes the girls wonder how much longer they can keep their act together. **Story Behind the Book** Over the years, I have worn many hats: from pre-school teacher to Young Life leader to political activist to senior editor. But most of all, I love to write. In the past few years, I have published more than ninety books for children, teens, and adults. I hope the *Diary of a Teenage Girl* series will impact the lives of teens through an honest and gutsy approach of a diary-style book. Sold Out Melody Carlson, 2003-06-07 Chloe Miller and her fellow band members must sort out their lives as they become a hit in the local community. Accustomed only to being scorned and marginalized, Chloe suddenly has to decide who her real friends are and who's just along for the ride. Now her generosity gets her in more trouble than ever. And all too soon, after a talent scout from Nashville discovers the trio, their explosive musical ministry begins to encounter conflicts with family and school. Exhilarated yet frustrated, Chloe puts her dream in God's hand and prays for Him to work out the details. **Meant to Be** Melody Carlson, 2009-02-19 Kim's World Turns Upside Down. When Kim's mom is diagnosed with cancer, Natalie steps in as true friends will do to round up hundreds of people to pray for Mrs. Peterson's healing. Her health begins to improve, and Kim's love life begins to flourish, but with a non-Christian, Natalie warns Kim to break off the relationship, but is that just because she's jealous? Or is God trying to speak to Kim through Natalie's counsel? When her mom's health suddenly declines again, Kim blames herself. Maybe she never should have become involved with Matthew, especially as she's tempted to give in to his pressure to have sex. Kim's faith is
