

Who Was Queen Victoria

Giles Lytton Strachey

Who Was Queen Victoria:

Who Was Queen Victoria? Jim Gigliotti, Who HQ, 2014-07-10 Her reign of 63 years and seven months is known as the Victorian Era a period of industrial cultural scientific and political change that was marked by a great expansion of the British Empire But Victoria was raised under close supervision and near isolation until she became Queen of the United Kingdom at the young age of 18 She married her first cousin Albert and had nine children who married into families across Europe By the time she had earned the nickname The Grandmother of Europe and the title Empress of India it was indeed true that the sun never set on the British Empire Publicly she became a national icon but privately Who Was Queen Victoria

Queen Victoria Fergus Hume, 2021-03-09 Known for its advances in literature industrialization politics and science the Victorian era was a prominent time in British history However author Lytton Strachey remembers Queen Victoria as a person instead of just focusing on her accomplishments First starting with a brief history of her predecessors and origins Victoria was crowned just as she came of age Having only been eighteen Queen Victoria was widely unfamiliar to her subjects when she was coronated While her advisors and elders attempted to train her for her regal duties and present her to society Victoria struggled to adjust to her new life However after a short period of adjustment Victoria transformed into an iconic figure known and celebrated for her elevated sense of morality In 1840 Victoria married her cousin Prince Albert a match arranged by their families But while Albert brought financial success he was still unpopular in high society London unlike his wife who was growing to be more beloved every day First published in 1921 Lytton Strachey's *Queen Victoria* follows the inventive biographical style Strachey created featuring witty irreverent prose paired with the focus on human characteristics rather than just their achievements Told in relation to the prominent figures in each stage of her life Queen Victoria is an intimate perspective of the legendary ruler Praised for its accuracy and entertainment Queen Victoria led Lytton Strachey to be awarded the James Tait Black Memorial Prize one of the oldest awards in British literature This edition of Queen Victoria by Lytton Strachey features an eye catching new cover design and is presented in a font that is both modern and readable With these accommodations this edition is accessible and appealing to contemporary audiences restoring Queen Victoria to modern standards while preserving the original innovation and insight of Lytton Strachey's work *Queen Victoria* Lytton Strachey, 2013-11-01 Queen Victoria By Lytton Strachey Queen Victoria Alexandrina Victoria 24 May 1819 22 January 1901 was the monarch of the United Kingdom of Great Britain and Ireland from 20 June 1837 until her death From 1 May 1876 she used the additional title of Empress of India Victoria was the daughter of Prince Edward Duke of Kent and Strathearn the fourth son of King George III Both the Duke of Kent and King George III died in 1820 and Victoria was raised under close supervision by her German born mother Princess Victoria of Saxe Coburg Saalfeld She inherited the throne at the age of 18 after her father's three elder brothers had all died leaving no legitimate surviving children The United Kingdom was already an established constitutional monarchy in which the sovereign held relatively little direct political power Privately Victoria

attempted to influence government policy and ministerial appointments Publicly she became a national icon and was identified with strict standards of personal morality

101 Amazing Facts about Queen Victoria Jack

Goldstein,2014-06-25 Did you know that Queen Victoria could speak five different languages Or that her closest childhood friend was a King Charles spaniel by the name of Dash What did she ask staff to do instead of knocking on her door And how did she deliberately annoy Prime Minister William Gladstone All of these facts and more can be found in this fantastic guide to the long reigning monarch and Empress of India This book is perfect for those studying Queen Victoria at school or even for those who are just interested in learning more about one of history s most fascinating figures

Queen Victoria

Christopher Hibbert,2000 This is a portrait of Victoria as the formidable demanding capricious queen of popular imagination which also shows her as often shy and vulnerable prone to giggling fits and crying jags

The Political Influence of

Queen Victoria, 1861-1901 Frank Hardie,1963 First Published in 1963 Routledge is an imprint of Taylor Francis an informa company

The Public Life of Queen Victoria John Mcgilchrist,2015-03-04

Queen Victoria is through her mother descended and her children are descended by the double line of both their parents from the great good and glorious Frederick the Wise Elector of Saxony early in the sixteenth century who was one of the first to embrace the principles of Luther s Reformation and whose name still stands out so nobly and brightly as the staunch and courageous protector of the great Reformer

Queen Victoria

Dorothy Turner,1989 A biography of the nineteenth century British monarch whose sixty three year reign over one quarter of the world s population covered a period of great industrial and social change

Queen

Victoria: Her Life and Times Cecil Woodham Smith,1972

Young Victoria

Susan Symons,2016 This book about the young Queen Victoria is beautifully illustrated throughout with portraits and other memorabilia from the author s collection It covers the somewhat bizarre circumstances of Victoria s birth when there was an undignified race to produce the next heir to the British throne her lonely childhood under a tough regime and without any friends of her own age and the national adulation when she succeeded as a teenager It ends with how she fell in love with Albert Young Victoria focuses on the story of Victoria as a woman her personal life the events that formed her character and the relationships that were important to her It uses some of her own words from her journal to help tell the story This short book is intended to be light hearted and easy to read and should appeal to anyone who likes history or follows royalty or is interested in people s personal stories The overwhelming public image of Queen Victoria is of the elderly queen towards the end of her reign She is serious and unsmiling even gloomy more of a symbol than a person But Victoria has a colourful life story which is full of drama intrigue and surprises She came to the throne as a pretty eighteen year old her public image was very different at the start of her reign than at the end Young Victoria is the first part of The Colourful Personal Life of Queen Victoria It will be followed by two more books Victoria and Albert covering her marriage to and relationship with Albert when they changed the image of the royal family and founded a dynasty and The Widowed Queen about the long years of her widowhood after Albert s early

death when she became the doyenne of sovereigns and the grandmamma of Europe *Queen Victoria* E. Gordon Browne, 2012-09-21 Queen Victoria Alexandrina Victoria 24 May 1819 22 January 1901 was the monarch of the United Kingdom of Great Britain and Ireland from 20 June 1837 until her death From 1 May 1876 she used the additional title of Empress of India Victoria was the daughter of Prince Edward Duke of Kent and Strathearn the fourth son of King George III Both the Duke of Kent and King George III died in 1820 and Victoria was raised under close supervision by her German born mother Princess Victoria of Saxe Coburg Saalfeld She inherited the throne at the age of 18 after her father's three elder brothers had all died leaving no legitimate surviving children The United Kingdom was already an established constitutional monarchy in which the Sovereign held relatively little direct political power Privately Victoria attempted to influence government policy and ministerial appointments Publicly she became a national icon and was identified with strict standards of personal morality Victoria married her first cousin Prince Albert of Saxe Coburg and Gotha in 1840 *Queen Victoria* Lytton Strachey, 2012-03-30 Lytton Strachey's acclaimed portrayal of Queen Victoria revolutionised the art of biography by using elements of romantic fiction and melodrama to create a warm humorous and very human portrait of this iconic figure We see Victoria as a strong willed child with a famous temper as the eighteen year old girl queen as a monarch wife mother and widow Equally fascinating are the depictions of her relationships with her governess precious Lehzen with Peel Gladstone and Disraeli with her beloved Albert and in later life her legendary devotion to her Highland servant John Brown all of which show a different side of the staid pious image that is so often attached to her Awarded the James Tait Black Memorial Prize Strachey's classic biography remains one of the best and most readable accounts of the Queen who defined an era **Queen Victoria: from Her Birth to the Death of the Prince Consort** Cecil Woodham Smith, 1972 *Queen Victoria* Giles Strachey, 2014-07-02 Giles Lytton Strachey was a British writer and critic best known for his biography *Queen Victoria* and the book *Eminent Victorians* England has had no shortage of influential monarchs but among its queens only Queen Elizabeth I and Queen Victoria had the age they lived in literally named after them Both the Elizabethan era and Victorian era have come to symbolize a golden age of peace and progress in every aspect of British life with the long reigns of both queens also providing stability Of course there was a critical difference between those two queens Elizabeth I still wielded great power in the 16th century whereas Victoria was a constitutional monarch who had to deal with more limited power over the workings of the British government But in a way that made Victoria even more unique as she still proved able to mold the cultural identity of a nearly 65 year long epoch Furthermore Victoria established some of the ceremonial customs of the British monarch and became both the forerunner and role model of subsequent queens a legacy that continues to endure with her great great granddaughter Queen Elizabeth II Though Britain's longest reigning monarch is now mostly associated with conservative values particularly strict morality and traditional social and gender roles Victoria and her era oversaw the cultural and technological progress of Britain and the West in general architectural revivals and the expansion of

imperialism While some of these developments have been perceived negatively over a century later Britons of the 19th century and early 20th century often viewed the Victorian Era as the height of their nation's power and influence *Queen Victoria* Giles Lytton Strachey, 2019-10-15 Queen Victoria was the longest reigning monarch in British history In this concise biography Lady Longford long recognised as an authority on the subject gives a full account of Queen Victoria's life and provides her unique assessment of the monarch Victoria ascended the throne in 1837 on the death of her uncle William IV In 1840 she married her first cousin Prince Albert of Saxe Coburg Gotha and for the next twenty years they were inseparable Their descendants were to succeed to most of the thrones of Europe When Albert died in 1861 Victoria's overwhelming grief caused her to almost withdraw from public life for several years This perceived dereliction of public duty coupled with rumours about her relationship with her Scottish ghillie John Brown led to increasing criticism Coaxed back into the public eye by Disraeli she resumed her political and constitutional interest with vigour until her death in 1901 This classic and concise biography of Britain's longest reigning monarch was written by Lady Elizabeth Longford who was a renowned biographer she died in 2002 Her other titles include *Wellington Byron* and *the Queen Mother Elizabeth* Longford's first work on Queen Victoria *Victoria RI* won the James Tait Black memorial prize *Life of Her Most Gracious Majesty Queen Victoria* Sarah Tytler, 2016-05-13 *Life of Her Most Gracious Majesty Queen Victoria Vol 1* is a classic Queen Victoria biography by Sarah Tytler If the life long friendship of my mother with her Majesty Queen Victoria which gained for me the honour of often seeing the Queen or a deep feeling of loyalty and affection for our sovereign which is shared by all her subjects be accepted as a qualification I gratefully respond to the call but I feel that no written words of mine can add value to the following pages Victoria Alexandrina Victoria 24 May 1819 22 January 1901 was Queen of the United Kingdom of Great Britain and Ireland from 20 June 1837 until her death On 1 May 1876 she adopted the additional title of Empress of India Victoria was the daughter of Prince Edward Duke of Kent and Strathearn the fourth son of King George III Both the Duke of Kent and King George III died in 1820 and Victoria was raised under close supervision by her German born mother Princess Victoria of Saxe Coburg Saalfeld She inherited the throne at the age of 18 after her father's three elder brothers had all died leaving no surviving legitimate children The United Kingdom was already an established constitutional monarchy in which the sovereign held relatively little direct political power Privately Victoria attempted to influence government policy and ministerial appointments publicly she became a national icon who was identified with strict standards of personal morality Victoria married her first cousin Prince Albert of Saxe Coburg and Gotha in 1840 Their nine children married into royal and noble families across the continent tying them together and earning her the sobriquet the grandmother of Europe After Albert's death in 1861 Victoria plunged into deep mourning and avoided public appearances As a result of her seclusion republicanism temporarily gained strength but in the latter half of her reign her popularity recovered Her Golden and Diamond Jubilees were times of public celebration Her reign of 63 years and seven months was longer than that of any of her

predecessors and is known as the Victorian era. It was a period of industrial, cultural, political, scientific, and military change within the United Kingdom and was marked by a great expansion of the British Empire. She was the last British monarch of the House of Hanover. Her son and successor, Edward VII, initiated the House of Saxe-Coburg and Gotha, the line of his father. According to one of her biographers, Giles St Aubyn, Queen Victoria wrote an average of 2,500 words a day during her adult life.²¹² From July 1832 until just before her death, she kept a detailed journal which eventually encompassed 122 volumes.²¹³ After Victoria's death, her youngest daughter, Princess Beatrice, was appointed her literary executor. Beatrice transcribed and edited the diaries covering Victoria's accession onwards and burned the originals in the process.²¹⁴ Despite this destruction, much of the diaries still exist. In addition to Beatrice's edited copy, Lord Esher transcribed the volumes from 1832 to 1861 before Beatrice destroyed them.²¹⁵ Part of Victoria's extensive correspondence has been published in volumes edited by A.C. Benson, Hector Bolitho, George Earle Buckle, Lord Esher, Roger Fulford, and Richard Hough, among others.²¹⁶ Queen Victoria was physically unprepossessing; she was stout, dowdy, and only about five feet tall, but she succeeded in projecting a grand image.²¹⁷ She experienced unpopularity during the first years of her widowhood but was well liked during the 1880s and 1890s when she embodied the empire as a benevolent matriarchal figure.²¹⁸ Only after the release of her diary and letters did the extent of her political influence become known to the wider public.⁹⁸²¹⁹ Biographies of Victoria written before much of the primary material became available, such as Lytton Strachey's *Queen Victoria* of 1921, are now considered out of date.

Victoria & Albert Susan Symons, 2016-08-13 This book about the marriage of Queen Victoria and Prince Albert tells the story of one of the most famous relationships in history. Their marriage was by no means a grand match for Victoria and was very unpopular with the British public. There were early troubles for the couple with power struggles, personality clashes, and unwelcome pregnancies, but they created a true partnership, a happy family life, and founded a dynasty. The book ends with Albert's early death and how a man in the prime of life was worn out with the stresses and strains of being Victoria's husband. Victoria was pregnant for a third of her married life, and the book looks at how she dealt with pregnancy, childbirth, and being a mother. Queen Victoria and Prince Albert were married at the Chapel Royal, St James's Palace in London, on 10 February 1840, when they were both twenty years old. For her, their marriage followed a whirlwind romance, and Albert would be a life-long passion. For him, it was a successful outcome of long-laid plans; marrying Victoria was his career. They were in an unusual position for their time because it was Victoria who was the sovereign, and Albert had a supporting role. Their marriage would succeed, but stormy waters lay ahead. Victoria and Albert uses some of Victoria's own words from her journal and letters to help tell the story and is beautifully illustrated throughout with portraits and other memorabilia from the author's collection. This short book is intended to be light-hearted and easy to read and should appeal to anyone who likes history or follows royalty or is interested in people's personal stories. Victoria and Albert is the second of three books about The Colourful Personal Life of Queen Victoria. They focus on the story of Victoria as a woman

her personal life the events that formed her character and the relationships that were important to her The first book Young Victoria looked at her early years including her difficult childhood and how she came to the throne aged only eighteen The third book The Widowed Queen will cover the long years of her widowhood after Albert s early death as the doyenne of sovereigns and grandmamma of Europe Queen Victoria ,2019 Queen Victoria was the Queen of the United Kingdom of Great Britain and Ireland from 1837 until her death in 1901 Known as the Victorian Era a period of rapid industrial cultural political scientific and military change within the United Kingdom her reign of more than 63 years was longer than any of her predecessors Queen Victoria (Illustrated) Lytton Strachey,2019-10-19 AN HISTORICAL CLASSIC Queen Victoria is a wonderful of the monarch who reigned during the 19th century DETAILS Includes the Original Illustrations **Life of Her Majesty Queen Victoria** Millicent Garrett Dame Fawcett,2022-08-21 In Life of Her Majesty Queen Victoria Millicent Garrett Dame Fawcett offers a meticulously crafted biography that transcends mere chronology to illuminate the complexities of Queen Victoria s reign Written with a blend of reverence and critical acumen Fawcett employs an engaging narrative style that combines historical analysis with personal anecdotes revealing the Queen s political influence social reforms and evolving role as a monarch in the rapidly changing landscape of the 19th century This work emerges within a rich literary context of biographical literature that seeks to give voice to women s contributions in history contrasting with the male dominated narratives of the period Millicent Garrett Dame Fawcett a prominent suffragist and advocate for women s rights utilized her keen intellect and personal experiences to delve into the life of Queen Victoria Fawcett was not only an astute observer of the sociopolitical dynamics of her time but also an avid supporter of Queen Victoria s endeavors particularly in the realm of women s education and public service Her dual commitment to feminism and history provides a unique perspective merging admiration with critical insight in her portrayal of the Queen I highly recommend Life of Her Majesty Queen Victoria to readers keen on understanding the interplay of gender power and governance in Victorian England Fawcett s work invites us to reflect on the legacy of one of history s most iconic monarchs while celebrating the transformative power of women s voices in shaping narratives

Who Was Queen Victoria Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Who Was Queen Victoria free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Who Was Queen Victoria free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Who Was Queen Victoria free PDF files is convenient, its

important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Who Was Queen Victoria. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Who Was Queen Victoria any PDF files. With these platforms, the world of PDF downloads is just a click away.
