Millennium & Kingdom Reign SUKKOT

Unknown Hebrew, 2020-11-20 What exactly does Sukkot mean It means tabernacle or booth It is a booth or a small hut a Sukkah a temporary dwelling place and the Hebrew word for booth is Sukkot It is a time of joy and celebration for seven days plus an additional day that is called Shemini

Atzeret or the Eighth Great Day it is the seventh and final appointed time found in Leviticus 23 which reads Speak unto the children of Israel saying The fifteenth day of this seventh month shall be the feast of tabernacles for seven days unto YAHUAH it also tells us Ye shall dwell in booths seven days all that are Israelites born shall dwell in booths In this book we will examine not only what the book of Leviticus has to say about this Feast but we will show you where you can find the first time Sukkot is mentioned in the Bible as well as the numerous other places it can be found We will delve into the following

What Sukkot represents Why is it a time to rejoice and what are we rejoicing Who must go into New Jerusalem yearly to celebrate this Feast and why Plus so much more We will show you that Sukkot celebrates and points to ELOHIM s presence protection and provisions for the Israelites as they wandered in the wilderness for some 40 years You will also gain an understanding that it is not only about remembering the events of the past but it is also a celebration of what is to come This eye opener is packed with revelations about the Feast of Sukkot *The Divine Messenger* Matthew Bryce Ervin,2023-06-28

The Son of God didn t first come onto the scene in the final quarter of the Bible He appeared as a fascinating and sometimes mysterious figure throughout the Old Testament He is called by many names and referred to in many ways He appeared as the Word of the Lord as the presence within the Glory of the Lord as the personification of Wisdom as the Angel of the Lord as the Captain of the Lord s army and as Yahweh on earth Some of his appearances were dramatic while others were subtle Each of them highlights the Son s role as the Father s messenger And the appearances all foreshadowed the Incarnation when the Son of God would become a man and more fully reveal the Godhead to his creation **The Bad Habits of Jesus** Leonard Sweet,Leonard I. Sweet,2016 In our culture we have a tendency to describe Jesus in ways that soften his revolutionary edge Len Sweet uncovers and presents to us the offensive and scandalous Jesus described in the Bible Did he disappear when people needed him most Yes Did he refuse to answer questions directly Yes Did Jesus offend the people of his day Absolutely yes Popular author and speaker Len Sweet examines the words and actions of Jesus and places them in context We need to understand who Jesus really is if we are to follow him wholeheartedly That is why it is so crucial to see the rebellious rabbi for who he is and not for who we may imagine him to be Publisher **Your People Shall Be My People** Don Finto,2016-04-05 Updated and Expanded Edition of a Landmark Text on an Urgent Topic Now updated and expanded this landmark text reveals God s purposes for his covenant people in these times and how this revelation is impacting the church Unlike Ruth in the Old Testament many of us have turned our backs on the Jewish people the relatives of the Messiah and we share the collective guilt for centuries of their persecution These pages remind us that now more than ever we must confess embrace and intercede for the chosen people of God aligning our prayers with God s plan Once again Israel and her people are center stage at a crucial moment in world history and this book shows why the church must effect reconciliation and why our prayers are vital in this hour If we will make the same covenant pledge to Israel that Ruth made to Naomi the church will never be the same *Middle East: Blueprint for the Final Solution* Mike M. Joseph,2004-05-14 The Middle East conflict originated literally in the womb of a beautiful woman Rebekah Isaac s wife Her struggling twins from their mother s womb have often engaged in a love hate embrace scorching their lands with periodic eruptions of bloody conflicts Their descendants though gradually lost their identity have spread their struggle for the global inheritance into Europe the Americas and elsewhere The march of Islam of Muhammad the man of the sword the present Jew arab conflict the Persian Gulf menace fanatic Islamic world terrorism and their main target the West are a direct result of the twins

struggle which begun while in their mother s womb Human history and its future can t be fully comprehended without correct understanding of the roots and turbulent history of the struggling twins You the reader are destined regardless of your ethnic background and religion to soon experience the final consequences and glorious triumph of this age long bloody conflict Through the pages of this work the author takes you on a fascinating journey of the Biblical and historic records which faithfully traced the stormy blazing trails of the struggling twins from the inception of the conflict to its glorious final solution
