Who Broke The Baby What The Abortion Slogans Really Mean:

A Love for Life Dennis R. Di Mauro, 2008-06-20 Is abortion ethical The answer to this question is often obscured by rhetoric slogans and politics And the media message on abortion is often of little help When the typical American opens up her morning newspaper she sees the topic debated between pro lifers and pro choicers but receives little information that could help her make an informed moral decision And as she reads further about the subject it seems that the Christian church often an ethical guide in many of her decisions is of no use to her Sadly she is told that the church is just as divided as the rest of society on the topic So our average American is left to fend for herself She must somehow decide the right answer with little guidance from society from the church or even from God himself But is our average American really without guidance Has she gotten all the information she needs about abortion or has she received only the five second sound bite that leaves her as confused as she was before she heard about the abortion debate And has God been silent on the abortion question Has the church really shown a diversity of opinion on the sanctity of life A Love for Lifewill provide Christians with the biblical and historical information that they need to make an informed decision on the abortion question It will also take a critical and biblically based look at the arguments and theologies of today s most prominent pro choice clergy And it will determine if abortion really fulfills the will of God as many pro choice Christians believe or whether abortion is a clearly sinful act In short readers of A Love for Lifewill discover the realmessage of the church on abortion [The Questions Christians Hope No One Will Ask](#) Mark Mittelberg, 2010-10-29 2011 Retailers Choice Award winner Some questions can stop a conversation Today more than ever people are raising difficult penetrating questions about faith God and the Bible Based on an exclusive Barna survey of 1 000 Christians The Questions Christians Hope No One Will Ask presents compelling easy to grasp answers to ten of the most troubling spiritual questions facing Christians today These include How do you know God exists at all Why would God allow evil and suffering Why trust the Bible when it s full of mistakes Why do Christians condemn homosexuality What makes you think Jesus was more than just a good teacher In this apologetics resource Mark Mittelberg offers clear theological answers to help you defend your beliefs with confidence [Pro-Life Pulpit](#) Stephen Tu, 2011-05-23 Over one million unborn children are intentionally aborted every year in North America Voiceless and helpless their blood cries out Will those of us who serve as pastors and preachers respond from our pulpits Silence is not an option We cannot keep quiet while thousands of our neighbors made in the image of God are being led to the slaughter every day But neither should we condemn and vilify those who are complicit in their deaths A truly pro life pulpit ministry opposes the injustice of abortion with truth courage and understanding Tears mingled with hope overflowing with grace After all the Christian faith is rooted in the good news of a Messiah who was once an embryo Nine months before he was born Jesus was conceived by the Holy Spirit and for the next forty weeks he lived and grew in the womb of an unwed teenaged mother He is at the heart of our preaching and this book will show you how to confront the sin of abortion by proclaiming the God who became

abordable in order to save sinners **The Mark Mittelberg Collection: The Questions Christians Hope No One Will Ask / Confident Faith** Mark Mittelberg, 2017-03-07 This collection bundles 2 of Mark Mittelberg's nonfiction titles into one book for a great value Questions Christians Hope No One Will Ask 2011 Retailers Choice Award winner Why are Christians against same sex people getting married Why do you believe God exists at all Why would God allow evil and suffering Why trust the Bible when it's full of mistakes How could a loving God send people to hell What makes you think Jesus was more than just a good teacher Why are Christians so judgmental Some questions can stop a conversation Today more than ever people are raising difficult penetrating questions about faith God and the Bible Based on an exclusive new Barna survey of 1 000 Christians The Questions Christians Hope No One Will Ask presents compelling easy to grasp answers to ten of the most troubling questions facing Christians today These include everything from the existence of heaven to the issues of abortion and homosexuality as well as the question of whether evolution eliminates our need for a God Confident Faith In Confident Faith Mark Mittelberg assures Christians that we can be confident in our beliefs There's no reason to be timid about what we believe because our beliefs can stand up to the test Truth isn't dependent on how a person feels or one's own point of view as so many assert On the contrary we can determine truth through our five senses and that truth reliably points to a deeper and unseen reality Mark walks readers through twenty arrows that point towards Christian beliefs from the intricate design of the universe to archaeological proofs from the consistent testimony of changed lives to the reliability of the ancient documents of the Bible After studying these arrows you'll put this book down with a renewed confidence in what you believe and why it matters for eternity Wisdom and Wonder Brandon Vogt, 2021-10-26 Few figures have impacted the rising generation of Catholics more than Peter Kreeft the widely respected philosophy professor and prolific bestselling author of over 80 books Through his writings and lectures Kreeft has shaped the minds and hearts of thousands of young apologists evangelists teachers parents and scholars This collection of eighteen essays mainly by millennial Catholic leaders and converts to the Catholic faith celebrates Kreeft's significant legacy and impact his most important books and the many ways he has imparted to others those two seminal gifts wisdom and wonder Among the eighteen contributors to this book are Brandon Vogt Trent Horn Tyler Blanski Dr Douglas Beaumont Jon Marc Grodi Jackie Angel Matthew Warner Rachel Bulman Fr Blake Britton and others **Religious Book Review** , 1978 **The Woman's Complete Guide to Personal Health Care** Debra Evans, 1991 **Christianity Today** , 1980 **Pregnant & Alone** Henrietta VanDerMolen, 1989 With characteristic enthusiasm Henrietta VanDerMolen offers information and insight into how you can help your friend and shares stories of the more than thirty young women who have stayed in her home during crisis pregnancy situations Back cover *Humanism* Homer Duncan, 1981 Christian Living , 1980 **Who Broke the Baby?** Jean Staker Garton, 1998 Here is an expanded new edition of the pro life classic Who Broke the Baby more than 120 000 sold This small straightforward handbook addresses the slogans of the pro choice movement with new chapters giving up to the minute
