Who Is God?: His Character Revealed in the Christ C. S. Cowles, 2005-04-01 **Patterns of Discipleship in the New Testament** Richard N. Longenecker, 1996-10-08 Discipleship is a subject that lies at the heart of Christian thought life and ministry For centuries it has been a way of thinking and speaking about the nature of the Christian life But what is actually meant by the notion of Christian discipleship In *Patterns of Discipleship in the New Testament* thirteen first class scholars examine what the New Testament writings say about the subject of discipleship highlight the features of both unity and diversity that appear throughout the New Testament and suggest in a very readable style how Christian discipleship can be expressed today in ways that honor both the oneness of the gospel and a legitimate variety of lifestyles C.S.

Lewis—The Work of Christ Revealed P. H. Brazier, 2012-08-14 C S Lewis *The Work of Christ Revealed* focuses on three doctrines or aspects of Lewis s theology and philosophy his doctrine of Scripture his famous mad bad or God argument and his doctrine of christological prefigurement In each area we see Lewis innovating within the tradition He accorded a high revelatory status to Scripture but acknowledged its inconsistencies and shrank away from a theology of inerrancy He took a two thousand year old theological tradition of aut Deus aut malus homo either God or a bad man and developed it in his own way Most innovative of all was his doctrine of christological prefigurement intimations of the Christ event in pagan mythology and ritual This book forms the second in a series of three studies on the theology of C S Lewis titled C S Lewis *Revelation and the Christ* www.cslewisandthechrist.net The books are written for academics and students but also crucially for those people ordinary Christians without a theology degree who enjoy and gain sustenance from reading Lewis s work

John, Jesus, and History, Volume 2 Paul N. Anderson, Felix Just, Tom Thatcher, 2015-07-07 This groundbreaking volume draws together an international group of leading biblical scholars to consider one of the most controversial religious topics in the modern era Is the Gospel of John the most theological and distinctive among the four canonical Gospels historical or not If not why does John alone among the Gospels claim eyewitness connections to Jesus If so why is so much of John s material unique to John Using various methodologies and addressing key historical issues in John these essays advance the critical inquiry into Gospel historiography and John s place within it leading to an impressive consensus and convergences along the way The contributors are Paul N Anderson Mark Appold Richard Bauckham Helen K Bond Richard A Burridge James H Charlesworth Jaime Clark Soles Mary Coloe R Alan Culpepper Craig A Evans Sean Freyne Jeffrey Paul Garcia Brian D Johnson Peter J Judge Felix Just S J Craig S Keener Edward W Klink III Craig R Koester Michael Labahn Mark A Matson James F McGrath Susan Miller Gail R O Day Bas van Os Tom Thatcher Derek M H Tovey Urban C von Wahlde and Ben Witherington III Dependence and Freedom David Wayne Haddorff, 1994 This book argues that Horace Bushnell 1802

1876 rejected the prevalent utilitarian moral philosophy of his day and developed an alternative moral theory based upon Christian theology and experience Bushnell claimed that human nature is inherently social moral experience is interrelated with estrangement and restoration and Christian piety is a transforming power in the world Contents Preface Introduction Bushnell as a Moral Theologian In Search of a Moral Philosophy Bushnell and New England Moral Thought in Tradition From Moral Philosophy to Christian Ethics Bushnell s Moral Thought Before 1847 Moral Development and the Human Condition The Moral Restoration of Human Character and Ethical Freedom Ethics in Tension Bushnell s Political and Social Thought Christ Transforming Culture Providential Progress and the Moral Power of Religion Bibliography Index **In Search of the One True Christ** Vernon Sparks, 2015-08-06 This book is about the human nature of Christ Specifically about the moral or spiritual inheritance through His mother Mary whether He took man s nature like that of Adam before the Fall prelapsarian or like after the Fall postlapsarian These two seemingly mutually exclusive versions of Christ have been a very controversial subject in Adventism for some sixty plus years May 2015 Many have grown weary of the subject and some have concluded that it doesn t really matter It is the purpose of this present book to develop more fully the concept of our new birth experience as a springboard to provide a framework of Christ s nature that embraces all of the Scripture and Spirit of Prophecy statements on His humanity the one true Christ It will be found that both positions pre Fall and post Fall contain essential components to the complete picture Spiritual truth is arrived at by harmonizing all of the inspired statements on a given subject Through that method we have arrived at our commonly held beliefs Saturday sacredness state of the dead second coming of Christ etc This can also be true regarding Christ s humanity regarding the true Christ Knowing the complete attributes of the true Christ will add strength and credibility to the true gospel We can then lay down our disputes among us and unite in promoting the one Lord one faith and one baptism so essential to the finishing of the Lord s work in our hearts and on the earth Preface Why another book about the human nature of Christ Haven t we covered every aspect of His nature that is necessary for us to know Well perhaps not This book endeavors to tie together some loose threads that have not really been solved yet First this subject is never just about the nature of Christ The issue is much larger It is about the whole plan of salvation the gospel righteousness by faith and the great controversy between Christ and Satan Differing views about Christ s human nature radically change our conclusions about how God is solving the problem of sin and rebellion in the universe hy another book about the human nature of Christ Haven t we covered every aspect of His nature that is necessary for us to know Well perhaps not This book endeavors to tie together some loose threads that have not really been solved yet Second this book addresses the underlying issue in the ongoing debate the nature of man When Adam and Eve sinned everything changed Suffering and death began man s nature changed so that rebellion was as natural as breathing condemnation and annihilation were man s only future and earth was cut off from heaven Except for one thing Christ stepped into the picture And everything changed again Mankind received a second chance annihilation was not

inevitable and most importantly God placed enmity toward Satan in man's nature. Man would not be a helpless slave of Satan but would have an innate desire to resist him. Third, this book pulls together statements by Ellen White that seem to support opposite conclusions and shows how they fit together perfectly if loose ends are properly tied off. Inspired statements have a way of harmonizing if we dig down beneath the surface. Fourth, the appendix collection of pioneer writings are valuable resources in this study. This is a significant contribution to a better understanding of God's great plan of salvation.
