Using the Bible in Spiritual Direction Liz Hoare,2016-01-01 Spiritual direction is increasingly popular among Christians of all mainstream traditions with demand for directors outstripping supply in many places And although the Bible is central to the practice of spiritual direction very little has been published on how best to use it in this form of ministry Experienced spiritual director Liz Hoare explores the central role the Bible has played in Christian experience in order to discourage poor shallow or rigid use of the Bible which can lead to damage and inhibit spiritual growth According to Hoare the goal of spiritual direction is not a personal improvement plan but a people who are being shaped into the likeness of Christ for the flourishing of the church as a whole Using different methods of praying with the Bible and drawing on historical traditions of Christian spirituality as well as current literature and practice this book offers a rich stimulating and thoroughly biblical resource for all those who give and receive spiritual direction

The Censor's Notebook Liliana Corobca,2022-11-08 A fascinating narrative of life in communist Romania and a thought provoking meditation on the nature of literature and censorship Winner of the 2023 Oxford Weidenfeld Translation Prize *A Censor's Notebook* is a window into the intimate workings of censorship under communism steeped in mystery and secrets and lies confirming the power of literature to

capture personal and political truths The novel begins with a seemingly non fiction frame story an exchange of letters between the author and Emilia Codrescu the female chief of the Secret Documents Office in Romania s feared State Directorate of Media and Printing the government branch responsible for censorship Codrescu had been responsible for the burning and shredding of the censors notebooks and the state secrets in them but prior to fleeing the country in 1974 she had stolen one of these notebooks Now forty years later she makes the notebook available to Liliana the character of the author for the newly instituted Museum of Communism The work of a censor a job about which it is forbidden to talk is revealed in this notebook which discloses the structures of this mysterious institution and describes how these professional readers and ideological error hunters are burdened with hundreds of manuscripts strict deadlines and threatening penalties The censors lose their identity and are often frazzled by neuroses and other illnesses *The Church School Journal* ,1900
