non believer to a devout follower of Christ **After the Election** Ron Scott Sanders,2018-04-05 The role of Evangelical Christianity in American public life is controversial The mythology of America as a Christian nation and the promissory note of secularism have proved inadequate to cope with the increasing pluralism the resilience of spirituality and the wariness toward formal religion that mark our post secular age Christianity and democracy have a complex history together but is there a future where these two great traditions draw the best out of one another What does that future look like in a heterogeneous society Sanders argues that democracy is stronger when it allows all of its religious citizens to participate fully in the public sphere and Christianity is richer when it demonstrates the wisdom of God from the ground up rather than legislating it from the top down In this reality the Evangelical church must return to Christianity s prophetic roots and see itself as a community in exile where participation in the political is important but not ultimate where the substantive work of the church happens after the election **What Made Jesus Mad?** Dr. Tim Harlow,2019-06-11 While Christians love to focus on a gentle tender Jesus Harlow offers an unforgettable reintroduction to the true character of Jesus and invites us to get to know the savior who was gracious but also blunt sometimes sarcastic and wildly passionate about bringing people to the heart of God We often don t know what to do with the Bible s stories of Jesus righteous rage Yet the truth is while the Son of God was loving and tender his words could be equally sharp and biting The same man who said Love your enemies Matthew 5 44 also said You snakes how will you escape being condemned to hell Matthew 23 33 With compelling storytelling and enlightening examinations of Scripture Tim Harlow journeys through the gospels and looks at what and who ignited Jesus anger He guides us through instances of Jesus anger in response to the barriers people put up in the temple where money changers literally denied access to the Father especially for the non Jews and the poor during his teaching when little children were denied access on the Sabbath when religious leaders put rules above relationship and suffering above healing and many more What if Harlow asks by coming to understand God s holy anger we come to know a savior we never knew before How can we respond like Jesus when good intentions prejudices and judgments traditions and rules and selfish and joyless people conspire to keep others from God s presence **For Life** John Bornschein,2014-04-07 We are one nation under God and a nation that is under God must defend life at all stages young and old alike John Bornschein was an almost aborted child Abortion isn t an abstract political argument it s about life and death for individuals In For Life Bornschein shares his story and calls the church to defend the defenseless Exploring Scripture and history he equips you with the baseline and background knowledge you need to stand boldly on our culture s front lines to protect life at all stages A special section from the Family Research Council provides you with essential information for engaging others about the issues of abortion and defending your position The Childlike Kingdom Jay J. Anderson,2025-02-27 O Father Lord of heaven and earth thank you for hiding these things from those who think themselves wise and clever and for revealing them to the childlike Yes Father it pleased you to do it this way JESUS This book crayons and cartoons notwithstanding really isn t a

children's book Yet at its heart that's exactly what it is It's kind of hard to explain which is probably why the author uses so many colors and pictures though that's not the only reason As a starting point let's agree it's a book alphabet for kids of all ages especially those who have experienced a few more birthday parties and Christmas mornings And for Anderson's first word play it is also a book filled with truth that is for all times all places and all people all ages After all the eternal words of Jesus will be front and center from start to finish The call of Jesus to his kingdom requires we become and live childlike So what does that sound like look like and live like Oh and play like You are invited by the King to enter The Childlike Kingdom

Thinking Theologically about Language Teaching
