Whosoever Will A Biblical Theological Critique Of Five Point Calvinism:

Whosoever Will David L. Allen, Steve W Lemke, 2010-04-01 Arising from the John 3 16 Conference held in late 2008 at First Baptist Church of Woodstock Georgia *Whosoever Will* presents a biblical theological assessment of and response to five point Calvinism Baptist leaders offering an alternative to the doctrine s TULIP tenets include Paige Patterson Total Depravity Richard Land Unconditional Election David Allen Limited Atonement Steve Lemke Irresistible Grace and Kenneth Keathley Perseverance of the Saints **The Great Commission Resurgence** Chuck Lawless, Adam W. Greenway, 2010 A collection of essays by Southern Baptist leaders on the biblical theological and practical matters relating to their convention s Great Commission Resurgence initiative **Against Calvinism** Roger E. Olson, 2011-10-25 Calvinist theology has been debated and promoted for centuries But is it a theology that should last Roger Olson suggests that Calvinism also commonly known as Reformed theology holds an unwarranted place in our list of accepted theologies In *Against Calvinism* readers will find scholarly arguments explaining why Calvinist theology is incorrect and how it affects God s reputation Olson draws on a variety of sources including Scripture reason tradition and experience to support his critique of Calvinism and the more historically rich biblically faithful alternative theologies he proposes Addressing what many evangelical Christians are concerned about today so called new Calvinism a movement embraced by a generation labeled as young restless Reformed *Against Calvinism* is the only book of its kind to offer objections from a non Calvinist perspective to the current wave of Calvinism among Christian youth As a companion to Michael Horton s *For Calvinism* readers will be able to compare contrasting perspectives and form their own opinions on the merits and weaknesses of Calvinism *Calvinism* David L. Allen, Steve W Lemke, 2022-08-01 Calvinism raises serious concerns about the growth of a popularized Reformed theology Through a wide lens of denominational and theological perspectives this volume carefully examines the theological tradition known today as Calvinism particularly its doctrine of salvation Editors David L Allen and Steve W Lemke lead a team of top contributors offering theological historical biblical and practical critiques **Reflections of a Disenchanted Calvinist** Ronnie W. Rogers, 2016-03-28 *Reflections of a Disenchanted Calvinist* The Disquieting Realities of Calvinism engages one of the classical strands of Protestant thought with the classical strength of Protestantism shedding the light of the Scriptures on the questions of the faith Author Ronnie W Rogers leads readers through the intricacies of Calvinist thought touching on such topics as the sovereignty of God predestination unconditional election the origin of evil free will and faith and works The intent of this journey is to provide a critique of Calvinism and to present readers with a clear picture of the ramifications of subscribing to Calvinist doctrines Chapters address particular theological topics by stating both affirmations rooted in the Scriptures and disaffirmations drawing their support from the Scriptures as well The lines of thought do not shy away from complex theological questions but instead rely upon the riches of theological reflection to assure the critiques of Calvinism are fair both to the doctrines and to the Scriptures If you are a part of the Calvinist tradition and want to explore the nuances

of your background or if you locate yourself outside of that tradition but have deep curiosity about the questions the Calvinist tradition raises then *Reflections of a Disenchanted Calvinist: The Disquieting Realities of Calvinism* offers a rigorous guide to exploring the depths of the tradition and critique of the tenets of Calvinism **To Save Sinners** Michael

Riccardi, 2023-04-12 The atoning work of the Lord Jesus Christ on the cross stands as the very epicenter of Christianity the very heart of the gospel Because of this one does not stray far from the heart of the Christian faith when he asks For whom has Christ accomplished so great a salvation Answers to that question have historically fallen in two broad categories Either Jesus died for all people without exception or he died only for those whom the Father has chosen to save Recently a mediating view has arisen arguing that we should not choose between these options but that Jesus died with multiple intentions for all without exception and for the elect alone In this book Michael Riccardi offers a critical evaluation of the multiple intentions view from the perspective of classic particularism The book demonstrates that while the third way proposed is attractive at first blush beneath the surface it faces insurmountable biblical and theological problems including the redefinition of the nature of the atonement itself Riccardi demonstrates that particular redemption is the teaching of the text of Scripture against the objections of one of its strongest opponents *Does God Love All or Some?* Ronnie W.

Rogers, 2019-04-19 The term *extensivism* describes my position regarding the doctrine of salvation Specifically *extensivism* believes that man was created in the image of God with otherwise choice God's salvation plan involves an all inclusive unconditional offer of salvation to every person reception of which is conditioned upon grace enabled faith rather than Calvinism's exclusive plan of a limited actual offer of salvation to only the unconditionally elected Generally it replaces the term *non Calvinism* These are the five primary objectives of the book First my considerations would result in a deeper understanding of God Second I will demonstrate that God salvationally loves every single person Third I intend to offer a precise and respectful critique of Calvinism's internal and biblical inconsistencies these are largely due to its commitment to *compatibilism* and unconditional election Fourth I will demonstrate that God's free choice to endow man with libertarian freedom is a more biblical perspective Fifth because a significant percentage of people who become Calvinists do not actually understand Calvinism I seek to present Calvinism and *extensivism* in language that is precisely and consistently reflective of the commitments of each perspective regarding God's sovereignty salvific love foreknowledge and man's freedom this so a person can make an informed choice about Calvinism Anyone Can Be Saved David L. Allen, Eric Hankins, Adam

Harwood, 2016-09-15 *Anyone Can Be Saved* articulates a biblical theological explanation of the doctrine of salvation in light of the rise of Calvinistic theology among Southern Baptist churches in the United States Ten scholars pastors and leaders advocate for the ten articles of the Traditional Statement by appealing to Scripture the Baptist Faith and Message and a variety of biblical theological and philosophical writings Although many books address the doctrine of salvation these authors consciously set aside the Calvinist Arminian presuppositions that have framed this discussion in western theology for

centuries The contributors are unified in their conviction that any person who hears the gospel can be saved a view that was found among earlier Baptists as well as other Christian groups today This book is not meant to be the final word on Southern Baptist soteriology but is offered as a peaceable contribution to the wider conversation on the doctrine of salvation *Calvin on the Death of Christ* Paul A Hartog,2023-01-01 John Calvin s understanding of the extent of the atonement achieved in Christ s death is one of the most contested questions in historical theology In common thought Calvin s name is closely associated with the limited atonement stance canonized within the TULIP acronym but Calvin s personal endorsement of a strictly particularist view whereby Christ died for the elect alone is debateable In *Calvin on the Death of Christ* Paul Hartog re examines Calvin s writing on the subject traces the various resulting historical trajectories and engages with the full spectrum of more recent scholarship In so doing he makes clear that while Calvin undoubtedly believed in unconditional election he also repeatedly spoke of Christ dying for all or for the world These phrases must be held central if we are to discover Calvin s own view of the subject Hartog s conclusions will surprise some and may hold significant implications for the Calvinist tradition today Throughout however they are cogently articulated and sensitively pitched **From Heaven He Came and Sought Her** David Gibson,Jonathan Gibson,2013-11-30 There is a palpable sense of confusion and sometimes even embarrassment with regard to so called limited atonement today pointing to the need for thoughtful engagement with this controversial doctrine Incorporating contributions from a host of respected theologians *From Heaven He Came and Sought Her* stands as the first comprehensive resource on definite atonement as it examines the issue from historical biblical theological and pastoral perspectives Offering scholarly insights for those seeking a thorough and well researched discussion this book will encourage charitable conversations as it winsomely defends this foundational tenet of Reformed theology The epub edition of this title will not display correctly when viewed on Adobe Digital Editions Hebrew characters will be inaccurately displayed in this reader **40 Questions About Arminianism** J. Matthew Pinson,2022-04-19 The actual life and teaching of Jacobus Arminius are often unknown or misunderstood across many Protestant traditions Answers beyond a basic caricature can be elusive What are the essential historical backgrounds of Arminianism and what theological teachings connect to the Arminian point of view Mixing solid historical research with biblical and doctrinal precision Baptist scholar J Matthew Pinson clarifies the foundations of this influential tradition *40 Questions About Arminianism* addresses the following questions and more Who was Jacobus Arminius How has the church interpreted God s desire that everyone be saved How is Arminianism different from Calvinism Can one be both Reformed and Arminian What is universal enabling grace What do Arminians mean by free will Do Arminians believe that God predestines individuals to salvation Is it possible for a Christian to apostatize An accessible question and answer format helps readers pursue the issues that interest them most and encourages a broad understanding of historic and contemporary Arminianism with additional resources available at 40questions.net **Called by Triune Grace** Jonathan Hoglund,2016-10-31 Reformed theology speaks of the divine act that

leads to conversion in terms of the effectual call In this lucidly written and carefully researched study Jonathan Hoglund provides a constructive treatment of effectual calling interpreting divine calling to salvation as an act of triune rhetoric in which Father Son and Holy Spirit work in a personal way to communicate new life **For Calvinism/Against Calvinism** ,

Klein,2015-11-25 Controversy rages on about God s choosing people for salvation Are only the few elect Rather than typically beginning with the preconceptions of systematic theologies Dr William Klein takes up this question by searching for a biblical theology of election He surveys the OT contexts of God s choosing individuals prophets

priests kings to serve divine purposes and considers God's election of the nation of Israel as his special people This OT study proposes that God's election is both individual and corporate but not always determinative Individuals entered the people of God by birth but not all the people found salvation Faith in Yahweh was required This book traces these elective understandings through the intertestamental literature identifying continuities and shifts The bulk of the study and the heart of the argument focus on the New Testament Klein identifies concepts of election and relationships between writers in the gospels the Lucan material Paul's writings and the rest The new covenant God choosing the church in Christ emphasizes election as corporate while the individual election of Jesus disciples and of Paul raises the question whether such chosenness is necessarily salvific In closing Klein discusses the most engaging and divisive questions around God's election and offers a real challenge to today's church
