Why Christians Should Care About Their Jewish Roots:

Why Christians Should Care about Their Jewish Roots Nancy Petrey, 2015-05-22 Why should you care about the Jewish roots of Christianity Jesus was Jewish Most of the Bible was written by Jews and in Hebrew Most of the early Christian leaders were Jews Even Paul called the Apostle to the Gentiles would visit the synagogue first and preach there and he wrote with great passion about his hope for his own people Many modern Christians have forgotten about their Jewish roots They may not formally rip pieces out of their Bibles but much like the early Christian heretic Marcion they act as though these portions of scripture no longer apply They don't read them study them preach from them or apply them As a result they often do not understand the New Testament correctly Nancy Petrey has a passion both for the Jewish people and for calling Christians to understand their Jewish roots In the pages of this short book you'll get a taste of the way in which Christian history and belief has Jewish roots You'll be blessed if you learn to recognize those roots **Why Christians Should**

Understand the Jewish Roots of Their Faith Pastor Angelo McCutchen, 2009-04 Many Christians do not understand how much of our Christian Faith is tied to the Hebrew Israelite culture and because of this misunderstanding most Christians never get the true meaning of biblical facts that are in the bible for they must be understood in light of the Israelite Jewish culture and in this book you will get an eye opening experience of many biblical facts that will challenge what you have been taught one thing you must keep in mind is that Yahshua was Jewish the disciples were Jewish and the early Christians Believers were all Jewish and it is from this point that when you read this book your understanding of the bible will never be the same **What Every Christian Needs to Know About the Jewishness of Jesus** Rabbi Evan Moffic, 2016-02-02 If you

were to ask ten people Who started Christianity you might hear ten voices giving the same quick response Jesus But those ten people would be wrong Jesus wasn't a Christian Jesus lived and died as a Jew Understanding the Jewishness of Jesus is the secret to knowing him better and understanding his message in the twenty first century Walking through Jesus life from birth to death Rabbi Evan Moffic serves as a tour guide to give Christians a new way to look at familiar teachings and practices that are rooted in the Jewish faith and can illuminate our lives today Moffic gives fresh insight on how Jesus contemporaries understood him explores how Jesus Jewishness shaped him offers a new perspective on the Lord's Prayer and provides renewed appreciation for Jesus miracles In encountering his Jewish heritage you will see Jesus differently gain a better understanding of his message and enrich your own faith **The Honeycomb Is Waiting** Nancy Petrey, 2016-07-09

Nancy Petrey brings her poetry and music together as a fragrant offering to the LORD And then she shares it with us with an additional short devotion that will not only bring out your Bible for further study but also encourage you to keep notes even a journal to rejoice in what God is saying and doing in your life Most importantly The Honeycomb is Waiting will cause you to fall more deeply in love with Jesus and an added bonus the more you experience Nancy Petrey's personality you will also fall in love with her You will discover she is charming and witty yet able to bring you to accepting some hard hitting truth On one

Cornwall, 2014-12-17 Can the Bible speak to people in this postmodern age Are we doomed to a choice between rigid fundamentalism and complete rejection of this foundational source for Christianity Bob Cornwall has found that he can take the Bible seriously in his ministry and yet avoid such controversial labels as inerrancy or infallibility Taking his vocabulary and direction from the work of Karl Barth he charts a course toward a serious study and use of scripture that embraces historical critical methodology but at the same time expects God to speak through the text in ways that will change our lives and minister to this postmodern age *What Every Christian Needs to Know About Passover* Rabbi Evan Moffic, 2015-02-03
