Why I Am Not A Seventh Day Adventist:

Why I Am a Seventh-Day Adventist Christian David E. Lawson, 2008 Drawing on an extensive experience as a pastor evangelist and administrator his knowledge of the teachings of the Word of God and his ability to present those teachings in a systematic readable manner Pastor David Lawson has written this book in order to address the question Why be a Seventh Day Adventist back cover Seventh-Day Adventists, Ellen G. White, and Salvation R. Van Orden, 2018-06-11 This book started out as an intense personal study by the author to evaluate and confirm his beliefs about God and salvation in regard to the teaching of the Seventh Day Adventist Church Why is it that so many Seventh Day Adventists do not have the assurance of salvation What criteria in the Bible and what specifically in Ellen G White's writings might lead someone to believe they were not fit for heaven that they did not qualify to be there that God would not forgive them and there was more required than just relying on Jesus's sacrifice to cover their sins If they did not meet a strict set of rules would God cast them aside in the end In this book you will find out just who are the saved who are the lost and what happens to them in the end and what end times will look like according to Ellen G White and the SDA Church The author estimates he has spent well in excess of ten thousand hours and has read over fifteen thousand pages of material over a seven year period in the preparation of this book It is the author's hope and prayer that this book will make the reader question not their belief in the saving grace of God and the loving sacrifice of Jesus but rather question anything that might have come between them and that grace **What Every Seventh-Day Adventist Should Know About the Shepherd's Rod** Garrick D.

Augustus, 2018-08-09 If you are a Seventh day Adventist Christian you have no doubt heard of The Shepherd's Rod a message of present truth and reform first presented to leaders of the Seventh day Adventist Church in the years 1929 and 1930 It has created much controversy In What Every Seventh day Adventist Should Know about The Shepherd's Rod author Garrick D Augustus brings to light the historic and the theological reasons behind the rejection of The Shepherd's Rod message It exposes the systematic misinformation as well as the willful manipulations of the facts surrounding Victor Houteff and the movement he began more than eight decades ago It provides clear and accurate answers to the questions raised against the Rod's message And it answers the objections church leaders have historically offered as proof against its bearing the credentials of inspiration Augustus fused the forensic methods of evidence analytics as well as the investigative method of internal evidence analysis to the claims brought against the message by the leaders of the Seventh day Adventist Church His research took him from the Heritage Library in Loma Linda California to The Biblical Research Committee in Silver Spring Maryland and beyond What Every Seventh day Adventist Should Know about The Shepherd's Rod journeys through the pages of history and helps to separate truth from propaganda It takes a fresh look at an old controversy that began in eternity past and has played itself out in the rank and file of Seventh day Adventism **New York Supreme Court Appellate Division Second Department , The Walther League Messenger** , 1922 *When Doctor's Can't* Dallas Smith, 2025-06-10 No

The Apocalyptic Vision and the Neutering of Adventism George R. Knight, 2008 The Seventh day Adventist Church was founded upon an apocalyptic message that needed to be preached to the entire world immediately and at any cost But does the church today preach that same message with the same urgency Has the Adventist Church become irrelevant because it has sought to be more relevant to the world Knight challenges us to go back to our roots to examine the prophecies that fueled the early Seventh day Adventists determination to evangelize the world
