Why Didn't I See Sooner:

Why didn't somebody tell me this sooner? Tiz A. Arnold, 2024-07-10 Do you think you're the only one who's been so embarrassed they wanted to hide? You're not. Think you're the only one who feels insert the name of any emotion here? I can promise you you're not. Think you just don't know how to study? We can fix that: there are research-backed tips to help you study and test better than you've probably never been taught. Think this life isn't really yours, that you're just taking up space in it or going through the motions? No way it's yours, and you have every right to own it. Think you just aren't good at talking to people or you're not likable? There are some simple strategies to help you overcome that. Life is really hard. Being a kid is hard, and being a teenager's even harder. How you navigate the challenges and struggles you face now will influence who you'll become and how you'll interact with others and the world around you for better or for worse. I struggled too, and for far longer than I should've. I've learned as an adult about so much research and so many strategies from the fields of psychology, sport psychology, positive psychology, resilience, and academics that would've helped me lead a better life sooner if only someone had known to tell me about them. Your mental habits get harder and harder to change the older you get, so starting to use these strategies early in life is much easier than waiting until your mental habits get totally hardwired into your brain.

Why Didn't You Come Sooner? Richard Varberg, 2009-06-01 Why Didn't You Come Sooner is an insightful and fascinating true life tale of 40 years of missionary service in the Philippines. Author Richard Varberg tells of his life through four decades adjusting to a new culture and climate, developing effective strategies for planting churches and equipping local pastors while also maintaining his own relationship with Jesus Christ through many trials and triumphs. Mr. Varberg sailed to the Philippines with his wife Elenor and their three-month-old son Paul in 1958, twelve years after the U.S. ceded its sovereignty over the region. With their Iowa farm behind them, the Varbergs raised five children overseas, three of which are still serving as missionaries in the Philippines. Impacted by the title query posed by a father grieving over the possibility that his son died without Christ before the gospel reached their village, Mr. Varberg gained a new resolve early in his ministry and an unforgettable account on reaching the unreached. Masbate Baptist Bible College and more than one hundred churches founded through the Varbergs' ministry continue today under Filipino leadership. **It's Not You** Ramani Durvasula PhD, 2024-02-20 INSTANT NEW YORK TIMES BESTSELLER From clinical psychologist and expert in narcissistic relationships, Dr. Ramani Durvasula, a guide to protecting and healing yourself from the daily harms of narcissism.
