City Centre Simon Halliday,2013-12-03 Simon Halliday has tackled everything that life has thrown at him be it on the rugby field or in the City He has been hit hard in his time now he is hitting back In his candid and lucidly written autobiography City Centre Simon Halliday a former England rugby international takes the reader on a roller coaster trip along Twickenham s corridors of power and lifts the lid on the departure of not one but two chief executives as the game s rulers fought among themselves for control of the RFU He is scathing about England s descent from World Cup heroes to zeroes after proving they were the best in 2003 He slams the game s rulers for driving Sir Clive Woodward out of the game and for eschewing the opportunity to welcome him back to Twickenham a few years later Halliday transcended the world of amateur and professional and he delivers a crushing analysis of the twin pressures of existing at the top of business and international sport In addition to analysing his rugby career City Centre is also a personal account of the fateful morning in September 2008 when Lehman Brothers collapsed triggering a global financial crisis Except that Halliday tells it from the inside on the trading floor where he worked with thousands of others Halliday also details the truth behind the ruthless mid 90s merger of the Swiss banking giants UBS and SBC and the appalling behaviour of Cr dit Suisse in their ill fated acquisition of his beloved DLJ at the end of the tech boom It was while he was playing for Bath s all conquering rugby team of the 1980s that the double Oxford Blue in cricket and rugby suffered a horrific injury a week before his England debut He

describes the injury and talks movingly about how he was able to put this into perspective while lying in his hospital bed That he played again is testament to his indomitable will and his reward was to wear the Red Rose of England In City Centre Halliday talks about some of the greatest players he has played with and against and provides a shrewd analysis of the genius coach Jack Rowell who transformed the fortunes of Bath turning them from a minor West Country club into one of the best outfits in Europe There are also assessments of Will Carling a close friend and the brilliant Jerry Guscott Today Halliday is a parton of Cardiac Risk in the Young CRY and Help For Heroes and used his business and sporting profile to raise awareness of both these charities This book does not pull punches Halliday talks honestly and unashamedly about key people in his playing and business careers This is an open book just like the man *Why Teams Underperform in a Day* John Wheeler, 2015-12-23 Maybe you re a rising business executive who s getting ready for your summer vacation and you re looking for something interesting to read Maybe you re just heading to Seattle for a sales conference and you need something to peruse on the plane Or maybe you re starting an MBA in the fall and you re wondering what books to read before you start Yes You feel you ought to read one of the latest business books This title is on of the series of management books published by OxfordCS Publications Our series of management Books cover everything from accounting principles to business strategy Each one has been written to provide you with the practical skills you need to succeed as a management professional All our Books for business professionals are written exclusively by experts within their fields Delve into subjects such as accounting self management human resource management and job searching This updated and expanded second edition of Book provides a user friendly introduction to the subject Taking a clear structural framework it guides the reader through the subject s core elements A flowing writing style combines with the use of illustrations and diagrams throughout the text to ensure the reader understands even the most complex of concepts This succinct and enlightening overview is a required reading for all those interested in the subject We hope you find this book useful in shaping your future career Business **School Reform and Related Issues** University/Urban Schools National Task Force (U.S.). Hub Perdue John A. Simpson, 2013-10-17 A strong armed devastating spitball pitcher from rural Tennessee who once won 16 games with the Boston Braves Hub Perdue is better remembered today as one of the clown princes of the Deadball Era Often compared with fellow player comedians Germany Schaefer Nick Altrock and Rabbit Maranville Perdue had a quick wit and a rebellious streak that amused teammates but sometimes led to conflicts with management and umpires Mix em up manager George Stallings had told him encouraging the weak hitting pitcher to take his at bats more seriously Perdue a right hander dutifully took his strikeouts from alternating sides of the plate His penchant for the subversive he was also a players union representative who freely dispensed advice on contracts and negotiation might in fact have curtailed what had been a promising big league career But his antics in the majors and minors became the stuff of legend known as Hublore
