

ABOUT THE ARTIST

Jan Roth, an

illustrator and
lover of all things
relating to nature

After discovering the amazing versatility of Concrete Madonnas another nature inspired project, if you ever thought you couldn't have to buy or make dolls this is a way to make your own Madonnas. This material is very unique for sculpture creating profound nature designs. I like to incorporate other items and the benefits of being lightweight, reusable. This is a project that developed over many years of working with concrete. "The only limits are your imagination."
