Gold Diggers and Silver Miners Marion S. Goldman,2025-08-14 In 1859 high grade silver bullion was discovered on the Comstock Lode In a twinkling Virginia City was transformed into a brawling boom town perched on a mountain of silver Twenty years later it virtually disappeared leaving behind played out mines tumbled down shanties and memories of those who sought their fortunes on the lode The fortune seekers were many miners and madams confidence men and dance hall girls The fast life was as stratified as any proper community ranging from expensively kept women to prostitutes living in cribs Laura Fair an elite member of the demimonde shot her protector and after a spectacular trial retired to live modestly in San Francisco Jessie Lester made a small fortune as a madam while middle rank prostitutes such as Julia Bulette died in debt At the lowest end of scale were celestial damsels nameless slave women brought from China to minister to the needs of Chinese workers

Chronicling it all was the cynical and lascivious pen of Alf Doten writer editor and bon vivant In Gold Diggers and Silver Miners sociologist Marion S Goldman provides a detailed account of prostitution on the Comstock Lode By considering sexual commerce in a community limited in space and time she explores general relationships between prostitution and society shedding light on sociological questions of importance today **The Medico-Pharmaceutical Critic and Guide** ,1911

of marriage seem to outweigh its joys at times and as some of these texts suggest maintaining a sense of humor in the face of what must have been great difficulty could have been no easy task The texts bridge generic categories Some are obscure written by anonymous authors others are familiar written by the likes of John Lydgate John Wyclif and William Dunbar Taken together they suggest that despite the fact that marriage had become a sacrament in the twelfth century and was increasingly recognized by ecclesiastical and secular authorities as a valuable social institution it was not always a stabilizing and orderly social force
