Horan-Kates,2017-01-27 A Journey Toward Surrender is a memoir describing how my view of leadership has evolved over fifty years Its a story in understanding a different and more freeing meaning of surrender From leading teams in government business and the non profit world I have developed an outlook that works The biggest challenge in leading comes down to one key necessitymanaging the ego If we could relinquish our ego investment the world would be a better and much more effective place I argue that there is a dynamic continuum or tension between responsibility and surrender that evolves throughout life and that to live well within this continuum one must realize that God is in control of the outcome In the end I contend that without a change of heart policy reforms are futile Without a deep assessment of ones moral character our actions will be based on what Scripture refers to as shifting sands Literary Afterlife Bernard A. Sacrifice W. J. Mc Cormack,2016-03-01 Enigmas of Sacrifice A Critique of Joseph M Plunkett and the Dublin Insurrection of 1916 is the first critical study of the religious poet and militarist Joseph M Plunkett who was executed with the other leaders

of the Dublin insurrection of 1916 Through Plunkett the author gains access to areas of nationalist thought that were more often assumed or repressed than publicly formulated In this eye opening book W J Mc Cormack explores and analyzes Plunkett s brief life work and influence beginning with his wealthy but dysfunctional family irregular Jesuit education and self canceling sexuality Mc Cormack continues through Plunkett s active phase when amateur theatricals and a magazine editorship brought him into the emergent neoneationalist discourse of early twentieth century Ireland Finally the author arrives at Holy Week 1916 when Plunkett masterminded the forgery of official documentation in order to provoke and justify the insurrection he planned Mc Cormack analyzes Plunkett s significant texts and provides context through critical perspectives on his milieu Enigmas of Sacrifice is unique in its effort to understand a major figure of Irish nationalism in terms that reach beyond political identity

To Hell and Back John Marzillier, 2012-08-16. Despite how rare one-off traumatic events may seem, the statistics show that the majority of us are likely to experience such trauma at some point in our lives. In this innovative and engaging book, Marzillier combines first-hand accounts from trauma sufferers with over forty years of clinical practice to provide an honest human description of how trauma affects us at the time and also after the event. Whether discussing accounts of terrorist bombings, natural disasters, road accidents, or physical attacks, he looks at what these experiences do to us and offers practical and consoling advice for both sufferers and their loved ones on coping with the experience and developing resilience for the future.
