evidence of a huge conspiracy has landed right in the reporter's lap But can Chi believe a single word he hears from the professional liar And why is the old spook so intent on introducing Chi to a woman who could expose the agent's dark past Over the course of 1 day Chi is faced with spies anarchists as tough as nails policewoman a highly valuable refrigerator and a very harsh truth He is a rank amateur in a world of dangerous professionals The Need for Fear is a companion novella to Strangled Silence

Rat Runners Oisín McGann, 2015-01-13 If you have nothing to hide you have nothing to fear Four young thieves one simple mission Steal a black leather box from the daughter of a murdered scientist without anyone noticing But WatchWorld controls London now and the organization knows everything Every major street is monitored with heat sensitive and X ray cameras Microphones record voices from hundreds of feet away and drones watch from the sky Patrolling the streets are Safe Guards part human and part robot they can see through walls hear your heartbeat and analyze your sweat But staying hidden is what Nimmo Scope Manikin and FX do best Using the city's blind spots they navigate the criminal underworld until they're caught in a rat run of murder and deceit that might not let them out alive

Irish Children's Literature and Culture Keith O'Sullivan, Valerie Coghlan, 2011-03-17 What constitutes a national literature is rarely straightforward and it is especially complex when discussing writing for young people in an Irish context Until recently there was only a slight body of work that could be classified as Irish children's literature whatever the parameters in comparison with Ireland's contribution to adult literature in the twentieth century This volume looks critically at Irish writing for children from the 1980s to the present examining the work of many writers and illustrators and engaging with all the major forms and genres Topics include the gothic the speculative picturebooks poetry post colonial discourse identity and ethnicity and globalization Modern Irish children's literature is also contextualized in relation to Irish mythology and earlier writings thereby demonstrating the complexity of this fascinating area The contributors who are leading experts in their fields examine a range of texts in relation to contemporary literary and cultural theory and also in relation to writing for adults thereby inviting a consideration of how well writing for a young audience can compare with writing for an adult one This groundbreaking work is essential reading for all interested in Irish literature childhood and children's literature
