With Strings Attached A Story:

With Strings Attached Frank Haggerty, 2015 **Strings Attached** Diane Dakers, 2017-02-21 Brielle and Tawni have played cello side by side in orchestras since they were nine years old Brielle has always played second chair to Tawni's first and she's been happy with that arrangement When Tawni is injured Brielle suddenly finds herself principal cellist Not only does that mean she'll be thrust into the spotlight but it also means she is now leader of the cello section Brielle is terrified Is she good enough Will the other musicians accept her What if she screws up Despite her fears Brielle rises to the occasion Her cello skills and her leadership skills improve as she grows into her new role But just as Brielle is beginning to feel confident Tawni returns And she wants her job back If Brielle steps down now she'll lose her place in the spotlight If she doesn't her friendship could be in jeopardy This short novel is a high interest low reading level book for middle grade readers who are building reading skills want a quick read or say they don't like to read The epub edition of this title is fully accessible

Emotional Structure, Creating the Story Beneath the Plot Peter Dunne, 2007 The leap from concept to final draft is great and the task is filled with hard work and horrors It is here that most writers struggle to get the plot right at the expense of the story's real power The result is a script that is logical in every way yet unmoving Emotional Structure by Emmy and Peabody Award winning producer writer and teacher Peter Dunne is for these times when the plot fits nicely into place like pieces in a puzzle yet an elemental terribly important something remains missing The missing piece won't be found by adding action you can't stir the soul with a car chase And the problem won't be helped by a change of location the only location that matters is deep in your protagonist The solution is to pay constant attention to the inseparable nature of plot development and emotional development When you create any scene whether it's a police pursuit on the interstate or a heart to heart in the kitchen the emotional reasoning behind the scene has to be evident When you develop the emotional current that sustains the action you create a scene with heart and soul and you and your viewers are going to feel the passion

Man in a Hurry and Other Fantasy Stories Alan Nelson, 2016-02-04 Alan Nelson was not a prolific writer and as far as I know he wrote or at least had published only short stories No novels However these stories are true gems They originally appeared in some of the most prestigious venues for short fiction of the 1940s and 1950s Many of Nelson's fantasy tales first appeared in The Magazine of Fantasy Science Fiction where they were very popular but his stories also appeared in Bluebook Weird Tales and even Cosmopolitan Wherever these appeared readers could always be assured that any Alan Nelson story would be something special something that would be great fun to read and eminently entertaining often thoughtful always wonderful GARY LOVISI **The Boatman: An Indian Love Story** John Burbidge, 2015-03-01 The six years John Burbidge spent in India as a community development worker changed him in many ways but one stands out from all the rest It led him to confront a deeply personal secret his attraction to his own sex After taking the plunge with masseurs on a Bombay beach he found himself on a rollercoaster ride of sexual adventuring A complicating factor in his journey of self

discovery was the tightly knit community in which he lived and worked with its highly regimented schedule and minimal privacy that forced him to live a double life Written with passion integrity and humour The Boatman is packed with incident anecdote adventure and above all real and memorable people Burbidge takes hold of India as few have done before deftly interweaving the search for selfhood with an intimate exploration of Indian life and society His story shows us how when we dare to immerse ourselves in a culture radically different from our own we may discover parts of ourselves we never knew existed

(Re)reading Ruth William A. Tooman,2022-03-03 The book of Ruth seems simple It is the tale of a poor Moabite widow who relocates to Bethlehem and finds security there when she marries Boaz a wealthy Israelite man Although the plot is simple the book s message is elusive Re reading Ruth demonstrates how careful attention to the book s structure allusions wordplay and location in the canon can reveal the dynamic ways that it engages with other biblical stories and how that engagement shapes its message
