Wives And Daughters The Women Of Sixteenth Century England

Catharina Regina von Greiffenberg

Wives And Daughters The Women Of Sixteenth Century England:

Wives and Daughters Kathy Lynn Emerson, 1984 Sixteenth century England was scarcely a paradise for anyone by modern standards Yet despite huge obstacles many sixteenth century women achieved personal success and even personal wealth This is a resource for all interested in this time period *A Woman Who Defends All the Persons of Her Sex* Gabrielle Suchon, 2010-05-15 During the oppressive reign of Louis XIV Gabrielle Suchon 1632 1703 was the most forceful female voice in France advocating women s freedom and self determination access to knowledge and assertion of authority This volume collects Suchon s writing from two works *Treatise on Ethics and Politics* 1693 and *On the Celibate Life Freely Chosen or Life without Commitments* 1700 and demonstrates her to be an original philosophical and moral thinker and writer Suchon argues that both women and men have inherently similar intellectual corporeal and spiritual capacities which entitle them equally to essentially human prerogatives and she displays her breadth of knowledge as she harnesses evidence from biblical classical patristic and contemporary secular sources to bolster her claim Forgotten over the centuries these writings have been gaining increasing attention from feminist historians students of philosophy and scholars of seventeenth century French literature and culture This translation from Domna C Stanton and Rebecca M Wilkin marks the first time these works will appear in English **Jewish Poet and Intellectual in Seventeenth-Century Venice** Sarra Copia Sulam, 2009-11-15 The first Jewish woman to leave her mark as a writer and intellectual Sarra Copia Sulam 1600 41 was doubly tainted in the eyes of early modern society by her religion and her gender This remarkable woman who until now has been relatively neglected by modern scholarship was a unique figure in Italian cultural life opening her home in the Venetian ghetto to Jews and Christians alike as a literary salon For this bilingual edition Don Harr n has collected all of Sulam s previously scattered writings letters sonnets a Manifesto into a single volume Harr n has also assembled all extant correspondence and poetry that was addressed to Sulam as well as all known contemporary references to her making them available to Anglophone readers for the first time Featuring rich biographical and historical notes that place Sulam in her cultural context this volume will provide readers with insight into the thought and creativity of a woman who dared to express herself in the male dominated overwhelmingly Catholic Venice of her time *Debate of the Romance of the Rose* David F. Hult, 2010-04-15 In 1401 Christine de Pizan 1365a 1430 wrote a letter to the provost of Lille criticizing the highly popular Romance of the Rose for its unwarranted misogynistic depictions of women Here Hult collects debate documents letters and excerpts from other works of Pizan including one from *City of Ladies* a her major defense of women [Documents of Shakespeare's England](#) John A. Wagner, 2019-10-01 This engaging collection of over 60 primary document selections sheds light on the personalities issues events and ideas that defined and shaped life in England during the years of Shakespeare s life and career Documents of Shakespeare s England contains more than 60 primary document selections that will help readers understand all aspects of life in Elizabethan and Jacobean England The book is divided into 12 topical sections such as Politics and Parliament

London Life and Queen and Court which offer five document selections each Each document is preceded by a detailed introduction that puts the selection into historical context and explains why it is important A general introduction and chronology help readers understand Shakespeare s England in broad terms and see connections causes and consequences Bibliographies of current and useful print and electronic information resources accompany each document and a general bibliography lists seminal works on Shakespeare s England This is an engaging and accurate introduction to the England of William Shakespeare told in the words of those who experienced it *Voices of Shakespeare's England* John A.

Wagner,2010-02-09 *Voices of Shakespeare s England* offers students and public library patrons over 50 primary documents that illuminate the character personalities and events of the Elizabethan and Jacobean periods *Voices of Shakespeare s England Contemporary Accounts of Elizabethan Daily Life* helps readers explore the era that produced among other things the world s greatest playwright It brings together excerpts from over 50 primary documents written in William Shakespeare s lifetime including letters literature speeches and polemics official reports and descriptive narratives *Voices of Shakespeare s England* includes the works of Shakespeare himself as well as other poets and playwrights but it also expands beyond the literary world to cover politics religion economics social change and the royal court By allowing Shakespeare s contemporaries to speak in their own voices it offers an illuminating look at the breadth of Elizabethan society including major historic events in England as well as Scotland Ireland the European continent and even the new world of America

Selected Philosophical and Scientific Writings Emilie Du Châtelet,2009-09-15 Though most historians remember her as the mistress of Voltaire Emilie Du Châtelet 1706-49 was an accomplished writer in her own right who published multiple editions of her scientific writings during her lifetime as well as a translation of Newton s *Principia Mathematica* that is still the standard edition of that work in French Had she been a man her reputation as a member of the eighteenth century French intellectual elite would have been assured In the 1970s feminist historians of science began the slow work of recovering Du Châtelet s writings and her contributions to history and philosophy For this edition Judith P Zinsser has selected key sections from Du Châtelet s published and unpublished works as well as related correspondence part of her little known critique of the Old and New Testaments and a treatise on happiness that is a refreshingly uncensored piece of autobiography making all of them available for the first time in English The resulting volume will recover Châtelet s place in the pantheon of French letters and culture *Sonnet Sequences and Social Distinction in Renaissance England* Christopher Warley,2005-07-28 Why were sonnet sequences popular in Renaissance England In this study Christopher Warley suggests that sonneteers created a vocabulary to describe and to invent new forms of social distinction before an explicit language of social class existed The tensions inherent in the genre between lyric and narrative between sonnet and sequence offered writers a means of reconceptualizing the relation between individuals and society a way to try to come to grips with the broad social transformations taking place at the end of the sixteenth century By stressing the struggle over social

classification the book revises studies that have tied the influence of sonnet sequences to either courtly love or to Renaissance individualism Drawing on Marxist aesthetic theory it offers detailed examinations of sequences by Lok Sidney Spenser Shakespeare and Milton It will be valuable to readers interested in Renaissance and genre studies and post Marxist theories of class

Meditations on the Incarnation, Passion, and Death of Jesus Christ Catharina Regina von Greiffenberg, 2010-04-15 Read by Protestants and Catholics alike Catharina Regina von Greiffenberg 1633 94 was the foremost German woman poet and writer in the seventeenth century German speaking world Privileged by her social station and education she published a large body of religious writings under her own name to a reception unequalled by any other German woman during her lifetime But once the popularity of devotional writings as a genre waned Catharina's works went largely unread until scholars devoted renewed attention to them in the twentieth century For this volume Lynne Tatlock translates for the first time into English three of the thirty six meditations restoring Catharina to her rightful place in print These meditations foreground women in the life of Jesus Christ including accounts of women at the Incarnation and the Tomb and in Scripture in general Tatlock's selections give the modern reader a sense of the structure and nature of Catharina's devotional writings highlighting the alternative they offer to the male centered view of early modern literary and cultural production during her day and redefining the role of women in Christian history

The Complete Poems Gaspara Stampa, 2010-10-15 Gaspara Stampa 1523 1554 is one of the finest female poets ever to write in Italian Although she was lauded for her singing during her lifetime her success and critical reputation as a poet emerged only after her verse was republished in the early eighteenth century Her poetry runs the gamut of human emotion ranging from ecstasy over a consummated love affair to despair at its end While these tormented works and their multiple male addressees have led to speculation that Stampa may have been one of Venice's famous courtesans they can also be read as a rebuttal of typical assumptions about women's roles Championed by Rainer Maria Rilke among others she has more recently been celebrated by feminist scholars for her distinctive and original voice and her challenge to convention The first complete translation of Stampa into English this volume collects all of her passionate and lyrical verse It is also the first modern critical edition of her poems and in restoring the original sequence of the 1554 text it allows readers the opportunity to encounter Stampa as she intended Jane Tylus renders Stampa's verse in precise and graceful English translations allowing a new generation of students and scholars of poetry Renaissance literature and music history to rediscover this incipiently modern Italian poet

Ashgate Critical Essays on Women Writers in England, 1550-1700 Micheline White, 2017-05-15 Anne Lock Isabella Whitney and Aemilia Lanyer have emerged as important literary figures in the past ten years and scholars have increasingly realized that their bold and often unorthodox works challenge previously held conceptions about women's engagement with early modern secular and religious literary culture This volume collects some of the most influential and innovative essays that elucidate these women's works from a wide range of feminist literary aesthetic economic racial sexual and theological

perspectives The volume is prefaced by an extended editorial overview of scholarship in the field *A Biographical Encyclopedia of Early Modern Englishwomen* Carole Levin, Anna Riehl Bertolet, Jo Eldridge Carney, 2016-11-03 From the exemplary to the notorious to the obscure this comprehensive and innovative encyclopedia showcases the worthy women of early modern England Poets princesses or pirates the women found in these pages are indeed worth knowing and this volume will introduce many female figures to even the most established scholars in the field The book is well illustrated and liberally sprinkled with quotations either by or about the women in the text

How to Write Killer Historical Mysteries Emerson Kathy Lynn, 2019-06-11 The core of the book is Emerson's personal take on writing and selling historical mysteries but it also includes contributions from over forty other historical mystery writers practical advice anecdotes and suggestions for research and input from assorted editors booksellers and reviewers For both historical mystery writers and readers This book embodies its subtitle The Art Adventure of Sleuthing Through the Past Veteran author Emerson published her first mystery twenty three years ago and this is her thirty sixth published book It draws on her experience in researching writing selling and sustaining both her Lady Appleton series Elizabethan England and her Diana Spaulding series 1880s U S This unique reference book also includes the contributions of more than forty other historical mystery writers Their books backgrounds and settings are as diverse as Ancient Egypt and Rome antebellum New Orleans early Constantinople Jazz Age England and Australia Depression era California turn of the century New York Victorian England and eighteenth century Venice

Enrico; or, Byzantium Conquered Lucrezia Marinella, 2009-09-15 Lucrezia Marinella 1571 1653 is by all accounts a phenomenon in early modernity a woman who wrote and published in many genres whose fame shone brightly within and outside her native Venice and whose voice is simultaneously original and reflective of her time and culture In *Enrico or Byzantium Conquered* one of the most ambitious and rewarding of her numerous narrative works Marinella demonstrates her skill as an epic poet Now available for the first time in English translation *Enrico* retells the story of the conquest of Byzantium in the Fourth Crusade 1202 04 Marinella intersperses historical events in her account of the invasion with numerous invented episodes drawing on the rich imaginative legacy of the chivalric romance Fast moving colorful and narrated with the zest that characterizes Marinella's other works this poem is a great example of a woman engaging critically with a quintessentially masculine form and subject matter writing in a genre in which the work of women poets was typically shunned

Women and Gender in Early Modern Europe Merry E. Wiesner, 2008-08-04 The third edition of Merry Wiesner Hanks prize winning book incorporates the newest scholarship and features a new chapter on gender and race in the colonial world expanded coverage of eighteenth century developments including the Enlightenment and enhanced discussions of masculinity single women same sex relations humanism and women's religious roles

Women of Unrest: England's Revolutionary Spirit Pasquale De Marco, 2025-04-10 In the tumultuous era of England's 17th century a time of civil war and religious upheaval women emerged from the shadows of societal constraints to ignite the flames of change

Women of Unrest England's Revolutionary Spirit unveils the captivating stories of these extraordinary individuals who dared to challenge norms, defy expectations, and leave an indelible mark on history. This book is a testament to the indomitable spirit of women throughout history. Through meticulous research and vivid storytelling, it brings to life the struggles, triumphs, and legacies of these remarkable women. Readers will journey through the lives of preachers, poets, pamphleteers, and politicians, as well as wives, mothers, and daughters who found their voices amidst the chaos of their time. Their writings, speeches, and actions echoed through the streets of London and reverberated across the countryside, challenging the foundations of a patriarchal society. They demanded equality, justice, and the right to participate fully in the shaping of their nation's destiny. Their courage and resilience continue to inspire generations, reminding us of the transformative power of women's leadership and activism. Women of Unrest is a timely reminder that the fight for equality and justice is an ongoing journey, one that requires the collective efforts of women and men alike. It is a clarion call to action, urging us to embrace the spirit of these revolutionary women and continue their work towards a more just and equitable world. Within these pages, readers will find stories of women who defied adversity and shattered stereotypes. They will encounter women who challenged religious authority, fought for political rights, and advocated for social change. Their unwavering determination and unwavering commitment to their beliefs will leave readers inspired and empowered. Women of Unrest is a celebration of women's achievements and a recognition of the challenges they faced. It is a powerful narrative that sheds light on a fascinating period of history and the women who helped shape it. This book is a must-read for anyone interested in women's history, social justice, or the enduring legacy of the human spirit. If you like this book, write a review.

Historical Dictionary of the Elizabethan World John A. Wagner, 2000. Provides clear definitions and descriptions of people, events, institutions, ideas, and terminology relating in some significant way to the Elizabethan period. The first dictionary of history to focus on Elizabeth's reign.

Women and Politics in Early Modern England, 1450-1700 James Daybell, 2004. A blend of traditional Tudor history and insights from feminist theory, this volume is not a definitive study of women and politics. Rather, it presents essays that are concerned with socially elite women, well-connected aristocrats, and literate women of the middling sort during the early modern period.

Women of the English Renaissance and Reformation Retha M. Warnicke, 1983-04-28. Warnicke has written an excellent monograph dealing with an inordinately neglected topic: the education of English women during the Tudor and early Stuart eras. Her approach, a generational one, is both perceptive and insightful. She carefully identifies the women and discusses the reasons and nature of their education, as well as their accomplishments. Equally masterful is her successful integration of the subject with the major historical, ecclesiastical, political, and social currents of the time.

Women and Gender in Early Modern Europe Merry E. Wiesner-Hanks, Merry E. Wiesner, 2019-01-24. This new edition of Merry E. Wiesner-Hanks's prize-winning survey features significant changes to reflect the newest scholarship in every chapter.
