The Translator as Writer Susan Bassnett, Peter Bush, 2007-11-15 Over the last two decades interest in translation around the world has increased beyond any predictions International bestseller lists now contain large numbers of translated works and writers from Latin America Africa India and China have joined the lists of eminent bestselling European writers and those from the global English speaking world Despite this translators tend to be invisible as are the processes they follow and the strategies they employ when translating The Translator as Writer bridges the divide between those who study translation and those who produce translations through essays written by well known translators talking about their own work as distinctive creative literary practice The book emphasises this creativity arguing that translators are effectively writers or rewriters who produce works that can be read and enjoyed by an entirely new audience The aim of the book is to give a proper prominence to the role of translators and in so doing to move attention back to the act of translating away from more abstract speculation about what translation might involve Postcolonial Literature Pramod K. Representing Jihad Jacqueline O'Rourke, 2012-08-09 The jihad has been at the centre of the West's securitization discourse for more than a decade. Theorists constantly use the jihadist as a discursive tool to further their neoliberal military and market agendas, perpetuating massive gaps of understanding between the West and Muslims and jihadists themselves. They are helped by Muslim interlocutors who all too often play the role of good Muslims explaining the motifs of the bad Muslims. This timely book argues that Muslim theory and fiction has been significantly commodified to cater to the needs of western ideology. It skillfully critiques the ideological contradictions of the debate around the jihadist by offering a comprehensive analysis of Muslim and non-Muslim cultural critics. Ranging from Edward Said to Slavoj Žižek, from Don DeLillo to Orhan Pamuk and from Mohammed Siddique Khan to Osama bin Laden, this vastly heterogeneous discourse produces a multi-dimensional Muslim response. O'Rourke examines some of its critical fault lines in postcolonial theory and literary analysis. This groundbreaking book argues that the temptation to appropriate the figure of the jihadist offers a fertile area from which to launch a discussion about the limits of current theory.

The Swallows of Kabul Yasmina Khadra, 2007-12-18 Set in Afghanistan's capital city of Kabul, this extraordinary novel puts a human face on the suffering inflicted by the Taliban. San Francisco Chronicle taking readers into the seemingly divergent lives of two couples and depicting with compassion and exquisite details the mentality of Islamic fundamentalists and the complexities of the Muslim world. Mohsen comes from a family of wealthy shopkeepers whom the Taliban has destroyed. Zunaira, his wife, exceedingly beautiful, was once a brilliant teacher and is now no longer allowed to leave her home without an escort or covering her face. Intersecting their world is Atiq, a prison keeper, a man who has sincerely adopted the Taliban ideology and struggles to keep his faith, and his wife Musarrat, who once rescued Atiq and is now dying of sickness and despair. Desperate, exhausted, Mohsen wanders through Kabul when he is surrounded by a crowd about to stone an adulterous woman. Numbed by the hysterical atmosphere and drawn into their rage, he too throws stones at the face of the condemned woman buried up to her waist. With this gesture, the lives of all four protagonists move toward their destinies. Yasmina Khadra brings readers into the hot, dusty streets of Kabul and offers them an unflinching but compassionate insight into a society that violence and hypocrisy have brought to the edge of despair.
