## **Women And Men In Renaissance Venice Twelve Essays On Patrician Society:**

Women and Men in Renaissance Venice Stanley Chojnacki, 2000-04-03 Because limited family resources favored some daughters marriage prospects at the expense of their sisters the family and marriage practices of the Venetian nobles led to a range of vocations for women as well as for men

**The Dogressa of Venice, 1200-1500** H. Hurlburt, 2016-09-27 This book focuses on the identity and public personae of the dogressa wives of the elected doges of medieval and early modern Venice The study traces the evolution of the public functions of the group of quasi royal wives rare for their visibility during Venice s development into a regional economic and political power

**Marriage, Manners and Mobility in Early Modern Venice** Dr Alexander Cowan, 2013-06-28 Throughout history marriage has been used as a method of creating and strengthening bonds between elites and the societies over which they ruled Nowhere is this more apparent than in early modern Venice where members of the patriciate looked to marital alliances with outsider brides to help maintain their position and social distinction in a fluid society This book explores the parameters of upward social mobility contemporary evaluations of social status and moral behaviour and the place of marriage and concubinage within patrician society Drawing heavily on the records of the Avogaria di Comun which had the task of examining the social backgrounds and moral reputations of women from outside the patriciate who wished to marry patricians this study provides a fascinating reconstruction of Venetian society as it was seen by individuals at every level

**Routledge Revivals: Women and Gender in Medieval Europe (2006)** Margaret Schaus, 2017-07-12 First published in 2006 Women and Gender in Medieval Europe examines the daily reality of medieval women from all walks of life in Europe between 450 CE and 1500 CE This reference work provides a comprehensive understanding of many aspects of medieval women and gender such as art economics law literature sexuality politics philosophy and religion as well as the daily lives of ordinary women Masculinity in the middle ages is also addressed to provide important context for understanding women s roles Additional up to date bibliographies have been included for the 2016 reprint Written by renowned international scholars and easily accessible in an A to Z format students researchers and scholars will find this outstanding reference work to be a valuable resource on women in Medieval Europe

**Women in the Lusophone World in the Middle Ages and the Early Modern Period** Darlene Abreu-Ferreira, Ivana Elbl, 2007-11-20 The present collection echoes and contributes to a number of the issues defined by both the traditional and revisionist historiography The intent of this special issue of the Portuguese Studies Review was to highlight some of the new research on late medieval and early modern Portuguese women subjects typically situated outside of the academic mainstream and to complement the four major collections on the history of Portuguese women published since 1986 as well as the larger literature dealing with Spain The essays are organized into six general themes Female Characters in Late Medieval Chronicles Women and Power in the Late Middle Ages Habsburg Queens and Portugal Women and the Economy Attitudes Toward Women and Women and Religion The volume presents essays by Am lia P Hutchinson Jos

Valente Jutta Sperling Ivana Elbl Susannah C Humble Ferreira Felix Labrador Arroyo Annemarie Jordan Almudena Perez de Tudela Amalia Polnia Amndio Jorge Morais Barros Darlene Abreu Ferreira Pedor Miguel Reboredo Marques Marcia Eliane Alves de Souza e Mello Jessiva V Roitman In s Amorim Elisbete de Jesus and C lia Rego and Haruko Nawata Ward with an Introduction by Darlene Abreu Ferreira and Ivana Elbl The volume also contains an Addendum on the Portuguese Estado Novo with studies by Sonny B Davis and Antonio Mu oz S nchez

*Women and Gender in Medieval Europe* Margaret C. Schaus, 2006-09-20 From women s medicine and the writings of Christine de Pizan to the lives of market and tradeswomen and the idealization of virginity gender and social status dictated all aspects of women s lives during the middle ages A cross disciplinary resource *Women and Gender in Medieval Europe* examines the daily reality of medieval women from all walks of life in Europe between 450 CE and 1500 CE i e from the fall of the Roman Empire to the discovery of the Americas Moving beyond biographies of famous noble women of the middles ages the scope of this important reference work is vast and provides a comprehensive understanding of medieval women s lives and experiences Masculinity in the middle ages is also addressed to provide important context for understanding women s roles Entries that range from 250 words to 4 500 words in length thoroughly explore topics in the following areas Art and Architecture Countries Realms and Regions Daily Life Documentary Sources Economics Education and Learning Gender and Sexuality Historiography Law Literature Medicine and Science Music and Dance Persons Philosophy Politics Political Figures Religion and Theology Religious Figures Social Organization and Status Written by renowned international scholars *Women and Gender in Medieval Europe* is the latest in the Routledge Encyclopedias of the Middle Ages Easily accessible in an A to Z format students researchers and scholars will find this outstanding reference work to be an invaluable resource on women in Medieval Europe

*Venice Triumphant* Elisabeth Crouzet-Pavan, 2005-03-23 A group of senior citizens decide to move in together in *All Together* a French language comedy from director Stephanie Robelin When Claude Claude Rich suffers an injury while trying to climb steps in order to meet a woman for a liaison he and his friends who are all suffering from some age related malady decide to move in together and hire a graduate student to look out for them Among the new co tenants are the senile Albert Pierre Richard and his wife the outgoing Jeanne Jane Fonda who herself is fighting cancer Also living with them is Jean Guy Bedos a onetime social crusader who enjoys the wealth he s acquired with his wife Annie Geraldine Chaplin who wants nothing more than to visit with her children and grandchildren As they adjust to their new living arrangements old jealousies and hurts resurface forcing everyone to reconsider how they want to spend their golden years Perry Seibert Rovi

**The Oxford Handbook of Women and Gender in Medieval Europe** Judith M. Bennett, Ruth Mazo Karras, 2013-08-22 Provides a comprehensive overview of the gender rules encountered in Europe in the period between approximately 500 and 1500 C E

[A Companion to Late Medieval and Early Modern Milan](#), 2014-11-27 Milan was for centuries the most important center of economic ecclesiastical and political power in Lombardy As the State of Milan it extended in the Renaissance over a large part of

northern and central Italy and numbered over thirty cities with their territories A Companion to Late Medieval and early Modern Milan examines the story of the city and State from the establishment of the duchy under the Visconti in 1395 through to the 150 years of Spanish rule and down to its final absorption into Austrian Lombardy in 1704 It opens up to a wide readership a well documented synthesis which is both fully informative and reflects current debate 20 chapters by qualified and distinguished scholars offer a new and original perspective with themes ranging from society to politics music to literature the history of art to law the church to the economy Contributors are Giuliana Albini Giancarlo Andenna Jane Black Stefano D'Amico Alessandra Dattero Massimo Della Misericordia Giuliano Di Bacco Claudia Di Filippo Federico Del Tredici Andrea Gamberini Christine Getz T J Kuehn Germano Maifreda Patrizia Mainoni Alessandro Morandotti Simona Mori Serena Romano Giovanna Tonelli Massimo Zagaglia

**The Venetian Origins of the Commedia dell'Arte** Peter Jordan, 2013-12-13 The Venetian Origins of the Commedia dell'Arte is a striking new enquiry into the late Renaissance stirrings of professional secular comedy in Venice and their connection to the development of what came to be known as the Commedia dell'Arte The book contends that through a symbiotic collaboration between patrician amateurs and plebeian professionals innovative forms of comedy developed in the Venice region fusing high and low culture in a provocative mix that had a truly mass appeal Rich with anecdotes diary entries and literary often ribald comic passages Peter Jordan's central argument has important implications for the study of Venetian art popular theatre and European cultural history

**Urania** Giulia Bigolina, 2007-11-01 Presented for the first time in a critical English edition Urania A Romance provides modern readers with a rare glimpse into the novel and novella forms at a time when narrative genres were not only being invented but in the hands of women like Giulia Bigolina 1518-1569 used as vehicles for literary experimentation The first known prose romance written by a woman in Italian Bigolina's Urania centers on the monomaniacal love of a female character falling into melancholy when her beloved leaves her for a more beautiful woman A tale that includes many of the conventions that would later become standards of the genre cross dressing travel epic skirmishes and daring deeds Urania also contains the earliest treatise on the worth of women Also included in this volume the novella Giulia Camposampiero is the only extant part of a probable longer narrative written in the style of the Decameron While employing some of those same gender and role reversals as Urania including the privileging of heroic constancy in both men and women it chronicles the tribulations that a couple undergoes until their secret marriage is publicly recognized

**Sibling Relations and Gender in the Early Modern World** Naomi J. Miller, Naomi Yavneh, 2017-05-15 While the relationships between parents and children have long been a staple of critical inquiry bonds between siblings have received far less attention among early modern scholars Indeed until now no single volume has focused specifically on relations between brothers and sisters during the early modern period nor do many essays or monographs address the topic The essays in Sibling Relations and Gender in the Early Modern World focus attention on this neglected area exploring the sibling dynamics that shaped family relations from the fifteenth through

the seventeenth centuries in Italy England France Spain and Germany Using an array of feminist and cultural studies approaches prominent scholars consider sibling ties from a range of interdisciplinary perspectives including art history musicology literary studies and social history By articulating some of the underlying paradigms according to which sibling relations were constructed the collection seeks to stimulate further scholarly research and critical inquiry into this fruitful area of early modern cultural studies

*Communities and Crisis* Shona Kelly Wray, 2009 Bologna is well known for its powerful university and notariate of the thirteenth century but the fourteenth century city is less studied This work redresses the imbalance in scholarship by examining social and economic life at mid fourteenth century particularly during the epidemic of plague the Black Death of 1348 Arguing against medieval chroniclers accounts of massive social political and religious breakdown this examination of the immediate experience of the epidemic based on notarial records including over a thousand testaments demonstrates resilience during the crisis The notarial record reveals the activities and decisions of large numbers of individuals and families in the city and provides a reconstruction of the behavior of clergy medical practitioners government and neighborhood officials and notaries during the epidemic

*Memoirs of the Life of Henriette-Sylvie de Moliere* Madame de Villedieu, 2007-11-01 Known as Madame de Villedieu Marie Catherine Desjardins ca 1640 83 was a prolific writer who played an important role in the evolution of the early modern French novel One of the earliest women to write for a living she defied cultural convention by becoming an innovator and appealing to popular tastes through fiction drama and poetry *Memoirs of the Life of Henriette Sylvie de Moliere* a semi autobiographical novel portrays an enterprising woman who writes the story of her life a complex tale that runs counter to social expectations and novelistic conventions A striking work the story skillfully mixes real events from the author's life with fictional adventures At a time when few women published Villedieu's *Memoirs* is a significant achievement in creating a voice for the early modern woman writer Produced while the French novel form was still in its infancy it should be welcomed by any scholar of women's writing or the early development of the novel

**Children and Sexuality** G. Rousseau, 2007-12-14 *Children and Sexuality* probes the hidden relations between children and sexuality in case studies from the Greeks to the Great War The lives reconstructed here extend from Greek Alcibiades to Lewis Carroll and Baden Powell each recounted with scrupulous vigilance to detail and nuance

**Dialogues and Addresses** Madame de Maintenon, 2007-11-01 Born Fran oise d Aubign a criminal's daughter reduced to street begging as a child Madame de Maintenon 1653 1719 made an improbable rise from impoverished beginnings to the summit of power as the second secret wife of Louis XIV An educational reformer Maintenon founded and directed the celebrated academy for aristocratic women at Saint Cyr This volume presents the dialogues and addresses in which Maintenon explains her controversial philosophy of education for women Denounced by her contemporaries as a political schemer and religious fanatic Maintenon has long been criticized as an opponent of gender equality The writings in this volume faithfully reflect Maintenon's respect for social hierarchy and her stoic call for women to accept the duties of

their state in life But the writings also echo Maintenon's more feminist concerns the need to redefine the virtues in the light of women's experience the importance of naming the constraints on women's freedom and the urgent need to remedy the scandalous neglect of the education of women In her writings as well as in her own model school at Saint Cyr Maintenon embodies the demand for educational reform as the key to the empowerment of women at the dawn of modernity

**Scanderbeide** Margherita Sarrocchi,2007-11-01 The first historical heroic epic authored by a woman Scanderbeide recounts the exploits of fifteenth century Albanian warrior prince George Scanderbeg and his war of resistance against the Ottoman sultanate Filled with scenes of intense and suspenseful battles contrasted with romantic episodes Scanderbeide combines the action and fantasy characteristic of the genre with analysis of its characters motivations In selecting a military campaign as her material and epic poetry as her medium Margherita Sarrocchi 1560-1617 not only engages in the masculine subjects of political conflict and warfare but also tackles a genre that was until that point the sole purview of men First published posthumously in 1623 Scanderbeide reemerges here in an adroit English prose translation that maintains the suspense of the original text and gives ample context to its rich cultural implications Flori, a Pastoral Drama Maddalena

Campiglia,2007-11-01 One of the first pastoral dramas published by an Italian woman Flori is Maddalena Campiglia's most substantial surviving literary work and one of the earliest known examples of secular dramatic writing by a woman in Europe Although acclaimed in her day Campiglia 1553-95 has not benefited from the recent wave of scholarship that has done much to enhance the visibility and reputation of contemporaries such as Isabella Andreini Moderata Fonte and Veronica Franco As this bilingual first ever critical edition of Flori illustrates this neglect is decidedly unwarranted Flori is a work of great literary and cultural interest noteworthy in particular for the intensity of its focus on the experiences and perceptions of its female protagonists and their ideals of female autonomy Flori will be read by those involved in the study of early modern literature and drama women's studies and the study of gender and sexuality in this period Women and Authority in Early

Modern Spain Allyson M. Poska,2005-12-08 Using a wide array of archival documentation including Inquisition records wills dowry contracts folklore and court cases Poska examines how early modern Spanish peasant women asserted and perceived their authority within the family and community and how the large numbers of female headed households in the region functioned in the absence of men **The Court Midwife** Justine Siegemund,2007-11-01 First published in 1690 The Court

Midwife made Justine Siegemund 1636-1705 the spokesperson for the art of midwifery at a time when most obstetrical texts were written by men More than a technical manual The Court Midwife contains descriptions of obstetric techniques of midwifery and its attendant social pressures Siegemund's visibility as a writer midwife and proponent of an incipient professionalism accorded her a status virtually unknown to German women in the seventeenth century Translated here into English for the first time The Court Midwife contains riveting birthing scenes sworn testimonials by former patients and a brief autobiography
