Understanding Police Culture Second Edition 2nd Second By Crank John P 2004 Paperback:

Understanding Police Culture John P. Crank, 2014-09-25 Police culture has been widely criticized as a source of resistance to change and reform and is often misunderstood This book seeks to capture the heart of police culture including its tragedies and celebrations and to understand its powerful themes of morality solidarity and common sense by systematically integrating a broad literature on police culture into middle range theory and developing original perspectives about many aspects of police work

Understanding Police Culture John P. Crank, 2010-04-08 Police culture has been widely criticized as a source of resistance to change and reform and is often misunderstood This book seeks to capture the heart of police culture including its tragedies and celebrations and to understand its powerful themes of morality solidarity and common sense by systematically integrating a broad literature on police culture into middle range theory and developing original perspectives about many aspects of police work The first section addresses the definition of culture and the understanding of police culture while section two moves on to themes of police culture

Controversies in Policing Quint C. Thurman, Andrew Giacomazzi, 2010-04-06 This book of original essays presents controversial topics then encourages the readers to consider what they think ought to be done The selections identify several of the existing issues in policing about which something needs to be done then they present various viewpoints on possible solutions This is done against the backdrop of an era of significant change in worldwide security post 9 11 that has caused major changes in the manner in which the U S conducts its political social and economic affairs Chapter review questions provide an opportunity to synthesize the material from the chapters

Controversies in Policing Quint Thurman, Andrew Giacomazzi, 2014-09-25 This book of original essays presents controversial topics then encourages the readers to consider what they think ought to be done The selections identify several of the existing issues in policing about which something needs to be done then they present various viewpoints on possible solutions This is done against the backdrop of an era of significant change in worldwide security post 9 11 that has caused major changes in the manner in which the U S conducts its political social and economic affairs

Critical Issues in Policing Roger G. Dunham, Geoffrey P. Alpert, Kyle D. McLean, 2020-07-01 The eighth edition of this comprehensive collection includes carefully chosen articles with fresh perspectives on the most current trends in policing Critical Issues in Policing provides ready access to the brightest minds in the field of policing The 36 contributions sharpen understanding of the intricacies of police work and encourage readers to change from holding the police responsible for crime rates to holding them accountable for specific goals tasks and objectives The new edition continues its authoritative insightful coverage of complex elements of policing and presents vivid and pragmatic illustrations of law enforcement issues The anthology offers an alternative to traditional policing texts It covers philosophies of policing that guide discussions about police culture police misconduct use of force operational concerns and technological innovations
