understanding God's unfolding plan **Understanding the End Times** Bob Yandian, 2013-05-13 A Last Days Play by Play for the Christian Countless books have been written that link current events to end time scriptures predicting the soon return of Jesus But too often Christians have devalued the Bible message by predicting an Antichrist who dies or by predicting dates that come and go with no Jesus Bob Yandian Bible scholar and veteran pastor of more than 30 years says the whole point is to focus on God's unchanging plan not news headlines In Understanding the End Times Bob points out that while we have every reason to believe Jesus coming is imminent we need to focus on understanding God's plan for the ages by weaving together biblical prophecies and interpreting world events in light of it With straightforward scriptural teaching Bob outlines The Rapture of the Church The Judgment Seat of Christ The Tribulation Daniel's 70th week The Second Coming Dispensational truths The Millennial Reign FAQs Don't be concerned or confused about what's coming in the world This teaching will make it clear that the Bible does not line up with the world the world must line up with the Bible Christian look up to see that your redemption is closer than ever The Last Days Dr. William N. Glover S.T.D, 2016-06-25 Within the last

pages of the Bible lies the story of the revelation of Jesus Christ as told to Apostle John While unveiling a chain of events foretold to precede and accompany the Messiah's return to Earth the book of Revelation also addresses the seven churches in Asia Minor that represent intriguing periods in church history Dr William Glover who first became interested in Revelation while attending college in New York explains the symbolism of the book while highlighting the methods God will use to accomplish his goals as the world as we know it comes to a close While discussing the various stages of doom predicted to occur Dr Glover methodically leads others through his interpretation of Revelation as it chronically presents futuristic events that include not just Christ's return but also the creation of a new heaven and earth The Last Days A Guide to Understanding the Book of Revelation provides a seasoned pastor's scriptural interpretations intended to help others understand and apply the teachings related to the final book of the Bible **Last Days Handbook** Robert Paul Lightner, 1997 Our entering the

new millennium has heightened interest in what the Bible says about the end times but where can you go to sort out the different ways Christians understand Bible prophecy The Last Days Handbook is your one stop guide to understanding the main views evangelical Christians hold about the end times and how their different methods of biblical interpretation affect their view of prophecies yet to be fulfilled You will be accurately informed as you decide which views are most convincing and you will be prepared to study Bible prophecy more effectively Most importantly you will better understand Christians who hold different prophetic views Now updated and expanded this classic overview of the different views of end times Bible prophecy features answers to 50 Frequently Asked Questions about end times Bible prophecy surveys and comparisons of the major evangelical views concerning the rapture and the millennium illustrated charts and tables making the information more accessible than ever a glossary to introduce you to specialized terms easy to use subject and Scripture indexes to find key information quickly Publisher Understanding the End Times Rich Chasse,2022-09-02 People are fascinated and sometimes terrified by the subject of the End Times and the book of Revelation The topic can be disturbing For some people it can even be scary There s a lot of misinformation out there There are many teachers playing on the insecurities of people with End Times updates that stir up curiosity or fear taking advantage of many as a result To understand how to approach the study of End Times events we need to ask an important question Are current events pointing to a soon return of Jesus How we answer this question will influence how we view the rest of prophecy It s important to understand what goes into answering this question correctly When you turn on the news and watch events unfold do you sense the tension When you flip through your social media or the internet and look at all the things that are happening does it cause you heartburn or maybe heartache Would you say we are in a unique time in world history So how do you answer the question We ll answer that and more in *Understanding the End Times Are Current Events Pointing to a Soon Return of Jesus* *The Day of the Lord, the Key to Understanding End-Time Prophecy* Allen M. Barber,2011-07 Have modern Christians been enlightened or misled Left behind has been a catch phrase in American church culture for more than a decade but pretribulation beliefs were virtually unheard of before the eighteenth century Many modern day believers await the return of the Lord to rapture the Church before a turbulent tribulation period expecting unbelievers to be left behind to suffer the horrors of this seven year period This popular belief is promoted from many evangelical pulpits and popularized by books and movies but does it really line up with the Bible Dr Barber provides a careful examination of Scripture and a critical analysis of the biblical commentaries that form the basis of the pretribulation rapture belief Once a pretribulationist himself he found that his in depth study of the Bible quickly revealed the errors of this position With spiritual biblical and intellectual insight The Day of the Lord The Key to Understanding End Time Prophecy challenges the very foundation of pretribulation theology Dr Barber stresses the importance of sola scriptura as he guides readers through his compelling and convincing argument for a clearer understanding of end times prophecy **Signposts of the Last Days** Bill Goodwin,2012-06 SIGNPOSTS of The Last Days is

not an attempt to sensationalize predicted events from prophecy implying they will happen in a particular manner Remember that when Jesus came the first time all but two people were looking for a different kind of Messiah than the One they got Instead you will find the Biblical basis for twelve predicted events of the Last Days This book is written to review some of the available passages concerning these events that will lead to the end of the Last Days and how they relate to each other They are arranged in the order they are expected to happen It also is designed to relate coming events to the past times in which God has presented Himself to the world using different people This is your opportunity to separate the modern day scenarios seemingly written for Hollywood from what we might realistically expect should we be alive to see it all unfold Please read them all with the understanding that there may be fewer than two individuals who get close to the actual truth this time around

Are We Living in the Last Days? Bryan Chapell, 2024-02-06 Will Jesus's return be preceded by a single world government Will every person have a government issued ID or mark Does Christ return once or twice Will believers go through a Great Tribulation Will there be a literal battle of Armageddon Does it even matter what we believe about future events Biblical prophecies about the end times have confused confounded and even divided God's people for centuries But the reason Scripture gives us hints about the future is to provide the encouragement we need to endure the present confident that God keeps his promises In this balanced look at four major views of the end times bestselling author Bryan Chapell explains the primary ways Christians have interpreted biblical prophecy about the last days not so that we might pick a hill to die on but so that we can cling to what unites us in Christ No matter what end times view we find most compelling in God's plans we can find strength for today and hope for tomorrow

End-Times Prophecy and "The Last Days" Kendall Brashears, 2024-08-19 End Times Prophecy and The Last Days invites people to explore end times biblical prophecy and to open Revelation the last book of the Bible These sources reveal God's will for individuals and his whole world Kendall Brashears distills over three decades of dedicated study and presents it with the skill of a seasoned educator His hard work has yielded an approachable guide to ancient and sometimes difficult texts featuring verse by verse explanations of key passages Through his prophetic research and years of teaching Brashears will explore the following Are we living in the last days as described by the Bible What end time events are we seeing in the world today Will the Rapture of believers precede the Tribulation and if so how will it occur and what will it look like Will we know who the Antichrist is before the Rapture and how will we recognize him If there is a seven year Tribulation on earth what will it be like and who will go through it The answers to these questions and many more are discussed thoroughly in this study If you have wondered what God has planned for his world if you ask yourself whether distressing events signal the coming end of human history or if you want to grow in your knowledge of the details contained in the Bible's prophetic and apocalyptic passages then End Times Prophecy and The Last Days will serve you well as a tool for deepening your understanding You will emerge from your experience with a breadth of knowledge that provides guidance both for recognizing the changes that are occurring in the world today and

for clinging to the assurance of God's plan for care and comfort in uncertain times
