Understanding The Management Of High Risk Offenders Crime Justice:

Understanding Risk in Criminal Justice Hazel Kemshall, 2003-08-16 the Crime Justice series has become a key resource for universities in teaching criminology and criminal justice Professor Kemshall has established herself as a leading figure in the concepts of risk risk management and public protection issues an invaluable read for those entering Criminal Justice or moving to work in projects or teams at the forefront of public protection Vista How significant is risk to the formation and implementation of penal policy To what extent are the tasks and activities of frontline criminal justice workers informed by concerns to assess and manage risk Has there been a significant sea change in the delivery of criminal justice and if so what are the future implications of this This illuminating text examines the significance of the concept of risk in criminal justice policy and in the role of criminal justice agencies and crime prevention initiatives Particular features of the book include its use of practical examples coverage of previously unpublished research and a full review of current risk assessment tools for use with offenders It is designed with undergraduate courses in mind providing frequent summaries lists of further reading and a glossary The identification assessment and management of risk has become a central theme of criminal justice policy For some penal policy commentators this represents a sea change in crime management to a new era of actuarial justice that is the management of crime opportunities and risk distribution rather than the management of individual offenders By drawing on key areas of criminal justice practice such as policing probation and crime prevention this book examines the actual extent of this change and reviews the case for a new risk based penology The book combines a review of current theories on actuarial justice with a detailed examination of current practices in key frontline agencies The result is an essential text for criminology students and trainee professionals in criminal justice

Understanding The Management Of High Risk Offenders Kemshall, Hazel, 2008-09-01 Drawing on a wide range of cross national literature and original research by the author this timely book reviews current approaches to the community management of high risk offenders

Managing High Risk Sex Offenders in the Community Karen Harrison, 2010-03 This book explores the issues surrounding sex offenders evaluating the measures in use or being considered including drug treatment MAPPA the use of the Sex Offender Register restorative justice techniques and treatment programmes [Dangerousness, Risk and the Governance of Serious Sexual and Violent Offenders](#) Karen Harrison, 2012-03-29 [Dangerousness, Risk and the Governance of Serious Sexual and Violent Offenders](#) is a fully up to date comprehensive and user friendly guide on those offenders who are often assessed as being dangerous Outlining evaluating and commenting on specific methods regimes and strategies for dealing with dangerous offenders throughout each chapter this book begins by considering what a dangerous offender is and providing a brief historical account of how the label has been used for different types of offender over the last three or four centuries The book examines sentencing policy in addition to early and current dangerousness legislation evaluating the available sentences specifically designed for dangerous offenders and assessing their use and appropriateness The role of

risk and risk assessment tools is discussed considering what risk assessment is the way in which it works and how over recent times it has become more reliable and valid It looks at the practical realities of how serious sexual and violent offenders are dealt with by the penal system in England and Wales Finally specific offender groups are considered including female offenders children and young people and mentally disordered offenders Each chapter considers whether there are any differences in terms of policy assessment and management strategies when sentencing and managing each distinct group and if not whether any such modifications are required This book will be key reading for students of law criminology social policy psychology and sociology and of interest to criminal justice professionals including the police prison officers probation officers psychologists lawyers and judges

Multi-agency working in criminal justice Pycroft, Aaron, Gough, Dennis, 2010-07-01 This textbook brings together for the first time theory policy and skills relevant to working in a multi agency setting within the criminal justice system It comes at an important time as the professional qualifying arrangements for probation officers are changing along with the development of a mixed economy of correctional practice The book outlines the legislative and policy framework in the criminal justice system and evaluates professional and organisational conflicts within multi agency contexts as well as highlighting key offender groups and issues associated with desistance from crime It is essential reading for all students and practitioners involved in or studying correctional work through the Probation or Prison services or other agencies

Ethnicity And Crime: A Reader Spalek, Basia, 2008-07-01 Basia Spalek has compiled an excellent reader about a much researched and highly sensitive subject Crucially she contextualises ethnicity and crime within broadly defined social and intellectual contexts avoiding the limitation of all too frequently repeated research based solely on statistical measures and policy evaluations Simon Holdaway Professor of Criminology and Sociology Sheffield University Issues in relation to race and ethnicity have generated substantial and ever growing interest from and within a multitude of academic research and policy contexts This book brings together important material in race and ethnic studies and provides different ways of thinking about race and ethnicity in relation to crime and the criminal justice system Ethnicity and Crime A Reader consists of a collection of works that capture the main themes that arise from within this vast area of work It is divided into five sections Race and crime racial discrimination and criminal justice The racialisation of crime Social political and cultural contexts Race ethnicity and victimisation Self and discipline reflexivity Ethnic identities and crime Ethnic identities institutional reflexivity and crime Each section contains recurring and overlapping themes and includes many different ways of thinking about race and ethnicity in relation to crime It spans theoretical approaches that might be labelled as positivist critical race analyses left realist approaches feminist as well as post modern perspectives This is the first title in the new series Readings in Criminology and Criminal Justice and follows the series format of thematic sections together with an editor's introduction to the complete volume and an introduction to each section

Dangerous People Bernadette McSherry, Patrick Keyzer, 2011-11-28 Experienced legal academics and mental health professionals explore the

current approaches to dangerousness and preventive detention The defining characteristics of those deemed dangerous by society vary according to culture place and time and the contributors to this text have gathered to analyze the policies and practices related to current out groups such as sex offenders suspected terrorists and young offenders in the United States Scotland England and Australia Dangerous People is the result of their research workshopping and writing The text is organized logically and begins with a section on Parameters that explores the international human rights and legal limitations related to preventive detention schemes It moves on to Policy where contributors examine legislative policy and Prediction or risk assessment especially in terms of violent crimes in youth The section on Practice focuses on recent schemes to prevent re offending This text is indispensable as a resource that deals with the practical issues surrounding preventive detention and supervision schemes the assessment of the risk of future harm in offenders and different programs and sentencing options for high risk offenders with mental illnesses It contains case examples that bring real life issues to light and sets forth an agenda to provide effective ways to protect communities from harm

Handbook on Sexual Violence
Jennifer Brown, Sandra Walklate, 2011-10-19 This book contextualizes the complexity of sexual violence within its broader context from war to the resolution of interpersonal disputes and covers a wide span including sexual harassment bullying rape and murder as well as domestic violence Written by leading academics from a variety of disciplines contributions also include commentaries that relate the research to the work of practitioners Despite advances made in the investigation of sexual offences evidence still points to a continued belief in the culpability of victims in their own victimization and a gap between the estimated incidence of sexual violence and the conviction of perpetrators Adopting an implicitly and explicitly critical stance to contemporary policy responses that continue to fail in addressing this problem this book focuses on attitudes and behaviour towards sexual violence from the point of view of the individual experiencing the violence perpetrator and victim and situates them within a broader societal frame It is through an understanding of social processes and psychological mechanisms that underpin sexual violence that violence can be combated and harm reduced and at this individual level that evidence based interventions can be designed to change policy and practice The Handbook is split into four sections Legacies Setting the Scene offers a critical overview of historical legal and cultural processes which help to explain the origins of current thinking and offer steers for future developments Theories and Concepts examines contemporary thinking on sexual violence and reviews explanatory frameworks from a number of perspectives Acts of Sexual Violence reviews a number of specific types of sexual violence elaborating the range of circumstances victims and perpetrators with a view to addressing the general and pervasive nature of such violence thus contradicting narrow cultural stereotyping Responding to Sexual Violence overviews and evaluates current policies and practices and offers new ideas to develop different types of interventions The editors conclusion not only draws out the key themes and ideas from contributions to the Handbook but also considers the nature of and the extent to which any progress has been made in

understanding and responding to sexual violence This will be a key text for students and academics studying sexual violence and an essential reference tool for professionals working in the field including police officers probation staff lawyers and judges
