Unit 19 P5 Health And Social Care:

Managing Healthcare Transformation Towards P5 Medicine Bernd G.M.E Blobel, Dipak Kalra, 2023-09-29 Health and social care systems around the world are facing radical organizational methodological and technological paradigm changes to meet the requirements for improving quality and safety of care as well as efficiency and efficacy of care processes. In this they are trying to manage the challenges of ongoing demographic changes towards aging multi-diseased societies, development of human resources, health and social services, consumerism, medical and biomedical progress, and exploding costs for health-related R D as well as health services delivery. Furthermore, they intend to achieve sustainability of global health systems by transforming them towards intelligent adaptive and proactive systems focusing on health and wellness with optimized quality and safety outcomes.
