The operating instructions are applicable to the standard transmission version. Variations are possible according to special customer requirements and operating conditions. If the data contained in the operating instructions are different from those in the technical or commercial specification, then the data in the specifications apply.

**Important!**

Ensure that these operating instructions are always on-hand. Read the operating instructions carefully, paying particular attention to the safety instructions. Some of the illustrations contained in the operating instructions may differ from your installed transmission. Furthermore, safety devices and covers may sometimes be omitted to enable clearer illustration.
