Pannekoek**

Zichroni V State Of Israel Zichroni V State Of Israel:

Zichroni V. State of Israel Michael Keren,2002-01-01 Zichroni v State of Israel tells the story of Amnon Zichroni the Israeli civil rights lawyer whose legal and political battles from the early 1950s to the present day reveal a hitherto unknown chapter in the history of Israel the struggle for human and civil rights in the country and in the occupied territories Michael Keren s compelling narrative explores the seminal court cases in which Zichroni challenged the definition of citizenship by nationalist criteria opposed the construction of West Bank settlements and defended freedom of the press association and religion The work offers a vivid portrayal of one man s campaign for justice in an embattled nation struggling to balance security imperatives with the rule of law

Zichroni V. State of Israel Michael Keren,2002-03-20 Zichroni v State of Israel tells the story of Amnon Zichroni the Israeli civil rights lawyer whose legal and political battles from the early 1950s to the present day reveal a hitherto unknown chapter in the history of Israel the struggle for human and civil rights in the country and in the occupied territories Michael Keren s compelling narrative explores the seminal court cases in which Zichroni challenged the definition of citizenship by nationalist criteria opposed the construction of West Bank settlements and defended freedom of the press association and religion The work offers a vivid portrayal of one man s campaign for justice in an embattled nation struggling to balance security imperatives with the rule of law

Political Obligations George Klosko,2005-03-10 Providing a full defence of the theory of political obligation George Klosko presents arguments based on a number of key principles as well as commenting on popular attitudes and how the state views them

Israel and its Army Stuart A. Cohen,2008-01-24 The Israel Defense Force IDF plays a key role in Israeli society and has traditionally been perceived not only as the guardian of national survival but also as a people s army responsible for the custody of national values This volume analyses the circumstances currently undermining these perceptions and explores both the changes occurring

The Palestinian-Arab Citizens of Israel: Towards the Internationalisation of National Aspirations Ilham Shahbari,2021-01-28 The relations between the Israeli state and its Arab citizens have been distorted by the perception that national security concerns require the full rights of citizenship to be restricted for members of the Arab community However the national security of the state can also be affected by a poor reputation in the international community which plays a vital role in sustaining the existence of the state This created a space for Arab intelligentsia to use internationalisation as a means to promote their cause This study is designed to explore and analyse the internationalisation process and its impact regarding the Arab community in Israel It is a beneficial source to academics experts policymakers journalists and other experts and interested members of the public

Citizen Strangers Shira Robinson,2023-05-25 A remarkable book a detailed panorama of the many ways in which the Israeli state limited the rights of its Palestinian subjects Orit Bashkin H Net Reviews Following the 1948 war and the creation of the state of Israel Palestinian Arabs comprised just fifteen percent of the population but held a much larger portion of its territory Offered immediate suffrage rights and in time

citizenship status they nonetheless found their movement employment and civil rights restricted by a draconian military government put in place to facilitate the colonization of their lands Citizen Strangers traces how Jewish leaders struggled to advance their historic settler project while forced by new international human rights norms to share political power with the very people they sought to uproot For the next two decades Palestinians held a paradoxical status in Israel as citizens of a formally liberal state and subjects of a colonial regime Neither the state campaign to reduce the size of the Palestinian population nor the formulation of citizenship as a tool of collective exclusion could resolve the government's fundamental dilemma how to bind indigenous Arab voters to the state while denying them access to its resources More confounding was the tension between the opposing aspirations of Palestinian political activists Was it the end of Jewish privilege they were after or national independence along with the rest of their compatriots in exile As Shira Robinson shows these tensions in the state's foundation between privilege and equality separatism and inclusion continue to haunt Israeli society today An extremely important highly scholarly work on the conflict between Zionism and the Palestinians G E Perry Choice Jewish and Israeli Law - An Introduction Shimon Shetreet,Walter Homolka,2021-08-02 This book instructively introduces the reader to the basics of Jewish law It gives a detailed cutting edge analysis of contemporary public and private law in the State of Israel as well as Israel's legal culture its system of government and the roles of its democratic institutions the executive parliament and judiciary The book examines issues of Holocaust law and religion constitutionalization and equality

Stateless Citizenship Shourideh C. Molavi,2013-06-28 In Stateless Citizenship Shourideh C Molavi examines the mechanisms of exclusion of Palestinian citizens in the Zionist incorporation regime and centres our analytical gaze on the paradox that it is through the provision of Israeli citizenship that Palestinians are deemed stateless *The Handbook of Israel's Political System* Itzhak Galnoor,Dana Blander,2018-07-26 There is growing interest in Israel's political system from all parts of the world This Handbook provides a unique comprehensive presentation of political life in Israel from the formative pre state period to the present The themes covered include political heritage and the unresolved issues that have been left to fester the institutional framework the Knesset government judiciary presidency the state comptroller and commissions of inquiry citizens political participation elections political parties civil society and the media the four issues that have bedevilled Israeli democracy since its establishment security state and religion the status of Israel's Arab citizens and economic inequities with concomitant social gaps and the contours of the political culture and its impact on Israel's democracy The authors skilfully integrate detailed basic data with an analysis of structures and processes making the Handbook accessible to both experts and those with a general interest in Israel **No masters but God** Hayyim Rothman,2021-06-01 The forgotten legacy of religious Jewish anarchism and the adventures and ideas of its key figures finally comes to light in this book Set in the decades surrounding both world wars No masters but God identifies a loosely connected group of rabbis and traditionalist thinkers who explicitly appealed to anarchist ideas in articulating the meaning of

the Torah traditional practice Jewish life and the mission of modern Jewry Full of archival discoveries and first translations from Yiddish and Hebrew it explores anarcho Judaism in its variety through the works of Yaakov Meir Zalkind Yitshak Nahman Steinberg Yehudah Leyb Don Yahiya Avraham Yehudah Heyn Natan Hofshi Shmuel Alexandrov Yehudah Ashlag and Aaron Shmuel Tamaret With this ground breaking account Hayyim Rothman traces a complicated story about the modern entanglement of religion and anarchism pacifism and Zionism prophetic anti authoritarianism and mystical antinomianism

Israel Studies Forum ,2005 Blogosphere Michael Keren,2006-01-01 Examining the web logs or blogs of individuals from a variety of continents and cultures this book highlights the nature of blogosphere the virtual public arena of the early 21st century which alters the traditional world of media and politics It characterizes this new arena by the unique combination of a fresh voice of emancipation and a deep sense of melancholy and isolationism This journey through blogosphere highlights major forces operating in today s politics apathy toward political affairs resistance to globalization a quest for redemption through religious fundamentalism and terrorism Michael Keren compares bloggers to terrorists arguing that while the methods advocated by the two groups are obviously very different they both represent a similar trend one of diversion by respected but disenchanted citizens from the norms of civil society to a fantasy world in which the excessive use of words_or bombs_would make everybody listen *How Canadians Communicate II* David Taras,Maria Bakardjieva,Frits Pannekoek,2007 The contributors to this first volume of *How Canadians communicate* focus on the question what does Canadian popular culture have to say about the construction and negotiation of Canadian national identity Muting Israeli Democracy Amit M. Schejter,2010-10-01 The result of years of critical analysis of Israeli media law this book argues that the laws governing Israeli electronic media are structured to limit the boundaries of public discourse Amit M Schejter posits the theory of a mute democracy one in which the media are designed to provide a platform for some voices to be heard over others While Israel s institutions may be democratic and while the effect of these policies may be limited this book contends that free speech in Israel is institutionally muted to ensure the continued domination of the Jewish majority and its preferred interpretation of what Israel means as a Jewish democratic state Analyzing a wide range of legal documents recorded in Israel from 1961 to 2007 *Muting Israeli Democracy* demonstrates in scrupulous detail how law and policy are used to promote the hegemonic national culture through the constraints and obligations set on electronic media *Free Speech and National Security* Shimon Shetreet,2021-10-18 *Index to Jewish Periodicals* ,2005 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests **The Constitutional Bases of Political and Social Change in the United States** Shlomo Slonim,1990-04-23 This volume collects the papers presented at a conference sponsored by the Hebrew University of Jerusalem to mark the bicentennial of the framing and adoption of the U S Constitution The conference joined distinguished members of the American judiciary bar and academia and their Israeli counterparts in an intensive debate on the part the Constitution has assumed in American life during the 200 years of its

existence Each paper focuses specifically on one aspect of the Constitution the subject matter ranges from executive legislative relations to minority rights religious freedom and constitutional reform Throughout comments and rebuttals are also included Unique in its international approach to constitutional issues and developments this volume will be of significant interest to constitutional and legal scholars Following two papers that provide a backdrop to the debate by reviewing the historical background of the Constitution and examining the rise of the Supreme Court the contributors move on to address such issues as the issue of executive legislative relations and the impacts of the Constitution on these relations over the years the inherent tensions that exist between the establishment and free exercise clauses in the First Amendment the question of minority rights under the Constitution as relates to both race and gender and the newly discovered right of privacy under the constitution Subsequent papers address whether the Constitution needs amending and explore the impact of the U S Constitution on Israeli jurisprudence In the final group of essays the contributors deal with the possible assumption by the U S Supreme Court of a new role a more forthright involvement in promoting social justice

Israel Yearbook on Human Rights, 1988 Yoram Dinstein, Mala Tabory, 1989-05-31 The Israel Yearbook on Human Rights an annual published under the auspices of the Faculty of Law of Tel Aviv University since 1971 is devoted to publishing studies by distinguished scholars in Israel and other countries on human rights in peace and war with particular emphasis on problems relevant to the State of Israel and the Jewish people The Yearbook also incorporates documentary materials relating to Israel and the Administered Areas which are not otherwise available in English including summaries of judicial decisions compilations of legislative enactments and military proclamations The Articles section of Volume 33 contains articles on Legal Aspects of Emergency Regimes

Israel Yearbook on Human Rights, Volume 18 (1988) Yoram Dinstein, Mala Tabory, 2021-10-11 The Israel Yearbook on Human Rights an annual published under the auspices of the Faculty of Law of Tel Aviv University since 1971 is devoted to publishing studies by distinguished scholars in Israel and other countries on human rights in peace and war with particular emphasis on problems relevant to the State of Israel and the Jewish people The Yearbook also incorporates documentary materials relating to Israel and the Administered Areas which are not otherwise available in English including summaries of judicial decisions compilations of legislative enactments and military proclamations The Articles section of Volume 33 contains articles on Legal Aspects of Emergency Regimes

Law and the Culture of Israel Menachem Mautner, 2011-01-27 Menachem Mautner offers a compelling account of Israeli law as a site for the struggle over the shaping of Israeli culture On the one hand a secular liberal group wishes to associate Israel with Western culture and to link Israeli law to Anglo American liberalism On the other hand a religious group wishes to associate Israeli culture with traditional Jewish culture and to found Israeli law on traditional Jewish law The struggle between secular and religious Jews has been part of the life of the Jewish people in the past 300 years It resurged in the 1970s with the rise of religious fundamentalism and the decline of the political and cultural hegemony of the Labor movement The secular group reacted by shifting much of

its political action to the Supreme Court which since the establishment of the state has been the state organ most identified with entrenching liberal values in the country's political culture. In a short span of time in the early 1980s the Court effected extensive changes in its jurisprudence most strikingly adoption of sweeping judicial activism which is widely regarded as the most far reaching in the world. The Court's activism provided the secular group with the means for intervening in decisions of the state branches over which the group had lost control. With Arabs being a fifth of the country's population an additional divide in Israel is that between Jews and Arabs. Drawing on notions of multiculturalism, political liberalism and republicanism the book offers fresh insights as to how to manage Israel's divisive situation.

Whispering the Secrets of Language: An Mental Quest through **Zichroni V State Of Israel Zichroni V State Of Israel**

In a digitally-driven world where displays reign great and immediate transmission drowns out the subtleties of language, the profound strategies and mental subtleties concealed within words often go unheard. However, set within the pages of **Zichroni V State Of Israel Zichroni V State Of Israel** a captivating literary prize blinking with organic feelings, lies an exceptional journey waiting to be undertaken. Composed by a talented wordsmith, this wonderful opus attracts visitors on an introspective journey, delicately unraveling the veiled truths and profound affect resonating within the very cloth of each word. Within the psychological depths with this poignant evaluation, we shall embark upon a genuine exploration of the book is key themes, dissect its charming writing style, and succumb to the strong resonance it evokes serious within the recesses of readers hearts.
