Zombie Wars Fall Down White:

The Zombie Wars: We All Fall Down Joseph Talluto, 2015-12-18 The war on the zombies hasn't gone as expected The army has been split into three parts with Tommy and Duncan leading the charge through the southwest while John and Charlie deal with a problem that threatens the security of the entire campaign and the rest of the country And all the while a massive horde of zombies is moving its way across the plains on a collision course with the survivors that will end only when one of them falls down for good

Zombies Jennifer Rutherford, 2013-10-01 Not so long ago zombies rarely shuffled out of B grade horror movies and cult comic books but today they are everywhere Zombies are proliferating demonstrating an extraordinary capacity to transport fluidly from genre to genre from the apocalyptic future to the already survived past and in and out of fictional form Today they can be found in just about any genre or discourse and as they move sinuously across the cultural landscape they keep morphing taking on ever new and ever more bizarre associations Zombies would appear to be unthinkable the ultimate nightmare of a world devoured by the dead and yet more and more often this horror scape provides a form of figurative capture for the way things are This book explores why Zombies explores the recent transformation of zombie from cult genre to a figure that pervades western culture Rutherford examines the zombie as a powerful metaphor for a constellation of social forces that define contemporary reality This is an ideal introduction to all that is social about zombies for students and general readers alike Extracts from *Zombies* were recently published in Australian newspapers The Age The Canberra Times and the Sydney Morning Herald Available now to read online www.theage.com.au/entertainment/books/dead-right-20130620-2olqr.html
