Zombies In The Academy Living Death In Higher Education:

Zombies in the Academy Andrew Whelan, Ruth Walker, Christopher Moore, 2013 The theme of zombies is topical and provocative with the potential to appeal to a wide range of readers This book is an engaging call for recognition of the conditions of contemporary humanities research teaching and cultural and labour practices The zombie trope offers an unusual perspective into discussions about the current crises in higher education and the proposed structure of the book allows for the 3 editors to open up interdisciplinary discussion with their 3 sections covering corporatisation zombification digital media moribund content distribution and zombie literacies pedagogies *Zombies in the Academy* taps into the current popular fascination with zombies and brings together scholars from a range of fields including cultural and communications studies sociology film studies and education to give a critical account of the political cultural and pedagogical state of the university through the metaphor of zombiedom

Zombie Theory Sarah Juliet Lauro, 2017-10-15 Zombies first shuffled across movie screens in 1932 in the low budget Hollywood film *White Zombie* and were reimagined as undead flesh eaters in George A Romero's *The Night of the Living Dead* almost four decades later Today zombies are omnipresent in global popular culture from video games and top rated cable shows in the United States to comic books and other visual art forms to low budget films from Cuba and the Philippines The zombie's ability to embody a variety of cultural anxieties ecological disaster social and economic collapse political extremism has ensured its continued relevance and legibility and has precipitated an unprecedented deluge of international scholarship *Zombie Theory* manifested across academic disciplines in the humanities but also beyond spreading into sociology economics computer science mathematics and even epidemiology *Zombie Theory* collects the best interdisciplinary zombie scholarship from around the world Essays portray the zombie not as a singular cultural figure or myth but show how the undead represent larger issues the belief in an afterlife fears of contagion and technology the effect of capitalism and commodification racial exclusion and oppression dehumanization As presented here zombies are not simple metaphors rather they emerge as a critical mode for theoretical work With its diverse disciplinary and methodological approaches *Zombie Theory* thinks through what the walking undead reveal about our relationships to the world and to each other Contributors Fred Botting Kingston U Samuel Byrland U of Canberra Gerry Canavan Marquette U Jeffrey Jerome Cohen George Washington U Jean Comaroff Harvard U John Comaroff Harvard U Edward P Comentale Indiana U Anna Mae Duane U of Connecticut Karen Embry Portland Community College Barry Keith Grant Brock U Edward Green Roosevelt U Lars Bang Larsen Travis Linnemann Eastern Kentucky U Elizabeth McAlister Wesleyan U Shaka McGlotten Purchase College SUNY David McNally York U Tayla Nyong o Yale U Simon Orpana U of Alberta Steven Shaviro Wayne State U Ola Sigurdson U of Gothenburg Jon Stratton U of South Australia Eugene Thacker The New School Sherryl Vint U of California Riverside Priscilla Wald Duke U Tyler Wall Eastern Kentucky U Jen Webb U of Canberra Jeffrey Andrew Weinstock Central Michigan U

Queering Higher Education Louise Morley, Daniel Leyton, 2022-12-30 This

interdisciplinary and international book subjects key areas of inclusion in the global knowledge economy to critical scrutiny from queer perspectivism Drawing on empirical data from diverse international contexts including Chile Finland Japan Malaysia India Afghanistan Bangladesh Nepal Pakistan Sri Lanka Ghana Tanzania South Africa and the UK this book examines sites of affective antagonisms fragility and friction and explores whether queer theory can provide alternative readings of contemporary pathways pedagogical and research cultures political economies and policy priorities with higher education Main themes covered include The Global Knowledge Economy and Epistemic Injustice Decolonisation Internationalisation Feminist Leadership Affirmative Action Queering the Political Economy of Neoliberalism Digitalisation of academic work Both comparative and illustrative this key text provides a comparative analysis that recognises epistemic diversity multiplicity of experiences and importantly the effect of comparative reason in constructing stratified universities world fields and excluded and marginal academic experiences It also takes into account the colonial historical entanglements in the ongoing formation and disavowal of the university and academic labour Queering Higher Education Troubling Norms in the Global Knowledge Economy is ideal reading for all those interested in queer theory and how it relates to higher education

The Universal Adversary Mark Neocleous, 2016-02-12 The history of bourgeois modernity is a history of the Enemy This book is a radical exploration of an Enemy that has recently emerged from within security documents released by the US security state the Universal Adversary The Universal Adversary is now central to emergency planning in general and more specifically to security preparations for future attacks But an attack from who or what This book the first to appear on the topic shows how the concept of the Universal Adversary draws on several key figures in the history of ideas said to pose a threat to state power and capital accumulation Within the Universal Adversary there lies the problem not just of the terrorist but more generally of the subversive and what the emergency planning documents refer to as the disgruntled worker This reference reveals the conjoined power of the contemporary mobilisation of security and the defence of capital But it also reveals much more Taking the figure of the disgruntled worker as its starting point the book introduces some of this worker's close cousins figures often regarded not simply as a threat to security and capital but as nothing less than the Enemy of all Mankind the Zombie the Devil and the Pirate In situating these figures of enmity within debates about security and capital the book engages an extraordinary variety of issues that now comprise a contemporary politics of security From crowd control to contagion from the witch hunt to the apocalypse from pigs to intellectual property this book provides a compelling analysis of the ways in which security and capital are organized against nothing less than the Enemies of all Mankind

Deconstructing The Zombie. Cultural and Ideological Approaches , Since the COVID 19 pandemic we have not experienced a moment of calm A spectre haunts the world the spectre of permanent crisis Indeed the forthcoming social economic and political conditions will favour the zombies ensuring their continued presence in our cultural agenda Throughout several literary cinematographic serial fiction and video game cultural productions this character has served as a symbolic representation of the individual at different times in history Whether by harshly denouncing the alienated or passive attitudes that human beings tend to adopt in certain situations urging them to rebel against the system or by portraying the zombie as a victim of human racial gender social or class prejudices and of their desire to exert power over their own and other species This book covers a wide range of topics concerning its universe offering a complete study divided into six significant areas 1 Power Labour and Economy 2 Ethics Religion and Society 3 Flesh Bodies and Gender 4 Politics and Ideology 5 Geographical Adaptations 6 Social and Cultural Manifestations

Working with Theories of Refusal and Decolonization in Higher Education Petra Mikulan, Michalinos Zembylas, 2023-12-05 This volume argues that refusal is a viable political ethics in education It is an ethics that allows space for new possibilities to emerge with the potential to enrich higher education study and pedagogies in the future Chapters examine the ethical epistemological political and affective premises of refusing the colonial university and reflect upon what refusal means for higher education decolonization across international settings Refusal marks a political ethos and praxis that denies resists reframes and redirects colonial and neoliberal logics while asserting diverse sovereignties and lifeworlds Whereas resistance may reinscribe the weakness of the colonized in the power relations with the colonizer refusal interrupts the smooth operation of power relations denying the authority of the settler state and remaking the rules of engagement It is a political stance and action that denies the very legitimacy of power over the subjugated This collection views refusal not as an end in itself nor as a mode of critique but as a necessary first step for educators and students in higher education to invest in the idea of radically different modes of futurity It explores how educators and students in higher education can invent pedagogies of refusal that function ethically affectively and politically and asks What do pedagogies of refusal look like How might western universities sustain and support refusal rather than discipline it What assumptions are sustained by ruling out

certain educational futures as out of bounds or impossible This book will be important reading for researchers scholars and educators in Decolonizing Education Higher Education Transformation and Philosophy of Education It will also be valuable to policymakers and activists who are considering how refusal might be carried out within and outside institutions *New Directions in 21st-Century Gothic* Lorna Piatti-Farnell, Donna Lee Brien, 2015-04-24 This book brings together a carefully selected range of contemporary disciplinary approaches to new areas of Gothic inquiry Moving beyond the representational and historically based aspects of literature and film that have dominated Gothic studies this volume both acknowledges the contemporary diversification of Gothic scholarship and maps its changing and mutating incarnations Drawing strength from their fascinating diversity and points of correlation the varied perspectives and subject areas cohere around a number of core themes of re evaluation discovery and convergence to reveal emerging trends and new directions in Gothic scholarship Visiting fascinating areas including the Gothic and digital realities uncanny food experiences representations of death and the public media Gothic creatures and their popular legacies new approaches to contemporary Gothic literature and re evaluations of the Gothic mode through regional narratives essays reveal many patterns and intersecting approaches forcefully testifying to the multifaceted although lucidly coherent nature of Gothic studies in the 21st Century The multiple disciplines represented from digital inquiry to food studies from fine art to dramaturgy engage with the Gothic in order to offer new definitions and methodological approaches to Gothic scholarship The interdisciplinary transnational focus of this volume provides exciting new insights into and expanded and revitalised definitions of the Gothic and its related fields

Anti-nuclear Protest in Post-Fukushima Tokyo Alexander Brown, 2018-04-19 This book explores the politics of anti nuclear activism in Tokyo after the Fukushima nuclear disaster of March 2011 Analyzing the protests in the context of a longer history of citizen activism in Tokyo it also situates the movement within the framework of a global struggle for democracy from the Arab Spring to Occupy Wall Street By examining the anti nuclear movement at both urban and transnational scales the book also reveals the complex geography of today s globally connected social movements It emphasizes the contestation of urban space by anti nuclear activists in Tokyo and the weaving together of urban and cyber space in their praxis By focusing on the cultural life of the movement from its characteristic demonstration style to its blogs zines and pamphlets this book communicates activists voices in their own words Based on excellent ethnographic research it concludes that the anti nuclear protests in Tokyo after the Fukushima disaster have redefined social movement politics for a new era Providing an analysis of a unique period in Japan s contemporary urban history from the perspective of eyewitness observations this book will be useful to students and scholars of Japanese Politics Sociology and Japanese Studies in general **Post-Millennial Gothic** Catherine Spooner, 2017-02-23 Surveying the widespread appropriations of the Gothic in contemporary literature and culture Post Millennial Gothic shows contemporary Gothic is often romantic funny and celebratory Reading a wide range of popular texts from Stephenie Meyer s Twilight series through Tim Burton s Gothic film adaptations of Sweeney Todd Alice in

Wonderland and Dark Shadows to the appearance of Gothic in fashion advertising and television Catherine Spooner argues that conventional academic and media accounts of Gothic culture have overlooked this celebratory strain of Happy Gothic Identifying a shift in subcultural sensibilities following media coverage of the Columbine shootings Spooner suggests that changing perceptions of Goth subculture have shaped the development of 21st century Gothic Reading these contemporary trends back into their sources Spooner also explores how they serve to highlight previously neglected strands of comedy and romance in earlier Gothic literature
