Zuidafrika Land Van Goede Hoop:

Zuid-Afrika. Land Van Goede Hoop. [With Plates.]. Petrus SERTON, 1953 *A Century of Geography at Stellenbosch University 1920-2020* Gustav Visser, Jan de Waal, 2020-09-28 *A Century of Geography at Stellenbosch University 1920-2020* focuses on the establishment and development of geography as an academic discipline at Stellenbosch University. The founding geography department's ways in which the department currently operates are deemed fundamentally joined to its past and pave the way for the evolution of geography and its various subdisciplines going forward. The investigation seeks to highlight the development of the discipline and its institutionalisation as part of the academic offerings of the university while providing details about the teaching and research conducted as well as of the people who contributed to these endeavours. It also furnishes the academic geography community at Stellenbosch and geography more broadly with some insights into its past development and more recent changes along with a complete bibliography of conducted research.
