Understanding Italo Calvino Understanding Modern European And Latin American Literature

Peter Standish

Understanding Italo Calvino Understanding Modern European And Latin American Literature:

Understanding Italo Calvino Beno Weiss, 1993 Highlights Calvino's fascination with folk tales, knights, social, political allegories, science fiction

Understanding Ingeborg Bachmann Karen Achberger, 1995 Bachmann's critique of postwar Europe

Understanding Octavio Paz Jose Quiroga, 1999 In this comprehensive examination of the work of Octavio Paz, winner of the 1990 Nobel Prize for Literature and Mexico's important literary and cultural figure, Jose Quiroga presents an analysis of Paz's writings in light of works by and about him. Combining broad erudition with scholarly attention to detail, Quiroga views Paz's work as an open narrative that explores the relationships between the poet, his readers, and his time.

Understanding Uwe Johnson Gary Lee Baker, 1999 An overview of the work of Uwe Johnson, concentrating on five of his novels, including *Ingrid Babendererde* and *Two Views*. A chapter dedicated to his life describes the themes that concerned Johnson in his scandalized existence in both Germany, the USA, and Great Britain.

Understanding Julio Cortázar Peter Standish, 2001 This text recounts the varied literary achievements of one of Latin America's most acclaimed and prolific 20th-century writers. Structuring his assessment around metaphors drawn from boxing, the author considers Cortázar's plays, stories, novels, political essays, and poetry.

Understanding W.G. Sebald Mark Richard McCulloh, 2003 This volume provides a dissection of W.G. Sebald's fiction and his acclaim. A German writer who taught in England for 30 years, he published four novels, first in German and then in English. His work gained even greater acclaim after his death in 2001, just months after the publication of his title *Austerlitz*.

Understanding Johannes Bobrowski David Scrase, 1995 In this critical introduction to the poetry and fiction of Johannes Bobrowski (1917-1965), David Scrase elucidates the literary subtleties of one of the most prominent writers to live and work in the German Democratic Republic. Despite the fact that Bobrowski won such prestigious accolades as the Heinrich Mann Prize and the Charles Veillon Prize and held an important position in the literature of postwar Germany, very little English language scholarship has been published about his work. Scrase fills this gap by exploring the heralded writer's novels, poems, and short stories. Contending that Bobrowski's writing can be understood only by those who appreciate the ethos that pervaded East Prussia during the writer's childhood, Scrase begins by reviewing the region's history and profiling the diverse ethnic and religious communities that Bobrowski encountered there. In looking at a representative sampling of Bobrowski's work, Scrase exposes the writer's attempts to come to terms with Germany's destructive role in eastern Europe. Scrase offers close readings of selected Bobrowski poems, most of which depict the landscape of Sarmatia, its rural traditions, and the daily tasks of its people. He also reviews Bobrowski's two novels, *Levin's Mill* and *Lithuanian Pianos*, and explains how to read Bobrowski's short stories.

Understanding Joseph Roth Sidney Rosenfeld, 2020-06-16 Unravels an internationally esteemed author's quest for a homeland. A writer described as a Jew in search of a fatherland and a wanderer in flight toward a tragic end, the Austrian writer Joseph Roth (1894-1939) spent his life in pursuit of a national and cultural identity and his final years writing in fervent opposition to the Third Reich. In this

introduction to Roth's novels which include *Job* and *The Radetzky March* Sidney Rosenfeld demonstrates how the experience of homelessness not only shaped Roth's life but also decisively defined his body of work Rosenfeld suggests that more than any other component of Roth's varied fiction his skillful portrayals of uprootedness and the search for home explain his international appeal which has grown in recent decades with the translation of his works into English Rosenfeld examines Roth's obsession with the question of belonging tracing it to his boyhood in the Slavic Jewish Austrian Crown land of Galicia Illustrating how Roth's quest determined his most typical themes and gave rise to the Jewish Slavic melancholy that permeates his narratives Rosenfeld includes readings of the early novels Through this fiction Roth quickly established his reputation as a literary chronicler of both the final years of the Habsburg monarchy and the lost world of East European Jewry Rosenfeld describes Roth's flight from Berlin upon Hitler's ascent to power in January 1933 and his precarious existence as an exile While copies of Roth's works went up in flames in Nazi book burnings the novelist moved from one European city to another living in hotels and writing at caf tables From the time of his exile until his death in Paris just months before the outbreak of the Second World War Roth produced six novels as well as shorter works of fiction and a steady flow of journalism denouncing the Third Reich Rosenfeld's critical readings of the novels written during Roth's exile connect them with the novelist's prescient estimate of Hitler's intentions and his own longing for a sovereign Austria

Understanding Alain Robbe-Grillet Roch C. Smith, 2000 Transforming bewilderment into understanding and pleasure while preserving a sense of Robbe Grillet's considerable richness and complexity Smith elucidates the defining elements of the writer's fictional world characters that barely exist changeable narrators plots that defy logic notoriously meticulous descriptions that never quite form a complete story Smith examines Robbe Grillet's embrace of discontinuity circularity indeterminacy and linguistic play Smith also poses questions about how we should view this perplexing writer as an author of hyperobjective novels and short stories a subjective novelist a realist or a writer who undermines the narrative's claim to represent reality In addition Smith evaluates the sado erotic imagery of Robbe Grillet's middle and late novels as a metaphorical play with textual and social conventions BOOK JACKET Understanding Christoph Hein Phillip S. McKnight, 1995
