The Unfolding Gospel John P. Bowen, 2021 Many congregations and their leaders are discouraged about the future of the church John Bowen's conviction is that the solution is to be found not in new programs or strategies but in a recovery of theological vision that of Jesus and his gospel which transforms every aspect of life This vision restores hope in the only way realistically possible _ Words like mission discipleship church evangelism renewal and church planting are used like billiard balls all rolling around a single table unconnected and bouncing randomly off one another This book pulls these ideas together into a coherent and organic whole The gospel is the hermeneutical key for understanding each of these topics and what draws them together Thus chapter 1 is an exposition of the gospel God's determination to make all things new through Jesus Christ Chapter 2 discusses discipleship we only understand discipleship in light of the gospel and chapter 3 covers church we only understand church if we understand discipleship Chapter 4 considers culture as the arena in which the gospel is lived and talked about and chapter 5 builds on that with a discussion of translation not only as a missional necessity but as a ministry which itself incarnates the nature of the gospel The remaining chapters on evangelism the future of inherited churches church planting and leadership demonstrate how the gospel is the integration point for all _ The author's hope is that church leaders evangelical and mainline young and old emerging and traditional present and future will have a transformative Aha moment as this gospel hypothesis unfolds _ **The**

Permanent Revolution Alan Hirsch, Tim Catchim, 2012-01-06 A new brand of apostolic ministry for today's world The Permanent Revolution is a work of theological re imagination and re construction that draws from biblical studies theology organizational theory leadership studies and key social sciences The book elaborates on the apostolic role rooted in the five fold ministry from Ephesians 4 apostles prophets evangelists shepherds and teacher and its significance for the missional movement It explores how the apostolic ministry facilitates ongoing renewal in the life of the church and focuses on leadership in relation to missional innovation and entrepreneurship The authors examine the nature of organization as reframed through the lens of apostolic ministry Shows how to view the world through a biblical perspective and continue the

permanent revolution that Jesus started Outlines the essential characteristics of apostolic movement and how to restructure the church and ministry to be more consistent with them Alan Hirsch is a leading voice in the missional movement of the Christian West This groundbreaking book integrates theology sociology and leadership to further define the apostolic movement TASTING THE POWERS OF THE AGE TO COME Elvis Mbonye,2012 In August 2007 something extraordinary happened in the life of Mrs Jennifer Isabirye not her real names a short slender middle aged career teacher whom I had not met until that day It was at a conference organized annually in Kamuli a small town district in the eastern region of Uganda The conference was held at Bethel Church It was the first time I attended this prophetic event upon invitation to speak Seated in the crowded room were people from the surrounding area and beyond about 200 of them This was not your usual event strange things were happening as I singled out individuals uncannily describing facts about their lives with amazing accuracy Mrs Isabirye happened to be one of them You are angry at a certain man for financial reasons I said to her Forgive him for if you don t you will hold back your progress I also see a problem with your fibroids I added I see you had an operation about them but it wasn t successful I see a swelling around your lower abdomen that part of her body was fully covered by her dress and it s because of those fibroids I was not through with Mrs Isabirye Today you will experience a strange discharge from your body but have no fear about it for it will be God dealing with you However make sure you neither let your doctor nor your daughter know about it If you do this if you keenly follow my revelatory directions you will receive a miraculous healing shortly In her subsequent testimony a day later Mrs Isabirye verified everything Astounded at how I could know these things she said The man I was bitter with was my employer because for six months I had not received my salary Also I have fibroids and a few months ago I had an operation about them that wasn t successful However what surprised me even more was when he implying me said I should neither tell my doctor nor my daughter after the strange discharge from my body I only see one doctor and I only have one daughter for a child how he could have known that is beyond any earthly explanation I experienced the strange discharge from my body that day but unfortunately I told my doctor and daughter about it Because she did not keenly follow the revelatory directions Mrs Isabirye did not receive her miraculous healing However the following year I was back there and I was taken to her house where I prayed for her I called the experience extraordinary because that is what it was for Mrs Isabirye and for several other people who got to witness or experience the mystical for the first time But to me such uncanny comprehension and the supernatural world are for the lack of a better word commonplace And they can be for you too if you are daring enough to read through Atheist or agnostics may dismiss Mrs Isabirye s story as spiritual mumbo jumbo They will undoubtedly have a perfectly logical argument why such supernatural occurrences are not possible Denominational Christians who think of faith as nothing more than a set of dos and don ts might similarly dismiss it perhaps with less fervour They too would have sound arguments in support of their positions What I am presenting in this book however are experiences The world abounds with arguments every man or woman has one

to back their position and most of them make good sense But in her time of need Mrs Isabirye didn't need an argument she needed an experience Someone with an experience is never at the mercy of someone with just an argument So whatever your disposition believer agnostic atheist or anything in between I dare you to read this with an open mind you will undoubtedly find this text eerily challenging Early experiences The mysterious world of the supernatural is not a reality I discovered in my latter years Growing up as a child in Bugolobi a middle class suburb of Kampala I frequently experienced close encounters with the supernatural

God's Man in the White House James Beverley, 2020-03-15 Standing in absolute opposition to each other are two distinct groups One side who proclaim that he can do nothing right The other side who believe he has been particularly selected by God with a host of unusual skills for just such a time as this Both can not be right And so a political moral and spiritual battle is raging in America and around the world about President Donald J Trump Quite unknown by most of the general public is the fact that Christian prophets have been claiming for over a decade that Donald Trump is the chosen one that he is God's man for the White House for this particular hour In this book God's Man in the White House Professor James A Beverley documents the hundreds of prophecies about Donald Trump that started over 10 years ago and provides the political and religious context for the ongoing prophecies and controversies about the 45th president Here is the most complete collection of over 500 prophesies and statements made by more than 100 prophets and top Christian leaders including Kim Clement Mark Taylor Lance Wallnau Lana Vawser Lou Engle Jeremiah Johnson Michael Brown Frank Amedia Franklin Graham Jerry Falwell Jr Paula White Stephen Strang Robert Jeffress Rodney Howard Browne Jim Garlow and James Dobson Whatever your view you will benefit greatly from this collection

The Hijacked Mind; There is a major war for the human soul Matthew Simmons, 2022-11-14 THE WORLD IS HIJACKED AND MANY IN THE BODY OF CHRIST ARE HIJACKED We are in a very real war a war between Jesus Christ and the anti Christ a war between the flesh and the Spirit Look at this supernatural war People have been scarred by Satan serial deception and the surgeons of sin People are mingled in lifestyles of pantheism paganism an exploding satanism black cat smooching crystal rubbing and chicken bone massaging witchcraft transgenderism serial fornication homosexuality and public schools teach the gender confusion curriculum People are involved in corruption in the government that defies description state supported and recreational murder abortion back handed and pistol whipped addictions and perpetual pathological hatred and racism Law philosophy poetry positive thinking and psychology cannot change you Shelley Keats Bryon and Shakespeare cannot change you You cannot legislate morality immorality and virtue Law will not stop murder adultery stealing rape child sex trafficking and government corruption the least government is the best government but Christ can do that Jesus is the answer The only solution is a blood transfusion from the veins of the Lamb of God This book retards the deliverance ministry which is the sneeze cough and vomit movement People are conjuring up coughing up and vomiting up Charismatic spirits and looking like utter fools satanically manifesting like godless pagans sacrificing themselves to totem poles a vomiting and manifesting machine the Manifesting Ministry Movement The Hijacked

Mind retards the hyper grace movement If you teach a grace that forgives sin but does not produce repentance you are preaching from satanic literature Grace without repentance is paganism The love of God without the wrath of God is Satan s theology Love without law produces a secular humanist and law without love produces a Pharisee The Hijacked Mind retards atheism Atheists are mastered by primates and neo pagans and environmentalists are anointed by birds bugs and bureaucrats The Hijacked Mind shares the truth of Christ and the absolute existence of Christ This book shares the biblical truths about heaven and hell and if you do not believe in heaven or hell that is because you worship your own back porch philosophy and think your intellect supersedes the knowledge of God and the truth this is ignorance on a rampage God
The Holy Spirit Dr. Mae Smalls Glover,2021-10-14 Every Christian who has experienced the presence and guidance of the Holy Spirit should desire to know the wholeness of the Holy Spirit The intimacy unity and growth in the Kingdom are promoted by our lives in God the Holy Spirit He is active in our prayer life decision making process spiritual warfare maturity and clarity in biblical principles just to name a few God the Holy Spirit will help us discover the promised release of fire to keep us motivated to live towards our eternal destiny God the Holy Spirit will add the ammunition to recognize the fact that the Holy Spirit is the most neglected and unappreciated third person of the Trinity Christianity will be a more desirable spiritual lifestyle as all people become obedient to His purpose value and His influences in the kingdom **Primitive**
