DEUTSCHE UNIFORMEN VOL I EN , Lone Star Stalag Michael R. Waters, Mark Long, William Dickens, Sam Sweitz, Anna Lee Presley, Ian Buvit, Michelle Raisor, Bryan Mason, Hilary Standish, Norbert Dannhaeuser, 2006-01-17 The cement slabs and decaying fountains obscured by vegetation at the site of Camp Hearne echo a time forgotten of a bustling city of nearly 5 000 men brought together by world conflict The oral histories archival research and archaeological data compiled by author Michael Waters and his team of researchers tells the story of 5 000 German soldiers held as prisoners of war in rural Texas during World War II Camp Hearne located on the outskirts of Hearne Texas was one of the first and largest POW camps in the United States Between 1943 and 1945 nearly 50 000 German prisoners mostly from the German Afrika Korps lived and worked at seventy POW camps across Texas The story of Camp Hearne told here offers the first in depth look at one of these camps and includes an archaeological study of the treatment and conditions of the German prisoners Drawing on newspaper accounts and official records from the time and the recollections of surviving POWs guards and local residents Waters and his team have constructed a detailed description of life in the camp educational opportunities recreation mail call religious practices work details and the food provided Also revealed are the more serious issues that faced the Americans inside the POW compounds illegal alcohol distillation suicides escapes hidden secret shortwave radios and the subversion of postal services Fascinating artifacts recovered from the site and from the collections of local residents add concrete details Waters also discusses the national policies and motivations for the treatment of prisoners that prescribed the particulars of camp life The shadow world of Nazism in the camp is revealed adding darkness to a story that is otherwise optimistic and in places humorous The most sinister and brutal example of Nazi activity was the murder of Corporal Hugo Krauss a German born New York raised volunteer in the German army Captured in North Africa after service in Russia Krause was attacked seven months later by six to ten fellow prisoners and beaten with clubs nail studded boards and a lead pipe The dramatic recounting of the murder and the ensuing investigation illustrate much about the underlying political tensions of camp existence This book makes a unique and notable contribution to Texas history The narrative is enriched by numerous photographs and drawings It will engage those interested in Texas history and World War II and hold particular interest for avocational and professional historical archaeologists **ABT724 - STURMGESCHÜTZ EN** , This work is a study on the development and organization of Wehrmacht assault cannon units since its creation in 1940 until the end of World War II The uniforms and characteristics of the main models of cannon and assault shells are also studied as well as some of the support vehicles that were part of the material that was delivered to these units The book contains illustrations and photographs many of which they had not published so far *Hitler's Armed Forces Auxiliaries* Jean-Denis G.G. Lepage, 2015-11-03 The story of Hitler's Wehrmachtsgefolge armed forces auxiliaries is less well known than that of Germany's other armed forces in World War II such as the panzer divisions the Luftwaffe and the Kriegsmarine The

Organization Todt construction company Reichsarbeitsdienst labor service Nationalsozialistische Kraftfahrer Korps driver s corp and Volkssturm people s militia were given the status of armed forces auxiliaries to protect their members under the Geneva Conventions should they be taken prisoner By 1944 the Wehrmachtsgefolge comprised 40 percent of the German armed forces and their contribution to the war effort was far from negligible This illustrated history documents the development structure and organization uniforms regalia and technical data of these units and discusses their role in the war and during the prewar period Uniforms & Traditions of the German Army, 1933-1945 John R. Angolia, Adolf Schlicht, 1986-06-01 **PANZERDIVISIONEN EN , In Final Defense of the Reich** Stephen M Rusiecki, 2010-10-15 In April 1945 the American 71st Infantry Division exacted the final vestiges of life from the Reich s 6th SS Mountain Division in central Germany This analysis of the battle demonstrates that the Wehrmacht s last gasp on the Western Front was anything but a whimper as some historians charge Instead Stephen Rusiecki argues the Nazis fought to exact every last bit of pain possible The book follows the histories of both the German and American divisions from their inceptions until their fateful confrontation and serves as a testament to the human experience in war from the perspective of the soldiers and the civilians who suffered the brunt of the fighting **The Collector'S Guide to 3Rd Reich Tableware (Monograms, Logos, Maker Marks Plus History)** James A.
