commanded a Yeomanry regiment and at times Regular troops of all arms during the Boer War Those were glorious days days when one could thoroughly enjoy warfare a wild gallop over the veldt a good fight in the open and the day won by the best men In these days war is robbed of all its glory and romance Book Bulletin of the Chicago Public Library Chicago Public Library,1915 **British Books in Print ,1928** **With the Zionists in Gallipoli (Classic Reprint) J. Patterson,2015-07-12 Excerpt from With the Zionists in Gallipoli The narrative of the Zionists in Gallipoli has been written during the enforced idleness of the past month a month which has been spent in endeavouring to recover sufficient health and strength to enable me to take a further and I trust a more useful hand in the Great Drama now approaching its climax In the following pages I have set down nought in malice neither have I given a word of praise where praise is not due and more than due My relations with those with whom I came into contact were excellent and on the very rare occasions when they were otherwise it was not due to any seeking of mine but unfortunately my temperament is not such that I can suffer fools gladly My story is one of actual happenings told just as I saw them with some suggestions thrown in and if from these a hint is taken here and there by those in the Seats of the Mighty then so much the better for our Cause About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

he might have imagined himself with his own legions because here he would have found a great camp with the tents of the Children of Israel pitched round about he would have heard the Hebrew tongue spoken on all sides and seen a little host of the Sons of Judah drilling to the same words of command that he himself used to those gallant soldiers who so nobly fought against Rome under his banner he would even have heard the plaintive soul stirring music of the Maccabean hymn chanted by the men as they marched through the camp **United Services and Empire Review** ,1916 **Book Bulletin** Chicago Public Library,1916 *A History of the Middle East* Saul S.
