Unleash Breaking Free From Normalcy:

Unleash! Perry Noble, 2012-09-20 Why is it that we trust Jesus with our salvation but never fully trust him with our lives God longs to unleash his full measure of power in our lives to fill us with passion and purpose But too often the things of our past fear anger bitterness worry and doubt hold us back Rather than focusing on the reality of who Christ is and what he has done for us we allow ourselves to be identified by all the things we aren't But we are not who our past says we are and we are not who the enemy says we are We are who God and his Word say that we are Pastor Perry Noble challenges all followers of Christ to make a bold move by fully embracing the exciting adventure God has called us to Are you ready to unleash all the life he has created you to live Join Perry on this journey as he digs into the major barriers holding people back and shows how Jesus calls and equips his followers to experience a life most of us never dreamed possible **The Perry Noble**

buried in a Bible chapter often read at weddings In this groundbreaking book Perry walks us through that leadership chapter describing the fifteen qualities of an inspirational leader Whether you are an entrepreneur or a new parent this book will encourage you to see every opportunity in life as a chance to lead in the most excellent way Creature of the Word Matt Chandler, Eric Geiger, Josh Patterson, 2012-10-01 The Reformers viewed the gospel as not merely one thing among many in the life of a church but rather the means by which the church exists When the gospel is rightly declared and applied to God's people the church becomes a creature of the Word She understands embraces and lives out the reality of Christ's birth life death and resurrection in more than her doctrinal statement The gospel impacts all the church is and does Creature of the Word lays out this concept in full first examining the rich scripture based beauty of a Jesus centered church then clearly providing practical steps toward forming a Jesus centered church Authors Matt Chandler Eric Geiger and Josh Patterson write what will become a centering discussion piece for those whose goal is to be part of a church that has its theology culture and practice completely saturated in the gospel

Unleash Paige Bevans, 2020-09-29 It starts as a quiet rebellion stirring in your bones No matter what age you are if you are woman you know the demands placed upon you to be everything for everyone all the time With all her energy going to family career and endless errands it is no wonder she can't shake the feeling that somehow along the way she left behind a piece of herself It may surprise you to know that it is much easier than you think to get back that spark that your younger self had so naturally The way to her is through the Wild Feminine a fire that burns fierce in the hearts of all women While constraints of everyday life may have dwindled that fire it can never be fully extinguished Unleash will take you on a journey within where you will kick up the ashes and find the embers still glowing In understanding how you have arrived in this place the patterns that keep you here and how to break free of them you will see that living life as a passionate and wild female is exactly how your younger self always dreamed you would live You are made of fire (Unleash)  , 2014-05-19 Unleash
