Theologian Sondra Wheeler, 2017-05-16 The practice of ministry requires pastors and Christian leaders to serve as moral theologians in their communities Ministers must preach about morally challenging texts teach about moral issues and conflicts offer moral counsel and serve as an example regarding the shape of faithful Christian life Grounding pastoral ethics in spiritual formation and spiritual disciplines this book provides tools for facing the day to day demands and seizing the opportunities of being a moral teacher An essential text for practical ministry courses *Overflow* Lovett H. Weems JR., Tom Berlin, 2013-09-17 At the heart of why any church exists is to glorify God and to share God as revealed in Jesus Christ thus worship is at the center of the congregation's life The church of course is more than worship but without vital worship attendance it is unlikely that members are growing and new disciples are being brought to faith Worship attendance is also the one factor where improvement tends to help every other aspect of the church's ministry There is another reason for focusing on worship attendance After relatively strong attendance in the 1990s and a rise in attendance for five Sundays after the tragedy of Sept 11 2001 attendance has been more likely to decrease instead of increase for most U S churches since 2002 Churches that grow connect people with God and compelling and inspiring worship is a primary means of connection *The Homiletic of All Believers* O. Wesley Allen, Jr., 2005-01-01 Preaching says professor and author O Wesley Allen Jr should be considered as a form of conversation The church after all is a community of conversation that exists in part to interpret God's purposes for the world and to participate in those purposes The idea of the sermon as a conversation then is not simply a style or form of preaching but an integral expression of the nature and purpose of the church **Lovin' on Jesus** Lester Ruth, Lim Swee Hong, 2017-04-18 Swee Hong Lim and Lester Ruth have filled an important gap in the study of worship *Lovin' on Jesus A Concise History of Contemporary Worship* is the first scholarly work of its kind on this topic Lim and Ruth trace the origins and development of what we commonly call contemporary Christian worship exploring it thoroughly and methodically Their research includes early recordings and interviews with many who were directly involved in the early stages The authors were students of James White and their book is in a sense a much needed addition to White's classic *Introduction to Christian Worship* The thematic structure of *Lovin' on Jesus* mirrors that of White's *Introduction* making this book exceedingly useful for students and practitioners in the study of Christian worship as a whole This is an essential resource for all students scholars worship leaders and pastors who are serious about understanding the worship they lead Meticulously researched accessibly written generous in its praise and balanced in its critiques this is the book for which many of us have long been waiting Melanie C Ross Assistant Professor of Liturgical Studies Yale Divinity School New Haven CT Particularly useful for teaching is the way Lim and Ruth organize their account by practices of time space music prayer technology and scripture This will immediately become a required textbook for the courses I teach on Christian worship Ed Phillips Associate Professor of Worship and Liturgical Theology and Coordinator of the Initiative in Religious Practices and Practical Theology Candler School of Theology Atlanta GA Readers will find Lim and Ruth's one of a kind

4 12a *Excellence in Preaching* Simon Vibert,2012-05-15 What do good preachers do well Simon Vibert has studied today's leading preachers to discover the dynamics of effective preaching Each chapter profiles a contemporary preacher and lifts out practical principles from the likes of Tim Keller John Piper and Nicky Gumbel Learn from the best And become the best preacher that you can be Organic Outreach for Churches Kevin G. Harney,2011-10-25 Nearly all churches and ministries consider themselves dedicated to evangelism and many explicitly include outreach in their mission statements But few are actually bearing fruit Kevin Harney diagnoses this problem and offers guidance for multiplying the outreach impact of churches *Organic Outreach for Churches* provides direction for local congregations to weave evangelism into the fabric of the church Commitment to the Great Commission is not simply about sending money and prayers to missions or holding occasional events to reach out although these things are good Organic outreach happens when evangelistic vision and action become the domain of every ministry and the commitment of every person in the congregation This will not happen accidentally There is huge spiritual and practical resistance to such changes But the only way evangelism will become an organic part of a church is when every leader and each member is gripped by a commitment to proclaiming the gospel This book is a roadmap for pastors and leaders who wish to infuse evangelistic passion into every aspect of their church's life

How to Preach the Prophets for All Their Worth Andrew G. M. Hamilton,2022-05-24 The Old Testament prophetic books play a key role in revealing God's plan of salvation They occupy a significant portion of the biblical canon similar in size to the entire New Testament Yet most believers stay clear of this part of Scripture They avoid traveling through this forest of oracles and visions Many preachers also struggle to navigate this unfamiliar territory Preachers feel much more at ease unpacking the intricate arguments of the Pauline epistles or following the thrilling adventures of biblical narratives rather than exploring the prophetic books The church however needs to hear and respond to the beauty depth and relevance of the prophetic message This book not only provides convincing reasons for preaching the prophets today but also offers concrete guidelines to empower preachers small group leaders youth workers etc to communicate the message of the prophets with hermeneutical precision theological depth genre sensitivity and pastoral pulse This book motivates and equips preachers to travel with confidence through this uncharted territory and to help God's people enjoy the scenery of this part of God's word
