The Great Book of Lingerie Cécil Saint-Laurent,1986 **Unmentionables** Elaine Benson,John Esten,1996 In ancient Greece women strapped lengths of cloth across their breasts and then covered them with tunics These bosom protectors were the antecedents of the brassiere which didn't come along until the 20th century With the use of fine art photography film stills cartoons and ads *Unmentionables* describes the social history of a subject that holds a powerful fascination for us all 120 full color and b w illustrations *Exposed* Colleen Hill,2014 *Exposed* a history of lingerie traces developments in intimate apparel from the eighteenth century to the present There are two types of lingerie hard and soft Hard lingerie includes corsets bustles and structured bras while soft lingerie consists of unstructured garments such as slips nightgowns and panties *Exposed* begins with a sky blue corset and ends with a sapphire blue bra and panty set from luxury label La Perla from exhibition flyer *Dress and Undress* Elizabeth Ewing,1989 **1000 Dessous** Gilles Néret,2008 The entertaining companion novel to the best selling *The Sweet Second Life of Darrell Kincaid* Michelle Lawrence's perfect life has been just as she's designed it But then her husband Chad ruins everything by taking a job in San Francisco about as far from their comfortable family home as it's possible to get without actually emigrating Up until now Chad's primary focus has been keeping her happy and Michelle can see no good reason why this should change But change it has and Michelle now has to deal with Chad's increasing detachment while building a new life with her two small children in a place filled with cat eating coyotes On top of that Michelle's oldest friend is turning against marriage while her newest is a little too obsessed with clean taps And down the redwood lined street there's Aishe Herne a woman who could pick a fight with a silent order of nuns Aishe has designed her own kind of perfect life in which there's room for her her teenage son and no one else But when cousin Patrick lands in town like a Cockney nemesis both Aishe and Michelle must begin determined campaigns to regain their grip on the steering wheel of their lives *The Catherine Robertson Trilogy* Book 1 *The Sweet Second Life of Darrell Kincaid* Book 2 *The Not So Perfect Life of Mo Lawrence* Book 3 *The Misplaced Affections of Charlotte Forbes* **The History of Men's Underwear and Swimwear, Second Edition** Daniel Delis Hill,2022-01-21 *The History of Men's Underwear and Swimwear* features a detailed thoroughly illustrated chronology of the development and changing styles of these two bare necessities of masculine dress Interwoven throughout the study is also an examination of how these most intimate forms of men's clothing not only reflected society but also how the evolution of styles inexorably influenced social change especially notions of masculinity modesty and erotic exhibitionism In addition Daniel Delis Hill looks at more than 100 years of the mass marketing of men's underwear and swimwear especially the progression of visual presentation and the written message in the era of mass production and mass communication Cover to cover the second edition of *History of Men's Underwear and Swimwear* is richly illustrated in color throughout with over 200 period photos and artwork many never published before *Underneath It All* Amber J. Keyser,2018-01-01 For most of human history the garments women wore under their clothes

were hidden The earliest underwear provided warmth and protection But eventually women s undergarments became complex structures designed to shape their bodies to fit the fashion ideals of the time In the modern era undergarments are out in the open from the designer corsets Madonna wore on stage to Beyonc s pregnancy announcement on Instagram This feminist exploration of women s underwear reveals the intimate role lingerie plays in defining women s bodies sexuality gender identity and body image It is a story of control and restraint but also female empowerment and self expression You will never look at underwear the same way again

Selling Sexy Lauren Sherman, Chantal Fernandez, 2024-10-08 The story of how Victoria s Secret skyrocketed from a tiny chain of boutiques to a retail phenomenon with more than 8 billion in annual sales at its peak all while defining an impossible beauty standard for generations of American women before the brand s tight grip on the industry finally slipped Victoria s Secret is one of the most influential and polarizing brands to ever infiltrate the psyche of the American consumer Almost right at its start in the late 1970s the company developed a cult following for its glamorous catalogs Back then shoppers had few alternatives to the stodgy department stores that sold most of the nation s intimate apparel By 1982 the founders of Victoria s Secret avoided bankruptcy by selling to Les Wexner the fast fashion pioneer behind the Limited whose empire of mall brands would go on to dominate American retail for forty years Wexner turned Victoria s Secret into a multibillion dollar business and the brand s cultural influence soared thanks to its airbrushed advertisements and annual televised fashion show which drew millions of viewers each year Its supermodel spokeswomen the sweet but sultry Angels personified a new American beauty standard But as our definition of beauty expanded Victoria s Secret failed to evolve and reached a crisis point Meanwhile Wexner became increasingly known for his complicated relationship with sex trafficker Jeffrey Epstein his former financial adviser and confidant *Selling Sexy* expertly draws from sources within Victoria s Secret and across the industry to examine the unprecedented rise of one of the most innovative brands in retail history a brand that today under new ownership is desperately trying to seduce shoppers again
