Unpacking Scripture In Youth Ministry Theological Journey Through Youth Ministry:

Unpacking Scripture in Youth Ministry Andrew Root, 2013-01-01 Unpacking Scripture in Youth Ministry focuses on how to teach and present the Bible in the lives of teenagers Andrew Root argues that teens are constant interpreters always asking the questions who am I and what do others think of me and so youth ministers must teach them to interpret the actions of God as revealed in the Bible This view is different than teaching biblical knowledge memory verses and Bible facts and it s different than teaching them to interpret the Bible themselves Rather they are to view the Bible as a tool for interpreting God s actions and then respond with their own actions *Taking Theology to Youth Ministry* Andrew Root, 2012-08-21 Even if you know you re called to youth ministry and are passionate about the students in your group you ve probably had a few of those moments when you ve wondered why you re doing certain things in your ministry or wondered why you re even doing youth ministry in the first place If you ve ever stopped to ask What s the point of youth ministry In *Taking Theology to Youth Ministry* Andrew Root invites you along on a journey with Nadia a fictional youth worker who is trying to understand the why behind her ministry Her narrative along with Root s insights help you uncover the action of God as it pertains to your own youth ministry and encourage you to discover how you can participate in that action As you join this theological journey you ll find yourself exploring how theology can and should influence the way you do youth ministry

Unlocking Mission and Eschatology in Youth Ministry Andrew Root, 2013-01-01 In *Unlocking Mission and Eschatology in Youth Ministry* Root argues that youth ministers should teach teens to recognize that as Jesus disciples they are participating in the very action of God to bring forth the future of God He argues that our service to him on this earth mission is a sign of the new reality that Jesus will bring when he returns eschatology **Wide-Awake in God's World** Graham D. Stanton, 2020-10-08 In an expressivist culture effective engagement must acknowledge teenagers freedom to choose their own spiritual path Yet in an evangelical theology faithful formation must hold on to biblical authority As we seek to engage young people with the Bible key questions need to be explored Such questions include how can pedagogical freedom be affirmed without undermining theological authority and how can authority be asserted without diminishing personal freedom This study explores a freedom authority dialectic in theological dialogue with the educational philosophy of Maxine Greene Greene s reflection on the arts and the imagination are brought into conversation with insights from Charles Taylor Garret Green and Nicholas Wolterstorff As a work of practical theology the book concludes with a framework to shape the purpose content and values for Bible engagement in contemporary youth ministry *Bonhoeffer as Youth Worker* Andrew Root, 2014-10-14 The youth ministry focus of Dietrich Bonhoeffer s life is often forgotten or overlooked even though he did much work with young people and wrote a number of papers sermons and addresses about or for the youth of the church However youth ministry expert Andrew Root explains that this focus is central to Bonhoeffer s story and thought Root presents Bonhoeffer as the forefather and model of the growing theological turn in youth ministry By linking contemporary

Myers,2004-01-06 This is a book about youth ministry a ministry with youth based in the local congregation Seven theological themes utilizing a lectionary seasons of the year framework provide this book s core Here is a resource to help youth and youth leaders struggle with a reconstruction of the role of the congregation in transformative ministry with youth **Youth Ministry** Lawrence O. Richards,1990-12-19 Understanding youth culture in a particular time and place is one of the foundation stones upon which youth leaders build a youth ministry Christian education according to Richards is the teaching and learning of Christian faith as culture the reshaping of personalities into the image of Christ The thesis of this book is that youth ministry must be viewed as youth and adults involved together in Scripture in a body of Christ relationship and in life Richards shows what is involved in each of these elements as well as how to organize and program a ministry that through such involvement will lead young people to Christian maturity **Models for Youth Ministry** Steve Griffiths,2013-05-16 This book explores models for youth ministry from the life and ministry of Christ This area of study has become fossilised because youth workers rely too heavily on the notion of incarnational or relational youth ministry This leads them to believe that they must spend huge amounts of time with young people in order to earn the right to share the gospel with them The author argues that this foundation for youth ministry is inadequate and impractical and that it is not how Jesus himself operated He proposes a broader Christology as a foundation for youth ministry today Each chapter includes study questions for individuals or groups **Youth Ministry in the 21st Century (Youth, Family, and Culture)** Chap Clark,2015-08-11 There are many philosophies and strategies that drive today s youth ministry To most people they are variations on a single goal to make faithful disciples of young people However digging deeper into various programs books and concepts reveals substantive differences among approaches Bestselling author Chap Clark is one of the leading voices in youth ministry today In this multiview work he brings together a diverse group of leaders to present major views on youth ministry Chapters are written in essay response fashion by Fernando Arzola Greg Stier Ron Hunter Brian Cosby and Chap Clark As the contributors present their views and respond to each of the other views they discuss their task and calling giving readers the resources they need to develop their own approach to youth ministry Offering a model of critical thinking and respectful dialogue this volume provides a balanced
