Lord and Savior How many of you know God can use any circumstance for the good of his will I m a prime example I truly can witness the truth of that fact Life s journey took me places I ve never been before This journey brought me to a dead end road Just before the dead end road was two paths a left path and a right path The left path was a dark path that represented death the walls of a coffin The right path had a light afar off This light represented life As I pause for a moment I chose the right path This path was the walls of corrections Behind these walls I found God and got a close intimate relationship with him I was placed behind the walls of correction for three years The first two years I was transformed into a new person God changed me by creating in me a new heart and a new spirit and a new way of thinking He changed my heart of stone into a humble heart As my intimacy with God grew I began to have a great appreciation for Almighty God for saving a wreck like me Over the two years of studying and applying God s Word to my life I grew to be a servant for the Lord Beginning the third year of correction I asked God for permission to do a devotional book in His name As I prayed about my request during my morning devotion God led me to the Book of Jeremiah 30 1 2 He conformed to me through the prophet Jeremiah The Holy Spirit began to work on my behalf I was inspired by God after he lead me to the Book of Jeremiah I decided I would name the book Inspirational Daily Devotional I let the Holy Spirit lead the entire portion of the book I was delighted in God using me as one of his servants So many of God s people will be blessed and inspired by this book God doesn t make any mistakes Thank you
