 Reid,2000 G Edward Reid provides a wake up call for those living at the end of history suggests some midcourse corrections
 and gives encouraging assurance that God is still in control of earth s destiny We do in fact have a map to direct us into the
 future This volume is a guidebook to that map enabling the reader to understand its directions and unlock its prophecies
 Indications are abundant that the destiny of earth s inhabitants is about to be decided In this book you will learn How current
 events predicted more than 2 000 years ago show that the end of the world is near How to have confidence in choosing the
 road that will lead to the ultimate destination How some spiritual gurus are actually deceiving thousands of innocent
 travelers Why not all religious roads lead to heaven including some you think might Why truth is important and should not be
 compromised for the sake of unity How ancient prophecies precisely identify the man of sin the end time antichrist The role
 of the United States of American in the end time scenario That the great pre Advent judgment is taking place in heaven right
 now Why thousands of people every day are making decisions and taking actions to redirect their lives many leaving long
 held traditions and beliefs Which Way Home Choosing the Right Map Truth Matters Faithful Guides God Outlines the Future
 Nations Come and Go World Superpower Signs of the End The Road Back Almost Home It s Time to Decide *End of
 Masculinity* John MacInnes,1998-02-16 Why does masculinity seem obvious yet prove impossible to define What has caused
 the erosion of men s power and will progress towards sexual equality continue How political is the personal This book
 explains why both popular and academic commentators have found it impossible to define masculinity It is because no such
 thing exists Re examining the ideas of thinkers such as Sigmund Freud and Thomas Hobbes the author shows that modern
 societies faced the novel problem of explaining how men and women had equal rights yet led such different lives and solved
 it by inventing the concept of masculinity It concludes that strong forces in modern societies encourage greater sexual
 equality and that these are better supported by a politics of equal rights than by encouraging men to personally reform their
 masculine identity MacInnes challenges established ways of thinking about sex gender and masculinity that underpin not
 only feminist thought but the treatment of these issues across the social sciences philosophy and history **Strip Show**
