Unveiling The Mysteries Of The Last Days:

Unveiling the Mysteries of the Last Days David A. Hamblin, 2010-06 Since being written the end time prophecies of the Bible have been shrouded in mystery Our world is now inundated with book after book on the subject of end time interpretation Often the most important aspects of the Bible s prophecies are twisted or changed to fit the needs of a Hollywood movie Expertly sifting through the modern fog covering these important prophecies David Hamblin takes an exhaustive yet thoroughly readable approach to the study of the end times Using the proven techniques of the scientific method David put together a system of prophecy analysis that would allow for extremely complex theories to be tested against the many and varying passages of end times prophecy Beginning with a solid faith in the Bible as the infallible Word of God he now presents his findings in God s Prophetic Timeline Never before has there been such a clear and concise presentation of God s timeline for the future along with many passages that David admits we cannot yet understand Written for the minister and layperson alike it begins by explaining the church age and progresses through each of Revelation s seven phases ending with new heaven and new earth His approach details even subtle prophetic material including Israel s future wealth the world war it triggers and Jesus coronation Don t be puzzled any longer by confusion on the subject of prophecy Leave behind the many contradictory theories propagated by the misinformed Follow along as God s Prophetic Timeline shows you in detail the tested validated and unified understanding of the Bible s prophecies

representing the final beast empire of Revelation 13 However as this book will prove the meanings of the original Hebrew in the Bible in addition to numbers patterns and codes found therein all point to an Israel centered interpretation of the last days and the fact that the beast is actually the religion and empire of Islam within religious Israel In this fascinating study you will explore the original text of the Bible to uncover exactly what will take place during the last days You will also discover How Yahweh uses the Hebrew language in His plan The meaning behind cryptic passages such as Daniel 2 7 and 9 and Revelation 13 and 17 The mark name of the beast and 666 are all associated with the Islamic control of Israel Lucifer s plan to trick the Jews of Israel to worship him instead of Yahweh The prophetic importance of 2020 and its relation to Islam This ground breaking research astoundingly supplements the recent findings of prominent Christian Islamic expositors and is a must read for any serious truth seeker

Collene, 2023-08-04 Applying all seven keys introduced in Book 1 of The Unveiling The Book of Sevens we now open The Seven Visions revealing seven facets of a comprehensive revelation The goal is to bring understanding to the Book of Revelation that is readable devotional and applicable The intent is to bring hope and light on this perplexing and rarely taught book The Revelation is not intended to be an indecipherable enigma it is not meant to puzzle and bewilder but to disclose God's plan purpose and provision to His bond servants Therefore to that end the purpose is to bring the authors comments on each facet of The Revelation to the reader with these goals in mind The Book of Revelation is unveiled as a seven faceted jewel The seven visions of the Book of Revelation open to God's bond servants the insight and encouragement needed to persevere until He comes It reveals the fulfillment of old testament prophecy with Israel's Great Day of the Lord in 70 AD while in these same visions reveals the cataclysmic end of this age These two tracks of judgment bring to a conclusion the former days and introduce these last days as prophetically revealed throughout Scripture Blessed is he who reads and those who hear the words of the prophecy and heed the things which are written in it for the time is near Revelation 1:3

Revealing the Mysterion Benjamin Gladd, 2008-12-19 Scholars largely agree that the NT term *mysterion* is a *terminus technicus* originating from Daniel This project traces the word in the Dead Sea Scrolls and other sectors of Judaism Like Daniel the term consistently retains eschatological connotations The monograph then examines how mystery functions within 1 Corinthians and seeks to explain why the term is often employed The apocalyptic term concerns the Messiah reigning in the midst of defeat eschatological revelations and tongues charismatic exegesis and the transformation of believers into the image of the last Adam *Bulwer's Novels: The last days of Pompeii* Edward Bulwer Lytton Baron Lytton, 1891 *Novels of Sir Edward Bulwer Lytton: The last days of Pompei* Edward Bulwer Lytton Baron Lytton, 1893 *The Last Days of Pompeii* Edward G. Bulwer-Lytton, 1879 *Reading Ephesians* Minna Shkul, 2010-02-10 Minna Shkul examines how Ephesians engages in social entrepreneurship the deliberate shaping of emerging Christian Identity through provision of ideological and social paradigms for the fledgling Christian community Shkul uses social entrepreneurship as an umbrella for a variety of social processes reflected in the text This eclectic theoretical framework and deuteropauline reading position has two key aims The first is to offer a theoretically informed social scientific reading which demonstrates the extensive socio ideological shaping within the text and displays the writer's negotiation of different group processes throughout the letter The second is to examine emerging Christian identity in the text testing its ideological and social contours and its reforms upon Jewish traditions Crucially this is done without the theological presupposition that something was wrong with the Judaism practised at the time but rather by focusing upon the divine legitimating of the Christian group and its culture These readings of Ephesians examine how the writer engages in a self enhancing discourse that reinforces basic components of communality These include the construction of a positive in group identity and the provision of ideological and social legitimating for the

community Shkul also discusses the textual reflection of communal relations in other groups in Greco Roman antiquity She examines how Christ followers are positioned in a Jewish symbolic universe which is forced to make room for Christ and his non Israelite followers Finally she explores the attitude toward non Israelites within Ephesians and their need for re socialization
