Uplift The Bra In America:

Uplift Jane Farrell-Beck, Colleen Gau, 2002-10-22 Viewing fashion as a means to entertainment self creation and everyday art the authors illuminate the effect the brassiere has had on women's lives their style health and economic opportunity
BOOK JACKET *Uplift* Jane Farrell-Beck, Colleen Gau, 2005-05 In *Uplift The Bra in America* Jane Farrell Beck and Colleen Gau use the brassiere to gauge the social history of women and to understand the business history of fashion Hundreds of attempts have been made to design the ideal breast supporter over the past 140 years *Uplift The Bra in America* is the story of those attempts and it's hard to imagine it being told better Robert Gottlieb New York Observer *Becoming Elizabeth Arden* Stacy A. Cordery, 2024-09-03 A sweeping biography of one of the most influential and successful business women in American history *BECOMING ELIZABETH ARDEN* opens the Red Door to a world of wealth glamor and the profitable business of beauty Elizabeth Arden was a household name on six continents and a millionaire several times over before her death in 1966 Arden counted British royalty and social elites from the overlapping worlds of New York Hollywood London and Paris among her clients She revolutionized skin care and cosmetics making it acceptable for all women to embrace glamour and wear makeup not just actresses and prostitutes She created a successful international business empire before women gained the vote and at a time when virtually no woman owned or ran a national company She developed the first luxury spa and insisted on a holistic understanding of health and beauty Unconventional and driven Arden fervently believed that every woman could be beautiful Acclaimed biographer Stacy Cordery does full justice to one of America's greatest entrepreneurs Canadian born Florence Nightingale Graham turned herself into Elizabeth Arden using her uncanny sense of the possible to take full advantage of everything New York City offered building her company and becoming one with her brand In an astounding rags to riches tale Elizabeth Arden came to personify sophistication and refinement Her hard work and innovation made makeup fitness and style not only acceptable but de rigueur Arden prospered throughout the Depression reimagined women's needs during two World Wars and by pioneering new approaches to marketing and advertising ushered beauty into the modern era Cordery delivers a compelling picture of a modern CEO whose career provides a model for aspiring businesses to this day **Cultural Encyclopedia of the Breast** Merril D. Smith, 2014-09-08 Boobs Tits Hooters Knockers Jugs Breasts We celebrate them we revile them They nourish us they kill us And regardless of what we call them breasts have fascinated us since prehistoric times This A to Z encyclopedia explores the historical magnitude and cultural significance of the breast over time and around the world A team of international scholars from various disciplines provides key insights and information about the breast in art history fashion social movements medicine sexuality and more Entries discuss depictions of breasts on ancient figurines in Renaissance paintings and in present day advertisements They examine how fashion has emphasized or de-emphasized the breast at various times They tackle medical issues such as breast augmentation and breast cancer and controversies over breastfeeding The breast as sexual object and

even a site of smuggling are also covered As a whole the Cultural Encyclopedia of the Breast takes an engaging and accessible look at this notable body part **Jiggle** Wendy Burns-Ardolino,2007-12-24 Jiggle Re Shaping American Women explores the relationship between American women and their bodies as mediated by both traditional and contemporary foundation garments This post corsetry study begins in the 1930s with a discussion of traditional foundation garments and continues with an analysis of contemporary shapewear as these garments shape women physically culturally and socially Jiggle focuses on the corporate cultural and individual practices and meanings of women s experiences with foundation garments Referencing trade journals industry data statistics advertisements and telephone surveys and interviews with women author Wendy Burns Ardolino examines how the contested terrain of fashion and beauty culture reflect larger cultural power struggles Jiggle argues that women should not be complicit in alienating themselves from their bodies but rather should embrace their bodies multiple capacities as they practice fashion femininity and gendered performatives

Female Adolescent Sexuality in the United States, 1850-1965 Ann Kordas,2019-04-08 This book examines the history of female adolescent sexuality in the United States from the middle of the nineteenth century until the beginning of the 1960s The book analyzes both adult perceptions of female adolescent sexuality and the experiences of female adolescents themselves It examines what girls knew or thought they knew about sex at different points in time girls sexual experiences girls ideas about love and romance female adolescent beauty culture and the influence of popular culture on female adolescent sexuality It also examines the ways in which adults responded to female adolescent sexuality and the efforts of adults to either control or encourage girls interest in sexual topics dating girls participation in beauty culture and their education on sexual topics The book describes a trajectory along which female adolescents went from being perceived as inherently innocent and essentially asexual to being regarded and feared as primarily sexual in nature **Playboy and the Making of the Good Life in Modern America** Elizabeth Fraterrigo,2009-11-05 Launched by Hugh Hefner in 1953 Playboy promoted an image of the young affluent single male the man about town ensconced in a plush bachelor pad in constant pursuit of female companionship and a good time Spectacularly successful this high gloss portrait of glamorous living and sexual adventure would eventually draw some one million readers each month Exploring the world created in the pages of America s most widely read and influential men s magazine Elizabeth Fraterrigo sets Playboy s history in the context of a society in transition Sexual mores gender roles family life notions of consumption and national purpose all were in flux as Americans adjusted to the prosperity that followed World War II Initially Playboy promised only entertainment for men but Fraterrigo reveals that its vision of abundance pleasure and individual freedom soon placed the magazine at the center of mainstream debates about sex and freedom politics and pleasure in postwar America She shows that for Hugh Hefner the good life meant the playboy life in which expensive goods and sexually available women were plentiful obligations were few and if one worked hard enough one could enjoy abundant leisure and consumption In support of this view Playboy attacked

early marriage traditional gender arrangements and sanctions against premarital sex The magazine also promoted private consumption as a key to economic growth and national well being offering tips from The Playboy Advisor on everything from high end stereos and cuff links to caviar and wine If we want to understand post war America Fraterriago shows we must pay close attention to Playboy its messages about pleasure and freedom the debates it inspired and the criticism it drew all of which has been bound up in the popular culture and consumer society that surround us *Qualifying Times* Jaime

Schultz,2014-03-15 This perceptive lively study explores U S women s sport through historical points of change particular products or trends that dramatically influenced both women s participation in sport and cultural responses to women athletes Beginning with the seemingly innocent ponytail the subject of the Introduction scholar Jaime Schultz challenges the reader to look at the historical and sociological significance of now common items such as sports bras and tampons and ideas such as sex testing and competitive cheerleading Tennis wear tampons and sports bras all facilitated women s participation in physical culture while physical educators the aesthetic fitness movement and Title IX encouraged women to challenge or confront policy financial and cultural obstacles While some of these points of change increased women s physical freedom and sporting participation they also posed challenges Tampons encouraged menstrual shame sex testing a tool never used with male athletes perpetuated narrowly defined cultural norms of femininity and the late twentieth century aesthetic fitness movement fed into an unrealistic beauty ideal Ultimately Schultz finds that U S women s sport has progressed significantly but ambivalently Although participation in sports is no longer uncommon for girls and women Schultz argues that these points of change have contributed to a complex matrix of gender differentiation that marks the female athletic body as different than as less than the male body despite the advantages it may confer *Reducing Bodies* Elizabeth M.

Matelski,2017-05-25 *Reducing Bodies* Mass Culture and the Female Figure in Postwar America explores the ways in which women in the years following World War II refashioned their bodies through reducing diets exercise and plastic surgery and asks what insights these changing beauty standards can offer into gender dynamics in postwar America Drawing on novel and untapped sources including insurance industry records this engaging study considers questions of gender health and race and provides historical context for the emergence of fat studies and contemporary conversations of the obesity epidemic

Feminism and Popular Culture Rebecca Munford,Melanie Waters,2014-05-01 When the term postfeminism entered the media lexicon in the 1990s it was often accompanied by breathless headlines about the death of feminism Those reports of feminism s death may have been greatly exaggerated and yet contemporary popular culture often conjures up a world in which feminism had never even been born a fictional universe filled with suburban Stepford wives maniacal career women alluring amnesiacs and other specimens of retro femininity In *Feminism and Popular Culture* Rebecca Munford and Melanie Waters consider why the twenty first century media landscape is so haunted by the ghosts of these traditional figures that feminism otherwise laid to rest Why over fifty years since Betty Friedan s critique does the feminine mystique exert such a

strong spectral presence and how has it been reimagined to speak to the concerns of a postfeminist audience To answer these questions Munford and Waters draw from a rich array of examples from contemporary film fiction music and television from the shadowy cityscapes of Homeland to the haunted houses of American Horror Story Alongside this comprehensive analysis of today's popular culture they offer a vivid portrait of feminism's social and intellectual history as well as an innovative application of Jacques Derrida's theories of hauntology Feminism and Popular Culture thus not only considers how contemporary media is being visited by the ghosts of feminism's past it raises vital questions about what this means for feminism's future

We Kept Our Towns Going Phyllis Michael Wong, 2022-03-01 WITH A FOREWORD BY LISA M FINE
MICHIGAN STATE UNIVERSITY Michigan's Upper Peninsula is known for its natural beauty and severe winters as well as the mines and forests where men labored to feed industrial factories elsewhere in the nineteenth and twentieth centuries But there were factories in the Upper Peninsula too and women who worked in them Phyllis Michael Wong tells the stories of the Gossard Girls women who sewed corsets and bras at factories in Ishpeming and Gwinn from the early twentieth century to the 1970s As the Upper Peninsula's mines became increasingly exhausted and its stands of timber further depleted the Gossard Girls income sustained both their families and the local economy During this time the workers showed their political and economic strength including a successful four month strike in the 1940s that capped an eight year struggle to unionize Drawing on dozens of interviews with the surviving workers and their families this book highlights the daily challenges and joys of these mostly first and second generation immigrant women It also illuminates the way the Gossard Girls navigated shifting ideas of what single and married women could and should do as workers and citizens From cutting cloth and distributing materials to getting paid and having fun Wong gives us a rare ground level view of piecework in a clothing factory from the women on the sewing room floor

Focus On: 100 Most Popular American Stage Actresses Wikipedia contributors,
Making War, Making Women Melissa A. McEuen, 2011-02-15 Drawing on war propaganda popular advertising voluminous government records and hundreds of letters and other accounts written by women in the 1940s Melissa A McEuen examines how extensively women's bodies and minds became battlegrounds in the U S fight for victory in World War II Women were led to believe that the nation's success depended on their efforts not just on factory floors but at their dressing tables bathroom sinks and laundry rooms They were to fill their arsenals with lipstick nail polish creams and cleansers in their battles to meet the standards of ideal womanhood touted in magazines newspapers billboards posters pamphlets and in the rapidly expanding pinup genre Scrutinized and sexualized in new ways women understood that their faces clothes and comportment would indicate how seriously they took their responsibilities as citizens McEuen also shows that the wartime rhetoric of freedom democracy and postwar opportunity coexisted uneasily with the realities of a racially stratified society The context of war created and reinforced whiteness and McEuen explores how African Americans grappled with whiteness as representing the true American identity Using perspectives of cultural studies and feminist theory Making

War Making Women offers a broad look at how women on the American home front grappled with a political culture that used their bodies in service of the war effort *The Family* David Laskin,2013-10-15 The author of the *The Children s Blizzard* delivers an epic work of twentieth century history through the riveting story of one extraordinary Jewish family In tracing the roots of this family his own family Laskin captures the epic sweep of the twentieth century A modern day scribe Laskin honors the traditions the lives and the choices of his ancestors revolutionaries and entrepreneurs scholars and farmers tycoons and truck drivers *The Family* is a deeply personal dramatic and emotional account of people caught in a cataclysmic time in world history A century and a half ago a Torah scribe and his wife raised six children in a yeshivatown at the western fringe of the Russian empire Bound by their customs and ancient faith the pious couple expected their sons and daughter to carry family traditions into future generations But the social and political crises of our time decreed otherwise The torrent of history took the scribe s family down three very different roads One branch immigrated to America and founded the fabulously successful Maidenform Bra Company another went to Palestine as pioneers and participated in the contentious birth of the state of Israel the third branch remained in Europe and suffered the onslaught of the Nazi occupation With cinematic power and beauty bestselling author David Laskin brings to life the upheavals of the twentieth century through the story of one family three continents two world wars and the rise and fall of nations **Dammed** Brittany Luby,2020-10-09 *Dammed* explores Canada s hydroelectric boom in the Lake of the Woods area It complicates narratives of increasing affluence in postwar Canada revealing that the inverse was true for Indigenous communities along the Winnipeg River *Dammed* makes clear that hydroelectric generating stations were designed to serve settler populations Governments and developers excluded the Anishinabeg from planning and operations and failed to consider how power production might influence the health and economy of their communities By so doing Canada and Ontario thwarted a future that aligned with the terms of treaty a future in which both settlers and the Anishinabeg might thrive in shared territories The same hydroelectric development that powered settler communities flooded manomin fields washed away roads and compromised fish populations Anishinaabe families responded creatively to manage the government sanctioned environmental change and survive the resulting economic loss Luby reveals these responses to dam development inviting readers to consider how resistance might be expressed by individuals and families and across gendered and generational lines Luby weaves text testimony and experience together grounding this historical work in the territory of her paternal ancestors lands she calls home With evidence drawn from archival material oral history and environmental observation *Dammed* invites readers to confront Canadian colonialism in the twentieth century *World Clothing and Fashion* Mary Ellen Snodgrass,2015-03-17 Taking a global multicultural social and economic perspective this work explores the diverse and colourful history of human attire From prehistoric times to the age of globalization articles cover the evolution of clothing utility style production and commerce including accessories shoes hats gloves handbags and jewellery for men women and children Dress for different

climates occupations recreational activities religious observances rites of passages and other human needs and purposes from hunting and warfare to sports and space exploration are examined in depth and detail Fashion and design trends in diverse historical periods regions and countries and social and ethnic groups constitute a major area of coverage as does the evolution of materials from animal fur to textiles to synthetic fabrics and production methods from sewing and weaving to industrial manufacturing and computer aided design Dress as a reflection of social status intellectual and artistic trends economic conditions cultural exchange and modern media marketing are recurring themes Influential figures and institutions in fashion design industry and manufacturing retail sales production technologies and related fields are also covered

Selling Sexy Lauren Sherman, Chantal Fernandez, 2024-10-08 The story of how Victoria's Secret skyrocketed from a tiny chain of boutiques to a retail phenomenon with more than 8 billion in annual sales at its peak all while defining an impossible beauty standard for generations of American women before the brand's tight grip on the industry finally slipped Victoria's Secret is one of the most influential and polarizing brands to ever infiltrate the psyche of the American consumer Almost right at its start in the late 1970s the company developed a cult following for its glamorous catalogs Back then shoppers had few alternatives to the stodgy department stores that sold most of the nation's intimate apparel By 1982 the founders of Victoria's Secret avoided bankruptcy by selling to Les Wexner the fast fashion pioneer behind the Limited whose empire of mall brands would go on to dominate American retail for forty years Wexner turned Victoria's Secret into a multibillion dollar business and the brand's cultural influence soared thanks to its airbrushed advertisements and annual televised fashion show which drew millions of viewers each year Its supermodel spokeswomen the sweet but sultry Angels personified a new American beauty standard But as our definition of beauty expanded Victoria's Secret failed to evolve and reached a crisis point Meanwhile Wexner became increasingly known for his complicated relationship with sex trafficker Jeffrey Epstein his former financial adviser and confidant *Selling Sexy* expertly draws from sources within Victoria's Secret and across the industry to examine the unprecedented rise of one of the most innovative brands in retail history a brand that today under new ownership is desperately trying to seduce shoppers again

Technology and the African-American Experience

Bruce Sinclair, 2004 The intersection of race and technology black creativity and the economic and social functions of the myth of disengagement

Fashioning Politics and Protests Emily L. Newman, 2023-03-18 Through meticulous examinations this book analyzes how women update their identities and articulate their feelings through clothing and art in protests politics in the United States in the 20th century Topics explored include the suffragists and their impact on contemporary art the significance of the red dress in both *The Handmaid's Tale* and the Missing and Murdered Indigenous Women movement the impact of the Miss America protests the rising popularity of the pantsuit for women the recent dominance of the pussyhat and the way that feminist slogans are disseminated on t-shirts Movements discussed include craftivism hashtag culture feminism the CROWN act Pantsuit Nation socially committed stores and more Interdisciplinary and intersectional at its core

addressing numerous areas including fashion sociology visual culture art history feminism and popular culture Fashioning Politics and Protests uncovers how women continue to use visual means explored via their clothing to change the world

Fish Sticks, Sports Bras, & Aluminum Paul R. Josephson, 2021-04-27 A revealing look at the history politics and social meanings behind everyday objects Who would have guessed that the first sports bra was made out of two jockstraps sewn together or that it succeeded because of federal anti discrimination laws What do simple decisions about where to build a road or whether to buy into the carbon economy have to do with Hurricane Katrina or the Fukushima nuclear disaster How did massive flood control projects on the Mississippi River and New Deal dams on the Columbia River lead to the ubiquity of high fructose corn syrup And what explains the creation and continued popularity of the humble fish stick In Fish Sticks Sports Bras and Aluminum Cans historian Paul R Josephson explores the surprising origins political contexts and social meanings of ordinary objects Drawing on archival materials technical journals interviews and field research this engaging collection of essays reveals the forces that shape and are shaped by everyday objects Ultimately Josephson suggests that the most familiar and comfortable objects sugar and aluminum for example which are inextricably tied together by their linked history of slavery and colonialism may have the more astounding and troubling origins Students of consumer studies and the history of technology as well as scholars and general readers will be captivated by Josephson s insights into the complex relationship between society and technology Josephson s conclusions are guaranteed to make you think of the modern world and its interconnectedness in a different light Cosmos Every chapter of this book offers surprising insights and is a pleasure to read ICON

This is likewise one of the factors by obtaining the soft documents of this **Uplift The Bra In America** by online. You might not require more times to spend to go to the books creation as skillfully as search for them. In some cases, you likewise get not discover the notice Uplift The Bra In America that you are looking for. It will utterly squander the time.

However below, gone you visit this web page, it will be for that reason completely easy to get as well as download guide Uplift The Bra In America

It will not resign yourself to many mature as we run by before. You can reach it though accomplishment something else at home and even in your workplace. in view of that easy! So, are you question? Just exercise just what we offer below as competently as evaluation **Uplift The Bra In America** what you subsequently to read!
