Made for a Miracle Rev. Dr. Mike Slaughter, 2017-12-19 At some time in our lives most of us have prayed for or hoped for a miracle an event that seems impossible but is brought about by God's transcendent power But when miracles occur did you know that you have a role to play If that's true what's the catch What do we have to do What's it going to cost us Popular author and pastor Mike Slaughter examines the two components of every miracle divine action and human responsibility For a real miracle to take place we must act with God using whatever gifts talents and abilities we have and directing them toward God's work We need to follow the examples of Mary in the birth of Jesus Jesus' followers when he healed them and Jesus' disciples after he rose from the dead This Lent use your God-given gifts and talents for God's glory and get ready to be made for a miracle Additional components for this six week study include a comprehensive Leader Guide and a DVD featuring author and pastor Mike Slaughter

The Alchemy of Becoming Diane Fulford, Karen Diguier, 2023-09-13 This is a book to be experienced not simply read The Alchemy of Becoming series sets out a methodology that empowers you to raise your level of consciousness to levels never imagined possible The first book and level of this process Being of Truth laid a foundation of authenticity and personal truth In this second installment Being of Love the journey continues as you discover that love is not just a feeling or emotion but rather a powerful life enhancing and life creating force Level 1 reframed fear to trust In Level 2 love is claimed over and beyond fear This is transformation Not just inspiration but transformation to a state of higher consciousness available to us all Einstein claimed that no problem can be solved from the same level of consciousness that created it It is only in higher consciousness that the intractable issues of our times can be addressed This applies equally to our individual lives be it our health relationships and to our sense of worth and well being Higher consciousness takes you from life happening to you to life happening by you and expressed as you The seven stage alchemic process is the framework for transformation and while the process is universal no two people will have the same experience The experience is personalized to you meaning that it is aligned to your unique vibrational makeup This is a powerful affirming aspect of this methodology as what is revealed to you can only be known by you It all starts with you

Pastoral Visitation Tyler C. Arnold, 2023-01-25 Christ comes to and through his people Many consider pastoral visitation antiquated and impractical People seem busier than ever and technology appears to trivialize personal contact As a result personal visits are often reserved only for the gravest of situations Tyler C Arnold argues that pastoral visitation is essential to the pastoral role In Scripture God visits his people to show his personal interest and concern This is seen most clearly in the incarnation Christ's ministry is one of presence But Jesus is not only an example of visitation ministry he is the embodiment of it And in visitation pastors and laypeople continue Jesus's ministry by bringing Christ to the individual in their very place of need Established in strong theological foundations and sensitive to contemporary concerns Pastoral Visitation exhorts pastors to return to this classic method of individual soul care **Brokenness** Dr. D. Broken but Beautiful Joseph P. Conway,2020-11-06 American church participation has plummeted in recent decades Abuse scandals and hypocrisy hang in the air Weekly I talk to friends and neighbors who have left church even as many still identify as Christians I get what they re saying When I consider the pain that so many have experienced in church life the body of Christ sure seems broken It s no wonder many don t find church to be worth it But maybe there s more to the story As a child my family experienced deep crisis I felt alone and vulnerable Into that void the church stepped in I discovered a family a people that have my back and forever changed my life Even now I see tangible ways the church works for the common good The church possesses a resilient beauty that continually pushes through the brokenness If we love Jesus we have to eventually ask what Jesus loves Surprising to me at times Jesus loves the church despite her brokenness If we learn to see what Jesus sees we ll discover a powerful often untapped means towards human flourishing No other social group offers what the church offers Yes the church is broken but there s more She s beautiful
